HOW-TO BOOKS & MANUALS

KINSHIP: IT'S ALL RELATIVE Enlarged 2nd Edition

Jackie Smith Arnold

In clear, practical terms Mrs. Arnold explains everything there is to know about kinship: about agnate and cognate kinship, collateral and fictive kinship, the kinship connection of orphans, foundlings, foster children, adopted children, wills (kinship and the rights of inheritance), degrees of consanguinity, and how to calculate blood relationships.

The enlarged second edition explores the role of same-sex marriage, with a state-by-state breakdown of current law, placing the topic in the context of history, law, religion, and the changing culture of the modern family. Contains an expanded glossary, bibliography, and index.

Enlarged 2nd ed. 144 pp., paper. 2012. ISBN 9780806319537. #GPC 178. \$18.00

WHAT'S IN A NAME?

Leonard R. N. Ashley

Prof. Ashley's book gives the facts behind the names of persons, places and things: how forenames have their fashions, where surnames had their origins, name trends and fashions, name crazes, names in magic and the occult, middle names and nicknames, trick names and married names, place names, street names, the psychology of names, naming practices around the world, personal factors in naming, tips for giving a child a good name, what names tell us about ourselves . . . you name it, it's here!

265 pp., paper. (1989), repr. 2000. ISBN 9780806312613. #GPC 185. \$23.60

IN SEARCH OF YOUR GERMAN ROOTS. A Complete Guide to Tracing Your Ancestors in the Germanic Areas of Europe. Fifth Edition

Angus Baxter

This fifth edition helps you trace your German ancestry, not only in Germany but in all the German-speaking areas of Europe. All of the major archives and many of the smaller one, as well as church parishes, have web-sites containing contact information and information on their holdings. An ever-increasing number of Internet databases with information relevant to German ancestor-hunters—passenger lists, cemetery records, surname directories, etc.—has greatly improved opportunities for research. This fifth edition highlights all of the recent developments, making it the most current and comprehensive guide to German roots available.

5th ed., xiii, 125 pp., indexed, paper. 2015. ISBN 9780806320113. #GPC 398. \$23.50

ROOTS FOR KIDS: Finding Your Family Stories—With 14 Family History-Related Activities for Children!

Susan Provost Beller

This book provides children with a fun way to learn about themselves and their family history through the collection of family stories. Parents and grandparents share stories about their younger years, and families examine together how their life choices and family traditions connect them to the past and to one another. In the process, children examine their ancestors' nationalities, their family's food traditions, and the origin of their surnames and given names. They also pick up skills essential to genealogy research: how to ask questions, construct timelines, create family group sheets, and organize information.

Each illustrated chapter ends with an activity related to the subject of that chapter. Younger children will have fun doing these activities with their parents and grandparents, while older children can work on them on their own.

7" x 10". x, 68 pp., illus., indexed, paper. 2020. ISBN 9780806321073. #GPC 424. \$19.50

ROOTS FOR KIDS: A Genealogy Guide for Young People. 3rd Edition

Susan Provost Beller

Roots for Kids is based on a twelve-week course the author developed for her fourth-grade class. This 3rd edition provides updates reflecting both the recent explosion of interest in genealogy and the changes in how we can now do our family history research. While the book is suitable for teachers seeking to supplement their social studies curriculum with material on family history, it is also a wonderful resource for families looking for a meaningful project to work on together, and for any young person interested in making their first attempt at genealogical research.

The author first takes the young readers through an introduction to genealogy, then to discussions of their families and their parents' families, teaching them how to ask questions, what documents to look for, how to organize materials, and how to use the internet to conduct research in local, state, national, and international records.

3rd ed. 8½" x 11". 104 pp., illus., indexed, paper. 2020. ISBN 9780806321066. #GPC 423. \$25.95

CARMACK'S GUIDE TO COPYRIGHT & CONTRACTS. A Primer for Genealogists, Writers & Researchers

Sharon DeBartolo Carmack

Sooner or later, every researcher, writer, or teacher must struggle with one of the following issues: Do I need permission to use something off the Internet? Can I reproduce a newspaper obituary on my ancestor without permission? How do I know whether something is in the public domain? Does copyright protect my website? Can I publish

my ancestor's diary without anyone's permission? Is my lecture or lesson protected by copyright? If I write something for my genealogical society as a volunteer, who owns the copyright? Do I need permission to download GEDCOM files?

This easy-to-understand guide answers all these questions, explaining copyright laws, rights, and publishing agreements and how these apply to genealogists, writers, and researchers.

xv, 119 pp., indexed, paper. (2005), repr. 2007. ISBN 9780806317588. #GPC 883. \$21.00

YOU CAN WRITE YOUR FAMILY HISTORY

Sharon DeBartolo Carmack

In this entertaining book, popular author and speaker Sharon Carmack explains exactly what it takes to create a compelling, highly readable, and entirely true story, whether you decide to write a biography, family history narrative, or memoir. Ms. Carmack covers each element step-by-step, showing you how to: (1) select the best type of family history to write, (2) decide on a theme, (3) conduct efficient research to flesh out a narrative, (4) put subjects in the context of social history, and (5) get the words down on paper.

x, 246 pp., indexed, paper. (2003), repr. 2008. ISBN 9780806317830. #GPC 886. \$26.50

THE COMPLETE BEGINNER'S GUIDE to Genealogy, the Internet, and Your Genealogy Computer Program. Updated Edition

Karen Clifford

This book shows how to combine traditional research methods in the National Archives, the LDS Family History Library, and other major resource centers with today's technology; how to conduct research in courthouse records, censuses, and vital records using the new technologies of computers and the Internet. It shows you how to organize your family papers; how to enter information into a genealogy computer program so that you can easily manage, store and retrieve your data; how to analyze the data and place it in various tables, charts, and forms; and how to put together a family history notebook—all the while using conventional record sources with a modern search and retrieval system.

The updated edition contains references to current URLs and databases, discusses new genealogy software options, describes the latest procedures at FamilySearch, and includes a revision of the census chapter to reflect the release of the 1930 census.

8½" x 11". 360 pp., illus., indexed, paper. 2010. ISBN 9780806318752. #GPC 1047. \$49.95

THE SLEUTH BOOK FOR GENEALOGISTS. Strategies for More Successful Family History Research

Emily Anne Croom

What do you do when you hit the proverbial brick wall? Try gleaning advice from literary sleuths like Miss Marple, Sherlock Holmes, and Hercule Poirot! That's what expert genealogist Emily Croom helps you do in this guide,

which blends literary methods of deduction with genealogical expertise. Case studies and research examples illustrate genealogical sleuths in action, taking you through the process of solving frustrating research problems.

8½" x 11". 290 pp., illus., indexed, paper. (2000), repr. 2008. ISBN 9780806317878. #GPC 1221. \$44.00

UNPUZZLING YOUR PAST. 4th Edition. Expanded, Updated and Revised

Emily Anne Croom

Great for both individual and classroom use, this guide is intended for beginners with little or no prior research experience. It provides all the tools you need to begin your family history research. From step-by-step discussion of the records used in genealogical research to the investigation of family legends, this book shines a light on all facets of family history research.

Besides gathering names and dates, family history researchers want to learn how their ancestors lived and how they fit into the world around them. Therefore, the book explains how to interpret and understand oral records, keepsakes, and family papers. It also introduces you to research methods and to the entire mass of public records.

4th ed. 8½" x 11". 278 pp., profusely illus., indexed, paper. (2001), repr. 2010. ISBN 9780806318547. #GPC 1222. \$44.00

GETTING STARTED IN GENEALOGY ONLINE

William Dollarhide

This book reduces the process of genealogical research to its most basic elements, enabling the raw beginner to be brought up to speed in no time. It begins with a **How to Start** section outlining a unique seven-step system for gathering facts essential for any genealogical project. A **Where to Find More** section follows, giving the websites of the most important genealogy look-up sites, lineage-linked sites, genealogical software/GEDCOM sites, and a list of the various branches of the National Archives and their web addresses. Next there is a comprehensive listing of **Genealogy Resource Centers in the States**, giving the websites of the most important genealogical collections in libraries, archives, and genealogical societies for all states. At the back of the book are **Master Forms** used to keep track of the information gathered, including a Family Group Sheet, a Pedigree Chart, and a Family Data Sheet, all designed for making photocopies as needed.

8½" x 11". 64 pp., paper. (2006), repr. 2007. ISBN 9780806317700. #GPC 1499. \$17.00

MANAGING A GENEALOGICAL PROJECT. Updated and Revised Edition

William Dollarhide

This work presents a method for organizing research materials which takes you from the preliminary stage of your research to the final presentation of your work as a report or a book.

The first section covers the three basic types of projects—pedigrees, lineage-

es, and descendancies. The second section tells how to organize notes, while the third section shows the various methods of cross-referencing notes for purposes of retrieval and evaluation. Section four describes Ahnentafel numbering, and section five discusses descendancy numbering and the merits of the three main numbering systems—the Register, Record, and Henry systems—plus Dollarhide's own combined Ahnentafel/Henry numbering system. This edition features new material on computer software and CD databases.

8½" x 11". 98 pp., paper. (1999), repr. 2001. ISBN 9780806312224. #GPC 1495. \$24.25

CHEROKEE CONNECTIONS. By Myra V. Gormley. See #GPC 2271, p. 14.

REUNION PLANNER

Phyllis A. Hackleman

Mrs. Hackleman knows the reunion business first-hand, and her book is a virtual A-to-Z guide to these kinds of gatherings. The contents include: choosing the proper kind of reunion; recruiting volunteers; selecting the time and place; creating the program; guest speakers; budgeting; notifying the participants and promoting the event; meals and decorations; accommodations and transportation; souvenirs and fund raisers; photographers and videographers; building a genealogy; and finishing touches from road signs to thank-you notes, and more. Profusely illustrated and indexed.

135 pp., illus., maps, indexed, paper. (1993), repr. 2010. ISBN 9780806345598. #GPC 9575. \$22.50

SUSTAINABLE GENEALOGY: Separating Fact from Fiction in Family Legends

Richard Hite

This book explains how to avoid the traps many family historians can fall into. Whether it's a proud family legend, a venerable publication, or the claims of an Internet family tree, Mr. Hite demonstrates that many are the treasured family stories that have fallen under the lens of careful research in primary sources and DNA testing. Here are a few of the lessons that can guide you in your research: recognizing when identical surnames conceal different nationalities; understanding when and why death certificates can be wrong; knowing when ancestors' middle names are not family names; respecting the role of geography in establishing ancestral ties; taking the genealogies of 19th-century "mug books" with a grain of salt; accepting that all relationships must be chronologically plausible.

126 pp., illus., paper. (2013). ISBN 9780806319827. #GPC 2752. \$22.50

A GENEALOGIST'S REFRESHER COURSE. Second Edition

Judy Jacobson

This work is a collection of first-hand experiences, do's and don'ts, and privileged information. The author emphasizes the importance of verifying our findings against the original (primary) sources and not relying on secondary, or published, accounts as the foundation for our genealogies. One of the most valuable chapters contains a list of nearly 100 different kinds of alternative sources of genealogical information that researchers may fail to consult. This second edition features a new chapter on the records of lineage, hereditary, and other special organizations.

2nd ed. vi, 96 pp., paper. (1996), repr. 2010. ISBN 9780806346274. #CFC 9156. \$23.60

HISTORY FOR GENEALOGISTS. Using Chronological Time Lines to Find and Understand Your Ancestors. Revised Edition, With 2016 Addendum Incorporating Corrections to the 2009 Edition by Denise Larson

Judy Jacobson

This work consists of specific historical time lines that answer basic questions about our forebears. For example, if you are trying to learn when your ancestors left one place for another, it would be helpful to ask if it had to do with a military conflict, social injustice, religion, disease, economic hardship, or a natural disaster. No matter what the explanation, the author has a time line that could lead to the explanation.

Mrs. Jacobson dissects American history into scores of time lines: the Industrial Revolution, American immigration, the Labor Movement, technological changes, internal migration patterns, epidemics, the history of each of the 50 states, and, in brief, for the rest of North America, Europe, and much, much more!

x, 310 pp., indexed, paper. 2016. ISBN 9780806357683. #CFC 8250. \$43.50

GENEALOGY AS PASTIME AND PROFESSION. 2nd Edition

Donald L. Jacobus

Written in a clear and graceful style, this classic work describes the principles of genealogical research, the evaluation of evidence, and the relationship of genealogy to chronology, eugenics, and the law; it also discusses early nomenclature, royal ancestry, the use of source material, and the methods of compiling family history.

2nd ed. 120 pp., paper. (1968), repr. 1999. ISBN 9780806301884. #GPC 2975. \$13.50

TRACING ANCESTORS AMONG THE FIVE CIVILIZED TRIBES. By Rachal Mills Lennon. See #GPC 3350, p. 14.

HOW TO FIND YOUR FAMILY HISTORY IN U.S. CHURCH RECORDS: A Genealogical Guide, with Specific Resources for Major Christian Denominations before 1900

Sunny Jane Morton and Harold A. Henderson, CG

This guide book takes readers step-by-step through the process of identifying, locating, and gaining access to these genealogical gems. In these records you may find ancestors' births, maiden or married names, marriage details, deaths, family relationships, other residences, and even immigrants' overseas birthplaces. You may uncover information about ancestors who have been unnamed in other records—women, children, ethnic minorities, immigrants, and the poor. You may find details about your ancestors recorded long before the existence of civil records.

BLACK GENESIS. A Resource Book for African-American Genealogy. 2nd Edition James M. Rose & Alice Eichholz

When *Black Genesis* was originally published in 1978, it was the first book to provide researchers with information on resources and a

THE RESEARCHER'S GUIDE TO AMERICAN GENEALOGY. Fourth Edition**Val D. Greenwood**

In every field of study there is one book that rises above the rest in stature and authority and becomes the standard work in the field. In genealogy that book is *The Researcher's Guide*. It is the text of choice in colleges and universities or wherever courses in American genealogy are taught. While it instructs the researcher in the timeless principles of genealogical research, it also identifies the most current classes of records and research tools, gives their locations, explains their uses, and evaluates each of them in the context of the research process.

This 4th edition has been completely updated, incorporating all the latest developments, principles, and resources relevant to family history research. There are now two chapters about technology as it relates to family history research, including major family history websites and Internet resources. Virtually every chapter provides information on Internet websites pertinent to the subject discussed in that chapter. "Recommended as the most comprehensive how-to book on American genealogical and local history research."—Library Journal

4th ed., 778 pp., illus., indexed, paper. 2017. ISBN 9780806320663. #GPC 2364. \$54.50

methodology specific to African-American genealogy. Now, this landmark publication has been completely updated and is once again the premier guide to African-American genealogy.

Part I provides an overview of general research principles and methodology, while Part II contains a rundown of specific resources for all 50 states, Canada, and the West Indies, with special emphasis on the records unique to black genealogy. Resources described include research guides, published genealogies, community studies on African-American families and, most importantly, original research material that can be found in national, state, county, and city archives, and in historical societies and libraries.

2nd ed. xvi, 422 pp., paper. (2003), repr. 2008. ISBN 9780806317359. #GPC 4992. \$38.50

more). Under each facility listed there is a survey of key record holdings, with a description of the records, a summary of their contents, an explanation of their organization, and directions for their use.

8 1/2" x 11". 160 pp., indexed, paper. (1996), repr. 1997. ISBN 9780806315157. #GPC 5175. \$26.50

**A GUIDE TO NATURALIZATION RECORDS OF THE UNITED STATES****Christina K. Schaefer**

Arranged by state, county, and city, the *Guide* identifies all repositories of naturalization records, systematically indicating the types of records held, their dates of coverage, and the location of original and microfilm records. The *Guide* also pinpoints the whereabouts of federal court records in all National Archives facilities. It identifies all information that is available on microfilm through the National Archives or the Family History Library system. Records that are available on microfilm through other facilities have also been included.

This work also includes a history of naturalization and citizenship, an appendix on Native American tribal citizenship records, hard-to-find information on the records of Japanese and Chinese Americans, and records of internment of American citizens by the U.S. Government.

406 pp., paper. (1997), repr. 2006. ISBN 9780806315324. #GPC 5177. \$38.50

**FINDING OUR FATHERS. A Guidebook to Jewish Genealogy****Dan Rottenberg**

Mr. Rottenberg shows how to do a successful search by probing the memories of living relatives, by examining marriage licenses, grave-stones, ships' passenger lists, naturalization records, birth and death certificates and other public documents, and by looking for clues in family traditions and customs.

Supplementing the "how to" instructions is a guide to some 8,000 Jewish family names, giving the origins of the names, sources of information about each family, and the names of related families whose histories have been recorded. Other features include a country-by-country guide to tracing Jewish ancestors abroad, a list of Jewish family history books, and a guide to researching genealogy in Mormon records and in Israel.

xiv, 401 pp., paper. (1977), repr. 1998. ISBN 9780806311517. #GPC 5000. \$26.95

**THE CENTER. A Guide to Genealogical Research in the National Capital Area****Christina K. Schaefer**

This book identifies those resources in the Washington, D.C. area that will aid family historians in tracing their ancestors (the National Archives, Library of Congress, the DAR Library, the National Genealogical Society, and many

THE HIDDEN HALF OF THE FAMILY. A Sourcebook for Women's Genealogy**Christina K. Schaefer**

The first part of the book discusses the special ways women are dealt with in federal records such as immigration records, passports, naturalization records, census enumerations, land records, military records, and records dealing with minorities. The bulk of this reference work, however, deals with the individual states, showing how their laws, records, and resources can be used in determining female identity. Each state section contains a detailed listing of eight key categories of information: (1) Marriage and Divorce (marriage and divorce laws and where to find marriage and divorce records); (2) Property and Inheritance (women's legal status in a state as reflected in statute law, code, and legislative acts); (3) Suffrage; (4) Citizenship; (5) Census Information; (6) Other (information on welfare, pensions, and other laws affecting women); (7) Bibliography; and (8) Selected Resources for Women's History.

8 1/2" x 11". 310 pp., illus., indexed, paper. (1999), repr. 2009. ISBN 9780806315829. #GPC 5179. \$49.95

**A GENEALOGIST'S GUIDE TO DISCOVERING YOUR AFRICAN-AMERICAN ANCESTORS. How to Find and Record Your Unique Heritage****Franklin Carter Smith & Emily Anne Croom**

This book is unique because it includes methods for successful research in slavery-era records as well as strategies to help you identify your ancestors' slaveholder and slaveholding family. Case studies from various states and time periods tell the stories of real families whose lives were recorded in public records that you too can use. Discovering your family history can be a powerful experience that also allows you to create a special legacy for your loved ones.

8 1/2" x 11", 256 pp., illus., indexed, paper. (2003), repr. 2008. ISBN 9780806317885. #GPC 5455. \$44.00

**READING EARLY AMERICAN HANDWRITING****Kip Sperry**

This book explains techniques for reading early American documents, provides samples of alphabets and letter forms, defines terms and abbreviations commonly used in early American

GENEALOGICAL ENCYCLOPEDIA OF THE COLONIAL AMERICAS: A Complete Digest of the Records of All the Countries of the Western Hemisphere**Christina K. Schaefer**

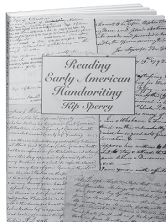

Ms. Schaefer shows the researcher where to find the most important genealogical records of the colonial period and how to access them. Equally important, she has defined the various classes of records in each country, identified as many of them as is practicable, provided historical background and brief sketches of the records themselves, added a description of the principal holdings of the major repositories of each country, and has interwoven selected reading lists throughout. The subject matter covers the colonial records of all the Americas, from Latin America to the Caribbean and from the original Thirteen Colonies to Canada and New France.

829 pp., maps, indexed, paper. (1998), repr. 2000. ISBN 9780806315768. #GPC 5176. \$67.25

documents such as wills, deeds and church records, and, furthermore, presents numerous examples of these records. Each document—nearly 100 of them at various stages of complexity—appears with the author's transcription on a facing page, enabling the reader to check his own transcription. Also covered are numbers and roman numerals, dates and the change from the Julian Calendar to the Gregorian Calendar, abbreviations and contractions, and standard terms found in early American records.

8½" x 11". 289 pp., illus., paper. (1998), repr. 2008. ISBN 9780806308463. #GPC 5513. \$37.95

UNDERSTANDING COLONIAL HANDWRITING

Harriet Stryker-Rodda

The author has developed a simple technique for reading colonial handwriting. Here she presents examples of colonial letter forms and script, showing the letter forms in the process of development and marking the ways in which they differ from later letter forms. She also provides a comparison of English and American handwriting and examples of name forms and signatures, all to bear out her central thesis, that the reader must find meaning in a group of symbols without needing to see each letter of which the whole is composed.

26 pp., paper. (1986), repr. 2007. ISBN 9780806311531. #GPC 5647. \$9.00

GENERAL REFERENCE & FINDING AIDS

AMERICAN PLACE NAMES OF LONG AGO. A Republication of the Index to Cram's Unrivaled Atlas of the World as Based on the Census of 1890

Gilbert S. Bahn

This is an index of over 100,000 place names of "every county, city, town, village, and post-office in the United States [showing] the population of the same according to the Census of 1890." This index was prepared from the 1890 U.S. census before it was destroyed. It is of critical importance to the genealogist because most genealogical research takes place on the county level, and in Cram's index all 100,000 places—large and small—are tied to a specific county. Each entry, in alphabetical order within states, gives the place name, the county in which the place is located, and the population of the place at the time of the census.

347 pp., indexed, paper. (1898), repr. 2008. ISBN 9780806315577. #GPC 225. \$40.50

OUR QUAKER ANCESTORS: Finding Them in Quaker Records

Ellen T. Berry & David A. Berry

Our Quaker Ancestors describes the types of Quaker records that are available, the location of the records, and the proper and effective use of those records, guiding the researcher through the pyramidal "meeting" structure to the records of birth, marriage, death, disownment, and removal.

The work begins with a history of the Quaker move-

SOCIAL NETWORKING FOR GENEALOGISTS

Drew Smith

This book describes the wide array of social networking services that are now available online and highlights how these services can be used by genealogists, as well as the general public, to share information, photos, and videos with family, friends, and other researchers. Each chapter guides you through a unique category of social networking services using genealogy-related examples. From blogs and wikis to Facebook and Second Life, author Drew Smith shows you how to incorporate these powerful new tools into your family history research.

You'll find chapters devoted to the following social networking concepts and services: Blogs, Collaborative editing, Genealogy-specific social networks, General social networking (Facebook), Photos & video sharing, Podcasts, RSS feeds, Wikis, and more. This book is intended to identify those kinds of social networking sites and services of most interest to genealogists.

Author Drew Smith, MLS, is an academic librarian with the University of South Florida in Tampa. An expert in digital genealogy, with a lifelong interest in family history research, he is Director of the Federation of Genealogical Societies and President of the Florida Genealogical Society of Tampa. He is also a regular contributor to Digital Genealogist magazine and is co-host of the weekly Genealogy Guys Podcast.

129 pp., paper. 2009. ISBN 9780806317953. #GPC 5446. \$25.25

ment and a discussion of its organization and structure, particularly as it affects genealogical research. Later chapters describe Quaker migrations to and within America, the special types of records available for research, and the Berrys' very own methods for locating and using those records. There are chapters on record repositories and libraries with Quaker source material, non-Quaker repositories, and Quaker sources and repositories outside the U.S., together with a bibliography, maps of selected meeting locations, and a glossary of terms peculiar to the Society of Friends.

136 pp., paper. (1990), repr. 2002. ISBN 9780806311906. #GPC 483. \$26.50

AMERICAN SETTLEMENTS AND MIGRATIONS. A Primer for Genealogists and Family Historians

Lloyd De Witt Bockstruck

This book provides a synopsis of the original patterns of settlement and migration for the U.S., with emphasis on the states and territories that were established between the colonial period and the mid-19th century. The text is arranged by region and thereunder by state. For each state the author examines pioneers' places of origin, reasons for settlement, specific places of settlement, names of pioneering families, migrations within and between states, and more.

108 pp., indexed, paper. 2017. ISBN 9780806358314. #CFC 8125. \$22.50

DENIZATIONS AND NATURALIZATIONS IN THE BRITISH COLONIES IN AMERICA, 1607-1775

Lloyd deWitt Bockstruck

Colonial denization and naturalization records can be difficult to find, since their location varies from one colony to another. Lloyd Bockstruck has made the task of locating such records much easier by compiling a comprehensive register of British denization and naturalization records between 1607 and 1775 from a large body of published literature. He then expanded and improved on the information by examining original source material not previously available to scholars. More than 13,000 persons are listed.

xv, 350 pp., indexed, paper. 2006. ISBN 9780806317540. #GPC 489. \$40.50

THROUGH THE TAX ASSESSOR'S EYES: Enslaved People, Free Blacks, and Slaveholders in Early Nineteenth-Century Baltimore [Maryland]

Noreen J. Goodson and Donna Tyler Hollie

Based primarily on the tax assessor ledgers for 1813 and 1818 at the Baltimore City Archives, this work identifies all free black and slave owners in Baltimore by name, race, address, occupation, names/ages of slaves owned (if any), and

sometimes by nationality and other particulars. The authors have supplemented the information with data from city directories, census records, books and journal articles about 19th-century Baltimore and Maryland, newspapers, court records, and biographies of some of the more prominent residents to illuminate the residents' lives in a number of biographical sketches.

8½" x 11", 264 pp., illus., indexed, paper. 2017. ISBN 9780806358581. #CFC 8210. \$44.00

LOCATING YOUR ROOTS. Discover Your Ancestors Using Land Records

Patricia Law Hatcher

Land records—grants, deeds, mortgages, surveys, and more—are among the most valuable resources for genealogists. Land records are the most common records available for pioneer ancestors. This guide helps you to understand the various types of land records and how to locate them.

8½" x 11". xii, 211 pp., indexed, paper. 2017. ISBN 9780806320373. #GPC 2595. \$44.00

GERMAN-AMERICAN NAMES. Third Edition

George F. Jones

This A-Z dictionary of German-American names gives the spellings, meanings, and variants of about 18,000 names. A lengthy introduction discusses the development of German names, name sources, name variations, and some of the special characteristics of German-American names. The book also deals with the Americanization of some of these names, explaining the social and historical matters that contributed to the distinctive character of German-American names. The new third edition is longer than the earlier editions and has several thousand more entries.

3rd ed. 354 pp., paper. (2006), repr. 2009. ISBN 9780806317649. #GPC 3077. \$38.50

INTERNATIONAL VITAL RECORDS HANDBOOK. Seventh Edition

Thomas Jay Kemp

This 7th edition gives persons needing certification of important life events (births, marriages,

deaths, divorces, adoptions) complete, up-to-date information on where and how to request vital records. It also gives genealogists and historians the location of databases, indexes, and other resources helpful to their research. This 7th edition includes copies of the application forms for all 50 states, Canada, the British Isles and Australia, and, where such forms do not exist, contact information for other countries around the world. Locating vital records and navigating your way through the various privacy laws and storage facilities can be difficult; this handbook makes the process immeasurably easier.

7th ed., 8 1/2" x 11", xvi, 756 pp., paper. 2017. ISBN 9780806320618. #GPC 3148. \$93.00

HISPANIC SURNAMES AND FAMILY HISTORY

Lyman D. Platt

Dr. Platt has prepared an exhaustive review of the development of Spanish surnames in Latin America and the Hispanic United States. One of the principal aims of the book is to show the dispersion and commonality of Hispanic surnames throughout the Americas. At the very heart of the book is a bibliography of Hispanic family histories in the U.S. and Latin America, certainly the most extensive list of its kind ever compiled.

349 pp., paper. (1996), repr. 2005. ISBN 9780806314808. #GPC 4635. \$23.50

AMERICAN SURNAMES

Elsdon C. Smith

Elsdon Smith begins this work with a discussion of the development of hereditary surnames, and then he divides his subject into six broad categories: Classification of Surnames, Surnames from Father's Name (patronymics), Surnames from Occupation or Office, Surnames from Description or Action (nicknames), Surnames from Places, and Surnames Not Properly Included Elsewhere.

In these areas he expounds on such subjects as abbreviated names, surnames derived from animals, changes of names by immigrants, ethnic names, names indicating nationality, surnames from place names, European names, Asian names, names of blacks and Indians, surnames without vowels, surnames from Christian names, landscape names, Jewish names, surnames from history, garbled names, comic or odd names, and hyphenated names. In addition, he provides a list of the 2,000 most common surnames in the U.S. today.

290 pp., indexed, paper. (1969), repr. 2003. ISBN 9780806311500. #GPC 5445. \$25.25

Genealogy at a glance

This series is designed to cover the basic elements of genealogical research on selected topics. In just **four 8 1/2" x 11" pages laminated for heavy use**, each "At a glance" outline provides an overview of the facts you need to know in order to begin and proceed successfully with your research, allowing you to grasp the basics at a glance. Compiled by respected authorities, each outline is a distillation of the key ingredients in a

given area of genealogical research. Each outline also includes a list of books for future reference and a list of online resources.

Visit our website at www.genealogical.com to learn about the eBook versions available for these handy guides.

FAMILY HISTORY LIBRARY RESEARCH

Carolyn L. Barkley

The Family History Library of The Church of Jesus Christ of Latter-day Saints in Salt Lake City, Utah, contains the world's largest collection of genealogical materials. This guide offers strategies for researching in the library's major collections and advice on planning a trip to Salt Lake City. You'll also learn how to access the library's online collection at any of the FamilySearch Centers worldwide.

2012. ISBN 9780806319667. #GPC 349. \$10.95

FRENCH GENEALOGY RESEARCH

Claire Bettag

Consisting of Huguenots, Acadian refugees, and political exiles, this guide gives you tips on how to connect these individuals to France and trace them back through the earliest records. Because most records were created at the town level, identifying an ancestor's town of origin is critical, and Mrs. Bettag provides many helpful tips on this and on how to access municipal archives and libraries.

2012. ISBN 9780806318899. #GPC 479. \$10.95

GENETIC GENEALOGY BASICS. 2nd Ed.

Angie Bush

This guide gives you the facts about DNA testing, DNA testing companies, and DNA testing results. The author provides an overview of the three types of DNA tests and gives descriptions of the testing companies (those featured here were chosen because they provide a list of "genetic cousin" matches) and what you can expect from them. Most importantly, DNA test results give information about where your most ancient ancestor originated and his ethnicity.

2019. ISBN 9780806320939. #GPC 847. \$10.95

AMERICAN CEMETERY RESEARCH

Sharon DeBartolo Carmack

Ms. Carmack explains the various methods of finding an ancestor's final resting place and guides you through the different types of cemeteries, if there are records and maps of cemetery plots. This guide also gives much practical advice for making a field trip to a cemetery.

2012. eBook. ISBN 9780806367231. #GPC 887. \$5.95

ELLIS ISLAND RESEARCH

Sharon DeBartolo Carmack

This outline offers guidance through the millions of records related to the more than 2 million immigrants arriving at Ellis Island between 1892 and 1957. The records provide information on each passenger's last place of residence, final destination in the U.S., if going to join a relative, the relative's name and address, personal description, place of birth, and name and address of closest living relative in the native country. The key to the location of these records and how to use them is here in this outline.

2011. ISBN 9780806318444. #GPC 882. \$10.95

FINDING FEMALE ANCESTORS

Sharon DeBartolo Carmack

Throughout history women left behind few records of themselves because they had few legal

rights. They have come to be known as the "hidden half" of the family, and they are notoriously difficult to research. With some basic instructions and a few well-placed suggestions, this guide shows you how to get around the obstacles and create a complete family history.

2013. ISBN 9780806319674. #GPC 888. \$10.95

IMMIGRATION RESEARCH

Sharon DeBartolo Carmack

This guide focuses on the need to determine your ancestor's time of arrival and port of entry, then describes the vast body of passenger arrival records, where these records can be found, and how they are accessed—both in book form and in online databases. Most immigrants eventually became naturalized citizens, in the process creating another huge body of records maintained in courthouses and town halls as well as the U.S. Citizenship and Immigration Services Bureau. This guide provides clues to finding these records, along with citations to the best book and online sources.

2011. ISBN 9780806318905. #GPC 884. \$10.95

ITALIAN GENEALOGY RESEARCH

Sharon DeBartolo Carmack

This guide covers not only immigration, naturalization, and census records here in the U.S., but also helps you find the town of origin of your immigrant ancestor. The town of origin is crucial because it is in the town archives where the most important records of birth, marriage, and death are kept. Many of these records are accessible on microfilm through branch facilities of the Family History Library in Salt Lake City. This guide also gives detailed lists of online sources offering everything from letter-writing guides to the most useful websites for locating Italian towns and surname databases.

2012. ISBN 9780806318998. #GPC 881. \$10.95

POLISH GENEALOGY RESEARCH. Updated Ed.

Rosemary A. Chorzempa

This guide focuses on the basic elements of Polish research: history and emigration, locating the hometown, maps and gazetteers, geographical areas, and online databases. By locating the town of origin in Poland, the researcher can find the civil and parish records that are key to finding the immigrant ancestors. Since language can be a serious problem in Polish research, Mrs. Chorzempa provides a chart giving the English, Latin, Polish, and German translations of Polish place names.

2020. ISBN 9780806321042. #GPC 979. \$10.95

SCOTTISH GENEALOGY RESEARCH. Updated Ed.

David Dobson

Mr. Dobson covers the use of emigration records as well as other Scottish records, including Church of Scotland parish records; post-1854 statutory records of births, marriages, and deaths; census returns from 1841 to 1901; records of wills and testaments; kirk session records; and services of heirs.

2020. ISBN 9780806321011. #GPC 1462. \$10.95

COURT RECORDS RESEARCH

Wendy Bebout Elliott

This guide identifies the major types of court records—probate, naturalization, land, marriage, tax, for example—and offers help in finding records at the county courthouse level.

2014. eBook ISBN 9780806371627. #GPC 1626. \$5.95

CHEROKEE GENEALOGY RESEARCH

Myra Vanderpool Gormley

This guide covers Cherokee history, surnames, migrations, and basic genealogical resources, describing original documents as well as the latest

online resources. Membership rolls, which were designed to allocate reservation lands, provide annuities, and pay compensation, are the best documentary sources available, and Mrs. Gormley identifies the twenty most important rolls and how to access them.

2012. eBook. ISBN 9780806371634. #GPC 2273. \$5.95

MEXICO GENEALOGY RESEARCH

Debbie Gurtler

Mexico obtained its independence from Spain in 1821. Before that date, the area under Spanish rule included much of the southern U.S., from Louisiana to the west coast of California. Therefore, many people in the U.S. can trace their ancestry back to Mexico. This guide begins with a discussion of Hispanic naming traditions and how they offer valuable clues for family history research. Then, after a brief jurisdictional history of Mexico, the major record sources are described—civil registration records, Catholic parish records, census records, and immigration records. Some useful supplementary record sources, language aides, and a list of online resources are also included.

2020. ISBN 9780806321097. #GPC 2425. \$10.95

AFRICAN AMERICAN GENEALOGY RESEARCH

Michael Hait

Mr. Hait lays out the basic elements of African American genealogy research, explaining the three imperatives: (1) begin with interviews of family members; (2) check records of birth, marriage, and death; and (3) check federal census records, especially the 1870 census, which was the first to include information on former slaves. He offers guidance on finding and using other crucial records, such as Freedmen's Bureau records; Freedmen's Bank records, records of the Southern Claims Commission, and voter registration lists. Before ending with a list of websites focusing on African American genealogy, he offers tips on researching slave ancestors.

2011. eBook ISBN 9780806363356. #GPC 2476. \$5.95

CIVIL WAR GENEALOGY RESEARCH

Nancy Hendrickson

This guide shows how to determine if an ancestor participated in the war, then addresses the appropriate records: Compiled Military Service Records (enlistment papers, muster rolls, etc.), pension records, regimental rosters, and veterans' census schedules, with date of enlistment and discharge, rank, and names of survivors. This guide identifies websites, allowing the researcher to know which records are available online and which are in repositories and books.

2020. ISBN 9780806319728 #GPC 2683. \$10.95

PENNSYLVANIA GENEALOGY RESEARCH. Updated Ed.

John T. Humphrey

Mr. Humphrey encapsulates three hundred years of Pennsylvania genealogy, from settlement background and record sources to Internet sites and libraries. This is no small feat since Pennsylvania was the most diverse colony for religious affiliations and ethnicity, as well as being the second most populous state for more than a century.

2020. ISBN 9780806321004. #GPC 2949. \$10.95

SWEDISH GENEALOGY RESEARCH

Robert Johnson

The first notable Swedish migration to North America took place between 1638 and 1655, when the colony of New Sweden was established along the lower reaches of the Delaware River. This guide gives you all the information you need to begin tracing your Swedish ancestors. After a discussion of Swedish immigration and migration, Mr. Johnson offers details about the Swedish language and Swedish surnames.

He then goes on to highlight the major record sources, repositories, and online resources. Sprinkled throughout are tips and additional references.

2020. ISBN 9780806321059. #GPC 3041. \$10.95

FRENCH-CANADIAN GENEALOGY RESEARCH

Denise R. Larson

Focusing on key record sources and materials, Mrs. Larson first provides history and context, then deals with the unique aspects of French-Canadian research before moving on to traditional record sources, finishing with a summing up of record repositories and online sources.

2011. ISBN 9780806318745. #GPC 3286. \$10.95

MASSACHUSETTS GENEALOGY RESEARCH

Denise R. Larson

This guide opens with a summary of Massachusetts history from its Puritan and Pilgrim beginnings, then describes local records, which are organized by town. The author identifies the major repositories of statewide, regional, and ethnic collections of genealogical and historical sources, giving websites, addresses, and phone numbers. The guide concludes with all the major websites for research as well as the principal published sources.

2015. ISBN 9780806320120. #GPC 3287. \$10.95

MICHIGAN GENEALOGY RESEARCH

Carol McGinnis

Noted Michigan expert Carol McGinnis here first provides history and context, then discusses record sources such as vital records and census records, newspapers and county histories, territorial, state, and federal land records related to the Northwest Territories. This guide also provides a list of major record repositories and a list of the best online sources for Michigan research.

2011. ISBN 9780806318882. #GPC 3524. \$10.95

VIRGINIA GENEALOGY RESEARCH. Updated Ed.

Carol McGinnis

This guide gives an overview of the history of settlement patterns and migrations in Virginia and into other states, then discusses the importance of county-level research. Ms. McGinnis describes the background, location and use of various records groups such as vital, church, cemetery, land, probate, military, census records and supplementary sources such as family histories and bibles, periodicals, records repositories, and online resources.

ISBN 9780806321028. #GPC 3529. \$10.95

U.S. FEDERAL CENSUS RECORDS

Kory L. Meyerink

This guide answers the important questions regarding research in the federal censuses—where are the records located; how do you access them; and how do you use them. Mr. Meyerink uses an ingenious set of charts to show the difference in census content on a state-by-state basis, decade by decade, from 1790 to 1940. Today, most census research is conducted online, and Mr. Meyerink identifies the censuses that are available from each of the many websites dealing with census records.

2012. ISBN 9780806319605. #GPC 3874. \$10.95

RUSSIAN GENEALOGY RESEARCH

Vera Ivanova Miller

Topics covered include Russian names and religions; how to locate Russian ancestral places; researching in Russian archives, censuses, parish registers, and consular records; and where to go online to access databases and other helpful information. Included are a guide to the Russian alphabet and a sprinkling of helpful tips throughout.

2021. ISBN 9780806321127. #GPC 3831. \$10.95

UKRAINIAN GENEALOGY RESEARCH

Vera Ivanova Miller

Because the borders of Ukraine shifted many times over the years, researching your Ukrainian ancestors can be challenging. Also, Ukrainian archives were not accessible to the public until fairly recently, nor were the records from the Soviet period. This guide helps you to overcome these challenges. The guide describes the waves of Ukrainian immigration to the Americas and various European countries; Ukrainian surnames and religions; vital records and censuses; Communist-era databases and Soviet-era persecution files; online resources; and much more. Included are a guide to the Ukrainian alphabet and pointers on understanding the culture of Ukraine.

2021. ISBN 9780806321172. #GPC 3833. \$10.95

ENGLISH GENEALOGY RESEARCH

Paul Milner

Milner's guide focuses on the basic record sources underlying all English research: civil registration, parish registers, diocesan records, probate records, and census records. Within this framework Milner emphasizes the key records of birth, marriage, and death and how to find them, discusses records of wills and administrations dating back to the 1300s and their location, and examines census returns from 1841, explaining their usefulness and where they can be found.

2011. eBook ISBN 9780806364001. #GPC 3864. \$5.95

IRISH GENEALOGY RESEARCH. Updated Ed.

Brian Mitchell

Mr. Mitchell describes the sources used in Irish research, where to find them, and how to use them. He focuses on key record sources and materials and finishes with a summing up of record repositories and online sources. From emigration lists and surname histories to church registers and census records—each accompanied with important background information—he lays out the whole of Irish genealogical research.

2019. ISBN 9780806320984. #GPC 3894. \$10.95

SCOTS-IRISH GENEALOGY RESEARCH

Brian Mitchell

The term Scots-Irish refers to people who originated in Scotland and settled in the 17th century in Ireland in the nine northern counties of Ulster. About 250,000 Scots-Irish immigrated to North America between 1717 and 1776, mainly near Philadelphia, then moved west to the Appalachian region. This guide aids researchers in tracing those Irish ancestors who arrived in North America prior to 1800.

2014. ISBN 9780806319964. #GPC 3876. \$10.95

ANCESTRY.COM RESEARCH

George G. Morgan

The term known name in genealogy, Ancestry.com has more than 30,000 databases with more than 11 billion records. It's such a well-established brand that it's the first place many researchers turn to for information. This guide offers tips and insights to help you navigate the overwhelming variety of search options at Ancestry.com: how to search all the databases at once, how to search a category of collections, or search within a single database, how to get the most out of massive collections of genealogical records, how to add facts and narratives to the tens of thousands of existing family trees, how to build your own family history, and so much more!

2013. eBook. ISBN 9780806371696. #GPC 3890. \$5.95

FAMILYSEARCH.ORG RESEARCH

George G. Morgan

FamilySearch is the family history arm of The Church of Jesus Christ of Latter-day Saints. The website is available to the public free of charge and offers search and browse access to all of

its materials. This guide provides an outline of the site's most useful features through primary navigation tools such as Family Tree, Memories, and Search.

2014. ISBN 9780806319957. #GPC 3891. \$10.95

ALABAMA GENEALOGY RESEARCH

Michael A. Ports

This guide begins with Alabama's settlement background, in 1702, when the French established the first settlement in the area. It then highlights the primary and secondary record sources—including vital, probate, military, land, and census records—the major repositories, and the most helpful online resources. The guide also gives research tips and references key publications, online databases, and websites throughout the text.

2019. ISBN 9780806320830. #GPC 4664. \$10.95

GEORGIA GENEALOGY RESEARCH

Michael A. Ports

After giving a background to Georgia's settlement in 1732 through the formation of the last county in 1924, Ports explains that research should begin at the Georgia Archives, which houses original and microfilm copies of most county records—marriage, divorce, birth, death, probate, and land lottery records. Ports also gives an overview of land grant records and tax records and identifies the major repositories and online resources useful to your research.

2017. ISBN 9780806320397. #GPC 4668. \$10.95

KENTUCKY GENEALOGY RESEARCH

Michael A. Ports

This guide begins with Kentucky's settlement background, in 1774, and its statehood in 1792. It then describes the early settlers' migration patterns from Virginia and North Carolina through the Cumberland Gap, and others from Pennsylvania and Maryland down the Ohio River. Ports then highlights the most important group of Kentucky records—vital, probate, military, tax, land, and county court records. Ports also offers research tips and references key publications, concluding a list of the major repositories containing records of interest to researchers and a description of useful online resources.

2019. ISBN 9780806320915. #GPC 4673. \$10.95

MARYLAND GENEALOGY RESEARCH

Michael A. Ports

Focusing on traditional record sources such as vital records, court, land, and probate records, this guide contains useful tips, research advice, analyses of the major record sources used in Maryland research and offers clues to finding those records in state and local repositories.

2014. ISBN 9780806319988. #GPC 4665. \$10.95

MISSISSIPPI GENEALOGY RESEARCH

Michael A. Ports

This guide begins with a background on the early settlements by the French, British, and Spanish. It then describes the influx of settlers, mostly from Georgia, the Carolinas, and Virginia. Ports then highlights the important records located at the county level, and recommends that research begin at the Mississippi Department of Archives and History, which houses original and microfilm copies of most county records. These include vital, probate, land, and military records, as well as colonial and territorial census records and tax records. The guide provides contact information for all of the most important record repositories and institutions, as well as a helpful list of online sources.

2019. ISBN 9780806320847. #GPC 4669. \$10.95

NORTH CAROLINA GENEALOGY RESEARCH

Michael A. Ports

This guide explains that genealogical research in this state must start at the county level, going back to 1663 with the formation of Albemarle

County. The researcher should start at the NC Office of Archives and History in Raleigh, which houses original or microfilm copies of most county records.

2014. ISBN 9780806320038. #GPC 4666. \$10.95

OHIO GENEALOGY RESEARCH

Michael A. Ports

This guide offers a quick overview of records, record repositories, and online resources, especially as found in county courthouses as well as the Ohio Network of American History Research Centers, positioned geographically around the largest metropolitan areas and coordinated by the Ohio History Center in Columbus.

2015. ISBN 9780806320137. #GPC 4667. \$10.95

SOUTH CAROLINA GENEALOGY RESEARCH

Michael A. Ports

This guide begins with South Carolina's earliest settlement in 1663. It then gives critical details about the main record sources for research—vital, probate, military, land, tax, and county court records. The guide also includes contact information for the major repositories and online resources that provide the most valuable information for the family researcher. The guide is sprinkled throughout with research tips and references to special resources and publications as well as online resources.

2019. ISBN 9780806320854. #GPC 4671. \$10.95

TENNESSEE GENEALOGY RESEARCH

Michael A. Ports

This guide begins with Tennessee's earliest settlements in the late 1760s. It then describes the important records located at the county level, and recommends that research begin at the Tennessee State Library and Archives, which houses original and microfilm copies of most county records. The guide includes details about the key record sources—vital, probate, military, tax, land, and county court records—as well as contact information for the major repositories and online resources that provide information for the family researcher. Throughout are research tips and references to key websites and publications.

2019. ISBN 9780806320861. #GPC 4672. \$10.95

OLD SOUTHWEST GENEALOGY RESEARCH

Dorothy Williams Potter

The Old Southwest consisted of territory east of the Mississippi, including Georgia, Alabama, Mississippi, and parts of Louisiana and Florida. Settlers arriving from the Atlantic colonies were required to obtain passports for passage through this country, and after the Revolutionary War, settlers holding land were required to file proof of ownership. Thus an entire body of records grew up in the pre-statehood period. This guide identifies the major documents collections containing public land records and passport and travel documents.

2013. ISBN 9780806319711. #GPC 4679. \$10.95

ONTARIO, CANADA, GENEALOGY RESEARCH

Lorine McGinnis Schulze

Ontario is Canada's most populous province, inhabited by the descendants of emigrants from France, Great Britain, Ireland, Germany, and other European countries as well as American Loyalists following the American Revolution and Swiss Mennonites from Pennsylvania. Topics covered include immigration and settlement history; ships' passenger lists; naturalization records; Loyalists; and census, vital, church, and land records.

2021. ISBN 9780806321110. #GPC 5201. \$10.95

REVOLUTIONARY WAR GENEALOGY RESEARCH

Craig R. Scott

Mr. Scott provides step-by-step guidance to National Archives microfilm records, citations

to the standard works on Revolutionary War genealogy, pension records, compiled service records, and records of lineage societies, explaining how they can be used and where they can be found. Mr. Scott covers the important records of the militia, state troops, and Continental troops, including muster rolls, pay rolls, bounty land records, and settled accounts.

2011. ISBN 9780806318868. #GPC 5210. \$10.95

FINDING EASTERN EUROPEAN JEWISH ANCESTORS

Janette Silverman

Although the term *Ashkenaz* originally referred to a place now in Germany, it is broadly used nowadays to refer to all European Jews. This guide is an aid to researchers who are searching for Ashkenazic Jewish ancestors from *Eastern* Europe who immigrated to the U. S. primarily between 1880 and 1924. The guide first tackles the various difficulties researching your Ashkenazic Jewish ancestors—name changes, locating the European town of origin, and dates of birth according to the Jewish lunar calendar—and then offers advice on how to overcome these difficulties. Here, you'll find the most helpful databases and reference works as well as the major record sources, repositories, and online resources.

2020. ISBN 9780806320991. #GPC 5375. \$10.95

EVERNOTE

Drew Smith

Evernote is a free online service designed to capture and store nearly all kinds of digital information, including typed notes, handwritten notes, audio files, photos, documents, web pages, and e-mail. Synchronizing across all your devices, it organizes everything from note and files to blogs and Internet articles. This guide explains how to access this useful electronic tool.

2020. ISBN 9780806320182. #GPC 5448. \$10.95

GERMAN GENEALOGY RESEARCH. Updated Ed.

Ernest Thode

Mr. Thode guides the researcher through German records, then brings him to the American side of the story with an outline of German emigration patterns and a guide to the massive body of German-American records most in use today. With information on ship's passenger lists, surnames and given names, places of origin, and vital records, as well as citations to the best books and online sources, this outline gives you the key elements of a research strategy.

2020. ISBN 9780806321035. #GPC 5761. \$10.95

WAR OF 1812 RESEARCH. Updated Ed.

War of 1812 Preserve the Pensions Fund and Rebecca Whitman Koford

Service records for this war are found mostly in the National Archives, but also in other archives and repositories. Many are now available online. The majority of the records consist of pension records, compiled military service records, and bounty-land warrant applications. This guide shows you where they are located, what they contain, and whether they are indexed, microfilmed, digitized, or found online. Army and navy records, prisoner of war records, lineage societies, state records, and published sources are also highlighted, as well as an updated and expanded list of online resources and record sources and a checklist for finding militiamen.

2020. ISBN 9780806321080. #GPC 1782. \$10.95

Works by Elizabeth Mills

Elizabeth Shown Mills has been cited by her peers as the most influential genealogist in the post-*Roots* era. As a pioneer educator in standards-based research and a developer of problem-solving strategies for proving identi-

ties and kinships, Mills edited a major scholarly journal for sixteen years and both taught and directed programs in the field's leading institutes for three decades. Widely published by commercial and scholarly presses in genealogy and history, as well as literature and sociology, Mill's fifteen books include GPC's best-seller *Evidence Explained: Citing History Sources from Artifacts to Cyberspace* and its companion series, *QuickSheets*.

EVIDENCE EXPLAINED: Citing History Sources from Artifacts to Cyberspace. Third Edition Revised

Elizabeth Shown Mills

This is a substantial revision of the third edition, originally published in 2015. *Evidence Explained* is the definitive guide to the citation and analysis of historical sources, whether you want to cite a podcast or a census record. Like previous editions, the third edition explains citation principles for both traditional and non-traditional sources; includes more than 1,000 citation models for virtually every source type, including electronic sources such as blogs and online forums; and shows readers where to go to find their sources and how to describe and evaluate them.

In the two years since the third edition was published, changes at major repositories and online information providers, and the ever-evolving electronic world, have generated new citation and analysis challenges for researchers. As a consequence, Mrs. Mills has revised her citation models and descriptions and evaluations of numerous contemporary materials. Here are the **major changes in the revised third edition**: changes to about 75 pages in the text and index; alternation in citation methods from the DAR website and database; new citations for the National Archives (NARA) website and manner of identifying documents; immigration citations reflecting changed records at the Ellis Island website.

3rd. ed. rev. 892 pp., illus., indexed, hardcover. 2017. ISBN 9780806320403. #GPC 3878. \$62.95

EVIDENCE! Citation & Analysis for the Family Historian

Elizabeth Shown Mills

Evidence! is a reliable standard for both the correct form of source citation and the sound analysis of evidence. To quote the author, "Research, evidence, citation, and analysis are inseparable. Evidence is the vehicle that moves our research from curiosity to reality. Citation and analysis are the twin highways that get us there, smoothly and safely. Evidence! . . . offers a road map for beginners, who hope to avoid mistakes, and guideposts for the advanced, who already appreciate the need to map their own course precisely. . . ."

124 pp., indexed. (1997), repr. 2008. ISBN 9780806315430. #GPC 3846. \$23.50

PROFESSIONAL GENEALOGY: Preparation, Practice & Standards

Edited by Elizabeth Shown Mills

In 26 chapters, written by 22 experts and edited by Ms. Mills, this volume is an invaluable resource for professional genealogists and students, as well as all family history researchers. *ProGen PPS* provides a complete course of instruction to prepare genealogists for a career in a complex field. *ProGen PPS* will ground you

in the essential practices, standards, and language of genealogy—those expected by courts, government agencies, and others who commission research. For librarians or archivists who assist family historians, *ProGen PPS* provides a framework to coach them well. For family or local historians seeking to learn and preserve their heritage, *ProGen PPS* helps them avoid common pitfalls and guides them through the production of quality books. "From genetic and forensic genealogy to ethics and contracts, business structures, marketing, writing, editing, and preparing books for press, *ProGen PPS* promises to inspire thought processes and ignite new discussion."—Billie Stone Fogarty, M.Ed. President, Association of Professional Genealogists.

8½" x 11", 678 pp., indexed, hardcover. 2018. ISBN 9780806320724. #GPC 3886. \$62.95

PROFESSIONAL GENEALOGY: A Manual for Researchers, Writers, Editors, Lecturers, and Librarians

Edited by Elizabeth Shown Mills

Still a vital resource for serious genealogists! The classic *ProGen: A Manual*, originally published in 2001, will remain in print as a paperback for continued access to its timeless wisdom—particularly: its instructions on evidence and problem analysis, research processes, professionalism, and writing family history, offering additional perspectives that complement the discussion by *ProGen PPS*'s new generation of experts; its chapters with such comprehensive instructions that they are not being readdressed, such as step-by-step guidance for abstracting and transcribing documents, creating record compilations, and indexing and proofreading. Its 29 chapters, written by two dozen scholars and edited by Mrs. Mills, have stood the test of time. Between them, both *ProGen PPS* and *ProGen: A Manual* provide a solid foundation for everyone to produce research that endures the test of time.

8½" x 11", xxvi, 654 pp., illus., indexed, paper. 2001. ISBN 9780806316482. #GPC 3844. \$54.50

NATCHITOCHES COLONIALS. A Source Book: Censuses, Military Rolls & Tax Lists, 1722-1803

Elizabeth Shown Mills and Ellie Lennon

The frontier outpost of Natchitoches was the oldest settlement in the Louisiana Purchase, having been built by France along the Texas border as a buffer against Spanish and Indian aggression. It became the hub for colonial trade with the Southwestern tribes and later the gateway to the west for Americans seeking new land after the American Revolution. This work brings together an astounding number of censuses, tax lists, and muster rolls for citizen soldiers and regular troops from the colonial years gleaned from archives in France, Spain, Cuba, and Mexico, as well as the U.S.

TIPS & QUIPS for the Family Historian

Elizabeth Shown Mills and Ruth Brossette Lennon

This is a treasury of bon mots and wise words for everyone who pursues genealogy. Whether

you are a speaker or writer in search of a zinger to punctuate your thoughts, this book can be your muse. It is entertaining, inspiring, and informative.

173 pp., indexed, paper. 2017. ISBN 9780806320410. #GPC 3882. \$18.00

QUICKSHEET: Citing Ancestry Databases & Images Evidence! Style. Second Edition, Revised

Elizabeth Shown Mills

This *QuickSheet* provides rules and models for citing the myriad databases and images you use on Ancestry.com. With this guide, you'll know instantly how to cite databases that include census records, vital records, passenger lists, city directories, and family trees; and how to cite images that include manuscripts, maps, newspapers, and online books and articles. You'll also find the standards you need for the correct citation of Ancestry sources, as well as help in judging the reliability of those sources. For most Ancestry.com sources, sample citations are shown here in three styles: Source List Entry, Full Reference Note, and Short Reference Note, each showing you how to deal with author/creator, title, website, URL, date accessed, item type, source of sources, and so forth.

2nd ed. 4 pp. folded to 8½" x 11", laminated sheet. 2019. ISBN 9780806320960. #GPC 3879. \$12.50

QUICKSHEET: Citing Genetic Sources for History Research Evidence! Style, 2nd Ed.

Elizabeth Shown Mills

This guide shows you how to cite sources in compiling a genealogy using DNA analysis—how to report test results, analyses, and instructional matter in ways that support the traditionally sound standards for citations. Ms. Mills explains the basic citation formats, and she provides a template which shows exactly how to identify source list entries and reference notes. Then she provides examples of common source types, showing how to use them in a course list entry, in a full reference note, and in a short reference note.

2nd ed. 4 pp. folded to 8½" x 11", laminated sheet. 2019. ISBN 9780806320298. #GPC 3877. \$12.50

QUICKSHEET: Citing Online Historical Resources Evidence! Style. Second Edition

Elizabeth Shown Mills

This *QuickSheet* provides a template for citing historical sources on the Internet. It also lays down rules to help you judge the reliability of these sources. Published in the form of a laminated folder, the *QuickSheet* contains a series of sample citations showing the correct way to identify online sources such as databases, census images, and digital books and articles. It provides rules and models for common record types such as passenger lists, vital records, and newspapers. The *QuickSheet* shows you how to cite author/

creator/owner of a website, title of the website, place (URL), date posted, and so forth.

2nd ed. 4 pp. folded to 8½" x 11", laminated sheet. 2017. ISBN 9780806320267. #GPC 3849. \$12.50

QUICKSHEET: Citing Online African-American Historical Resources Evidence! Style

Elizabeth Shown Mills

This *QuickSheet* provides models for citing common resources such as databases, image copies, transcripts, blogs, books, and articles, using the widely accepted citation principles established in the *QuickSheet* series. Tailored to the African-American experience, the source citation models bear on subjects such as slave manifests, slave narratives, Freedmen's Bureau records, and slave census schedules.

4 pp. folded to 8½" x 11", laminated sheet. 2011. ISBN 9780806318714. #GPC 3863. \$12.50

QUICKSHEET: The Historical Biographer's Guide to Individual Problem Analysis: A Strategic Plan Evidence! Style

Elizabeth Shown Mills

Offering a 10-step solution to genealogical problems, this *QuickSheet* provides a systematic basis for problem solving unique to genealogy. When faced with an elusive person or missing or contradictory information, these steps will help you to resolve tricky problems related to sources, evidence, and proof. This *QuickSheet* also contains a "Life Stages Worksheet"—a form to be filled in covering most life events from birth to death through six specific stages of life.

8½" x 11", two-sided, laminated sheet. 2012. ISBN 9780806318950. #GPC 3870. \$9.95

QUICKSHEET: The Historical Biographer's Guide to the Research Process

Elizabeth Shown Mills

This guide explains how successful research can be achieved by following four models: the Research Process Model—analyze the problem, place it in legal and social context, identify related and associated individuals, identify relevant resources, and develop a research plan; the Research Analysis Model—provide information from which we select evidence for analysis, then a sound conclusion may be treated as "proof" until and unless new evidence emerges to the contrary; the Identity Triangulation Model—identity is every known detail of a human life and is determined by persona, relationships, and origin; the Reliability Model—proof is a body of evidence accumulated in the process of research and analysis.

4 pp., folded to 8½" x 11", laminated sheet. 2012. ISBN 9780806318929. #GPC 3867. \$12.50

QUICKSHEET: The Historical Biographer's Guide to Cluster Research (the FAN Principle)

Elizabeth Shown Mills

To prove identity, origin, and parentage individuals must be studied in the context of

their FAN club—family, associates, and neighbors. This guide explains how to apply the FAN principle where direct evidence is usually lacking to answer specific research questions regarding our ancestors.

4 pp., folded to 8½" x 11", laminated sheet. 2012. ISBN 9780806318943. #GPC 3868. \$12.50

QUICKSHEET: The Historical Biographer's Guide to Finding People in Databases & Indexes

Elizabeth Shown Mills

Historical records in databases and indexes often contain a number of weaknesses—erratic spelling, confusing family surnames, female name usage, penmanship, transcription and translation anomalies, and arbitrary selection criteria in data entry. This guide shows how to adopt proactive strategies to overcome these problems and thus get the full benefit of databases and indexes.

4 pp., folded to 8½" x 11", laminated sheet. 2012. ISBN 9780806318936. #GPC 3869. \$12.50

QUICKSHEET: Your Stripped-Bare Guide to Historical Proof

Elizabeth Shown Mills

Ms. Mills defines 'proof' as a conclusion we reach from a body of evidence. No single source can serve as 'proof.' No one piece of information can provide it. No one bit of evidence can stand alone. Ms. Mills suggests three ways to arrive at 'proof': evaluating the source, evaluating the information, and evaluating and processing the evidence. Ms. Mills also provides a "Process Map for Historical Researchers," established on the principle that sources provide information from which we identify evidence for analysis. A sound conclusion may then be considered 'proof.'

8½" x 11", two-sided, laminated sheet. 2014. ISBN 9780806320014. #GPC 3872. \$9.95

QUICKSHEET: Your Stripped-Bare Guide to Citing Sources. First Edition Revised

Elizabeth Shown Mills

Here Ms. Mills offers the essentials of citing sources for everything from books and articles

to manuscripts and websites, providing a template that can be applied to any type of source material. She also offers a source-data collection form to fill out so that each source can be identified, answering the basic who, what, where, and when type of questions as quickly and easily as possible.

8½" x 11", two-sided, laminated sheet. 2017. ISBN 9780806320250. #GPC 3873. \$9.95

CENSUS RECORDS

AMERICAN POPULATION BEFORE THE FEDERAL CENSUS OF 1790

Evarts B. Greene & Virginia D. Harrington

This is an exhaustive survey of the population lists, estimates, and statistics that were produced in the American colonies before the first federal census of 1790. The population lists, include poll lists, tax lists, taxables, militia lists, and censuses, and were originally drawn up for purposes of taxation and local defense. Gleaned from archives in Britain and the U.S. and from a wide range of published sources, this scholarly work identifies every type of population list taken before 1790, giving the location of the manuscript source or a reference to the published account.

252 pp., indexed, paper. (1932), repr. 2006. ISBN 9780806313771. #GPC 2345. \$36.25

STATE CENSUS RECORDS

Ann S. Lainhart

State censuses not only stand as substitutes for some of the missing 1790, 1800, 1810, and 1890 censuses (as well as many county and statewide enumerations lost or destroyed between 1790 and 1890) but also as valuable population enumerations in their own right. Many state censuses, for example, asked different questions than the federal census, so they record information that cannot be found elsewhere in federal schedules. State by state, year by year, often county by county and district by district, Mrs. Lainhart shows what is available in state census records, when it is available, and what one might expect to find in the way of data.

MAP GUIDE TO THE U.S. FEDERAL CENSUSES, 1790-1920

William Thorndale & William Dollarhide

This work shows all U.S. county boundaries from 1790 to 1920. On each of the nearly 400 maps the old county lines are superimposed over the modern ones to highlight the boundary changes at 10-year intervals. Also included are (1) a history of census growth; (2) the technical facts about each census; (3) a discussion of census accuracy; (4) an essay on available sources for each state's old county lines; and (5) a statement with each map indicating which county census lines exist and which are lost. An index lists all present-day counties, plus nearly all defunct counties or counties later re-named.

With each map there is data on boundary changes, notes about the census, and locality finding keys. There also are inset maps that clarify territorial lines, a state-by-state bibliography of sources, and an appendix outlining pitfalls in mapping county boundaries.

8½" x 11". 445 pp., maps, indexed, paper. (1987), repr. 2009. ISBN 9780806311883. #GPC 5786. \$67.50

IMMIGRATION & PASSENGER LISTS

MORTON ALLAN DIRECTORY of European Passenger Steamship Arrivals for the Years 1890 to 1930 at the Port of New York, and for the Years 1904 to 1926 at the Ports of New York, Philadelphia, Boston and Baltimore

By year and by steamship company, and thereunder by port of entry, this work lists the name of the vessel, the exact date of the vessel's arrival, and the port of embarkation. Thus, if the port of entry and the approximate arrival dates are known, it may be possible to determine the name of the vessel and the name of the passenger line. If the port of embarkation is known, it may be possible to narrow the search even further. And if the name of the ship and the name of the line are known, it may be possible to determine the exact date of arrival.

268 pp. (1931), repr. 2001. ISBN 9780806308302. #GPC 80. \$33.00

SHIPS OF OUR ANCESTORS

Michael J. Anuta

This is a compilation of photographs of the steamships that transported immigrants to this country in the heyday of mass migration. These ships were owned and operated by such famous shipping lines as North German Lloyd, White Star, Cunard, Guion, Red Star, Inman, and Hamburg-American. Photos of nearly 900 ships are arranged here in alphabetical order, and each ship is further identified by date, shipping line, and source.

387 pp., indexed, paper. (1983), repr. 2006. ISBN 9780806313818. #GPC 125. \$44.00

THE COMPLETE BOOK OF EMIGRANTS, 1607-1660

Peter Wilson Coldham

This is a reworking of the records of the Exchequer, the 1624 and 1625 censuses of Virginia, and the records of licenses and examination of persons found in John Camden Hotten's *Original Lists of Persons of Quality* (1874). To Hotten's basic list, which he has revised and augmented to 1660, Coldham has added records of vagrants, waifs, and prostitutes. He has also added new transcriptions of records—not in Hotten—of servants sent to "foreign plantations" from Bristol, 1654-1660; and he has added much more from port books, court records, and from many types of official papers and documents.

600 pp., indexed., paper. (1988), repr. 2008. ISBN 9780806311920. #GPC 1097. \$49.95

THE COMPLETE BOOK OF EMIGRANTS, 1661-1699

Peter Wilson Coldham

This second volume, like the others in the series, is arranged by year and thereunder by date of record. Taken from every available source in the public archives of England, the entries give, usually, name, age, occupation, residence, ship, and destination, and for each there is a precise

AMERICAN PASSENGER ARRIVAL RECORDS. A Guide to the Records of Immigrants Arriving at American Ports by Sail and Steam. Updated and Enlarged Edition

Michael Tepper

Millions of people made their way to America in the most determined and sustained migration the world has ever known. Initially they left traces of their immigration in scattered records and documents. Later their arrival here was documented so minutely that the records resulting are among the largest, the most continuous and the most uniform in the nation's archives. These passenger arrival records identify by name, place of origin, and other particulars the vast majority of persons who participated in the great Atlantic migration. This book examines the records in their historical and legal framework, and it explains what they contain, where they can be found, and how they can be used. In effect, it is a road map through the mass of records and archival resources documenting immigrant arrivals from the time of the earliest settlements to the passage of the Quota Acts three centuries later. This edition features expanded coverage of colonial emigration records, finding aids and reference materials, National Archives microfilm programs and publications, current projects and new developments in immigration research, and more.

142 pp., illus., paper. (1993), repr. 2001. ISBN 9780806313801. #GPC 8700. \$19.95

citation. Some 30,000 emigrants are identified. Includes indexes to person and ships.

900 pp., indexed, paper. (1990), repr. 2010. ISBN 9780806318004. #GPC 1102. \$ 77.50

THE COMPLETE BOOK OF EMIGRANTS, 1700-1750

Peter Wilson Coldham

Following the arrangement of the two earlier works, the third volume provides a comprehensive list of emigrants from surviving records in English archives. The records used in this volume, in addition to the usual spread of sources, derive principally from Plantation Apprenticeship Bindings; Port Books; and Convict Pardons on Condition of Transportation. Again, as with the other volumes, there are indexes of names and ships. Identifies some 25,000 emigrants.

748 pp., indexed, paper. (1992), repr. 2010. ISBN 9780806313344. #GPC 1104. \$59.00

THE COMPLETE BOOK OF EMIGRANTS, 1751-1776

Peter Wilson Coldham

This fourth and final volume brings the story of English emigration in the colonial period to its close. Voluntary emigration from the British Isles went into a steep decline after the year 1750, only to rise again sharply from 1770 and to reach epidemic proportions by 1773, a year of great economic hardship in Britain. The records drawn on, in addition to the usual sources, include port books, plantation apprenticeship bindings, and treasury records of emigrants departing from English ports. The four volumes combined identify about 100,000 English emigrants to colonial America from virtually every reference that can be found in England.

358 pp., indexed, paper. (1993), repr. 2010. ISBN 9780806313764. #GPC 1106. \$38.50

THE COMPLETE BOOK OF EMIGRANTS IN BONDAGE, 1614-1775

Peter Wilson Coldham

Between 1614 and 1775 some 50,000 English men, women, and children were sentenced to be sent to the American colonies for a variety of crimes. The data on those involuntary colonists came from a variety of official English records. The names of those deported are printed in alphabetical order. Most entries include some or all of the following information: parish of origin, sentencing court, nature of the offense, date of sentence, date and ship

on which transported, date and place landed in America, and the English county in which the sentence was passed.

920 pp., paper. 1988. ISBN 9780806312217. #GPC 1098. \$72.50

LISTS OF SWISS EMIGRANTS in the Eighteenth Century to the American Colonies. Two Volumes in One

Albert B Faust and Gaius M. Brumbaugh

This is the authoritative work on Swiss emigration to the Carolinas and Pennsylvania in the 18th century. Volume I identifies about 2,000 emigrants from the Canton of Zurich (1734-1744), comprising such data as age, date of birth or baptism, trade, name of wife, names of children, and place of origin and destination. Volume II includes Bern (1706-1995) and Basel (1734-1794), with comparable data.

2 vols. in 1. 377 pp., indexed, hardcover. (1920, 1925), repr. 2007. ISBN 9780806301099. #GPC 1780. \$53.50

THE TRAIL OF THE HUGUENOTS in Europe, the United States, South Africa, and Canada

G. Elmore Reaman

This is the story of the great exodus of the Huguenots from France at the end of the 17th century and of their dispersal to places in Europe, the U.S., Canada, and South Africa. Over half of the book is devoted to the Huguenots and their direct descendants in Canada and the U.S., especially those who settled in North and South Carolina, Virginia, Pennsylvania, New York, and New England. An appendix contains the names of hundreds of Huguenot immigrants with dates and places of their arrival. In addition, there are short biographical sketches with genealogical data, a list of English surnames of French derivation, additions and corrections by Milton Rubincam, and an index of names and places other than those mentioned in the genealogies and appendices.

318 pp., illus., indexed, paper. (1963), repr. 2009. ISBN 9780806302904. #GPC 4810. \$41.50

LINEAGE RECORDS/ HEREDITARY SOCIETIES/ ROYAL & NOBLE & HERALDRY

PEDIGREES OF SOME OF THE EMPEROR CHARLEMAGNE'S DESCENDANTS. Vol. III

J. Orton Buck, Jr. & Timothy F. Beard

This work contains over 85 lines of descent of living people from the Emperor Charlemagne. Each section of the book is headed with the name of the immigrant ancestor through whom descent is traced, followed by all family names

THE ROYAL DESCENTS OF 900 IMMIGRANTS to the American colonies, Quebec, or the United States Who Were Themselves Notable or Left Descendants Notable in American History. Two Volumes

Gary Boyd Roberts

Most Americans with sizable New England Yankee, mid-Atlantic Quaker, or Southern "planter" ancestry are descended from the medieval kings of England, Scotland, and France especially. *The Royal Descents* is a comprehensive survey of virtually all printed sources that lead to these royal lines. The result is a book that quantitatively and qualitatively redefines this area of genealogical research and outlines American genealogical links to medieval kings and their ancient world forebears, providing a bibliography for each immigrant and ready means of access to royal-descent literature.

Of the 970 immigrants treated in this work, 489 came to the American colonies and left descendants, in some cases now numbering several million, but almost always many thousands. The remaining immigrants collectively suggest much about distant kinships of living Americans, the total contributions to American life of persons of noble, royal, and gentle ancestry, and genealogical connections between Americans and many major leaders in world history.

2 vols., 926 & 878 pp in all, index in vol. 2, paper. 2018. ISBN 9780806320748. #GPC 4961. \$150.00/set

in the line of descent in America. In addition to the pedigrees, which follow closely the format of Volumes I and II, this volume has a chapter titled "A Glimpse of Emperor Lothair," by Prof. J. A. Cabaniss and a list of corrections to Volume II.

389 pp., indexed, paper. (1978), repr. 2002. ISBN 9780806312118. #GPC 775. \$44.00

PEDIGREES OF SOME OF THE EMPEROR CHARLEMAGNE'S DESCENDANTS. Vol. II

Aileen L. Langston & J. Orton Buck, Jr.
With a Foreword by Timothy F. Beard

This work contains more than 70 lines of descent of living people from the Emperor Charlemagne. Each line is carefully documented and has been verified and approved by Timothy F. Beard, Genealogist General of the Order of the Crown of Charlemagne. Each chapter is headed with the name of the immigrant ancestor through whom descent is traced, followed by each family name in the line of descent in America.

This work also contains a chapter on "Charlemagne and His Children," by Prof. J. A. Cabaniss and a lengthy survey of contemporary genealogical scholarship by Timothy Beard.

516 pp., indexed, paper. (1974), repr. 2002. ISBN 9780806311630. #GPC 3285. \$49.95

PEDIGREES OF SOME OF THE EMPEROR CHARLEMAGNE'S DESCENDANTS. Vol. I

Marcellus D. A. R. von Redlich

This work, provides accepted lines of descent from Charlemagne in the form of members' applications submitted to the Order of the Crown of Charlemagne in the U.S. Individual chapters list American families that link up with one or more royal lines. Data for each family member includes birth, marriage, children, connecting lines, station, distinctions, and honors.

320 pp., indexed, paper. (1941), repr. 2009. ISBN 9780806304946. #GPC 4835. \$38.50

HERALDIC DESIGN: A Handbook for Students

Heather Child

This work describes the basic rules and grammar of heraldry observed in designing a heraldic device. Carefully explaining the unique rules and language of heraldry and illustrating each point with exquisite pen drawings and photographs, the book gives sufficient information about the structure and detail of heraldic insignia for the reader to produce well-balanced designs and coats of arms. The book also gives a history of heraldry and the stories behind the great symbols of chivalry as well as explanations of the uses of heraldry in architecture and other forms of embellishment.

212 pp., indexed, illus., paper. (1967), repr. 2020. ISBN 9780806359052. #GPC 8060. \$33.00

FAIRBAIRN'S BOOK OF CRESTS of the Families of Great Britain and Ireland. Two Volumes

James Fairbairn

In heraldry, crests are the ornaments and devices above the shield in a coat of arms. This encyclopedic collection is an alphabetical list of about 50,000 names associated with various crests, with a full description of each crest and a reference to the plate in which it is illustrated. A key to the plates cross-indexes the names of the families assigned to each crest, and a dictionary of terms serves as a glossary. Volume One contains the alphabetical list of names, and Volume Two contains the 314 plates illustrating about 5,000 crests.

2 vols. 1,073 pp. in all, illus., paper. (1905), repr. 2008. ISBN 9780806301075. #CFC 1750. \$116.00/set

PLANTAGENET ANCESTRY OF SEVENTEENTH-CENTURY COLONISTS. The Descent from the Later Plantagenet Kings of England, Henry III, Edward I, Edward II, and Edward III, of Emigrants from England and Wales to the North American Colonies before 1701

David Faris

Many colonists not included in Weis' *Ancestral Roots* appear in this book, together with all of their lines of descent. All 137 lines include the consecutive generations of married couples with a spouse of Plantagenet descent, each such person being the child of the previous generation. Generation 1 names the parents of an emigrant, and the preceding generations are numbered back in line to the Plantagenet kings. Considerable biographical data is provided, together with documentation for each generation. Visit our website for a list of the names of the emigrants.

xiv, 326 pp., indexed, paper. 1996. ISBN 9780806315188. #GPC 1758. \$40.50

A WHO'S WHO OF YOUR ANCESTRAL SAINTS

Alan J. Koman

For the first time, the lives of 275 early European saints are retold and accompanied by lineages connecting those saints to twenty-four of the great men and women of medieval Europe. Anyone living today who can connect to these medieval personages can claim forefathers among the princes of the earth as well as the princes of Heaven.

The historical period covered is vast. From St. Gregory "the Illuminator" (b. 256–d. 326) to St. Thomas, 2nd Earl of Lan-

caster (b. ca. 1277–d. 1322), the saints presented here span ten centuries. On earth, some were great men, such as Alfred "the Great," Bernard of Clairvaux, and Charlemagne. Others, such as Elizabeth of Hungary, Marie of Brabant, and Odilia, led lives that are just as moving today as in their own time.

457 pp., indexed, paper. 2010. ISBN 9780806318240. #GPC 3260. \$44.00

Families Directly Descended from ALL THE ROYAL FAMILIES IN EUROPE (495 to 1932) AND MAYFLOWER DESCENDANTS

Elizabeth M. Leach Rixford

This work extends many of the connections laid out in *Three Hundred Colonial Ancestors* and *War Service* to the royal and noble families of Europe. The notable ancestors include Cerdic, first of the West Saxon kings; Alfred the Great; Robert Bruce; Kings Henry I, II and III; Kings Edward I, II and III; and many lines through Charlemagne, Louis I, the Earls of Warren, the Dukes of Normandy, the Royal House of Portugal, the House of Capet, the Counts of Anjou, the Kings of Jerusalem, and more. The author also shows how several Mayflower lines are connected to all the members of the Vermont Society of Mayflower Descendants.

xvi, 202 pp., charts, illus., indexed, paper. (1932; Supplement, 1943), repr. 2009. ISBN 9780806349459. #CFC 9401. \$38.50

ROYALTY FOR COMMONERS. The Complete Known Lineage of John of Gaunt, Son of Edward III, King of England, and Queen Philippa. Fourth Edition

Roderick W. Stuart

Royalty for Commoners documents the complete known genealogy of John of Gaunt, son of King Edward III and Queen Philippa. Thus, any commoner who can connect his or her family lineage to that of John of Gaunt can now be shown to share the same basic royal heritage as the most noble knight—the complete heritage, not just the Plantagenet ascent. This is the usual lineage through which a commoner can enter the domain of European royalty.

ROYAL FAMILIES: Americans of Royal and Noble Ancestry. Second Edition. VOLUME 1. Governor THOMAS DUDLEY and Descendants Through Five Generations. Second Edition.

Marston Watson

The second edition of this volume covers nearly 900 new Dudley descendants through the sixth generation. It is an essential work, even if you already own the first edition, as likely several million Americans can prove their descent from this noted governor of the Massachusetts Bay Colony. Also new in this volume are the many connections to distinguished Dudley descendants identified by Gary Boyd Roberts in his two volumes of *Notable Kin* and elsewhere.

2nd ed. 467 pp., indexed, paper. (2004), repr. 2010. ISBN 9780806317519. #GPC 6161. \$60.00

ROYAL FAMILIES: Americans of Royal and Noble Ancestry. VOLUME 2. Reverend FRANCIS MARBURY and Five Generations of His Descendants Through ANNE (MARBURY) HUTCHINSON and KATHERINE (MARBURY) SCOTT

Marston Watson

Thousands of Americans can claim the Marbury family's lineal connections to their royal

and noble ancestry, from William the Conqueror through Edward I. This volume focuses on two of English minister Francis Marbury's daughters, Katherine Marbury Scott and Anne Marbury Hutchinson (the Puritan iconoclast and co-founder of Rhode Island), who immigrated with their husbands to the New World in the 1630s. It covers the first five generations of their descendants, carrying the various lines up to and beyond the Revolutionary War, into the sixth generation. The book concludes with an every-name index, a comprehensive bibliography, and a "Lineage Society Index" with the names of eligible Marbury ancestors associated with a number of distinguished hereditary societies.

ROYAL FAMILIES: Americans of Royal and Noble Ancestry. VOLUME 3. SAMUEL APPLETON and His Wife JUDITH EVERARD and Five Generations of Their Descendants Marston Watson

Thousands of Americans are direct descendants of Samuel Appleton (1586–1670) of Ipswich, Massachusetts, who had royal and noble connections to William the Conqueror, and of his wife, Judith Everard, whose ancestors included William's sister Adelaide, as well as Louis IV, King of the Franks. This third volume covers five generations (with their sixth-generation children) of Samuel and Judith Appleton descendants, carrying them up to the period of the Revolutionary War and beyond.

528 pp., indexed. 2007. ISBN 9780806317793. #GPC 6163. \$72.50

ROYAL FAMILIES: Americans of Royal and Noble Ancestry. VOLUME 4: PELHAM-AVERY-WEST. Descendants for Nine Generations of Thomas West, 2nd Baron De La Warr: The Probable American Progeny of King Henry VIII Marston Watson

This is the concluding volume in Marston Watson's series. Unlike the earlier volumes, the progeny identified here are associated not only with New England but with four distinct colonial regions: Massachusetts, Connecticut, Long Island (and later greater New York), and Virginia (with expansion to the Deep South).

xvi, 902 pp., indexed, paper. 2017. ISBN 9780806320632. GPC #6164. \$89.00

ANCESTRAL ROOTS OF CERTAIN AMERICAN COLONISTS Who Came to America before 1700. Eighth Edition

Frederick Lewis Weis

Edited with Additions and Corrections by William R. Beall and Kaleen E. Beall

In this edition, out of a total of 398 ancestral lines, 91 have been extensively revised and 60 have been added, while almost all lines have had at least some minor corrections. This edition is 30 percent longer than its predecessor, thanks to the efforts of the new editors, and contains an every-name index, replacing the cumbersome indexes of the past.

Besides Alfred the Great, Charlemagne, Malcolm of Scotland, and Robert the Strong, descents in this work are traced from the following ancestral lines: Saxon and English monarchs, Gallic monarchs, early kings of Scotland and Ireland, kings and princes of Wales, Gallo-Romans and Alsations, Norman and French barons, the Riparian branch of the Merovingian House, Merovingian kings of France, Isabel de Vermandois, and William de Warenne.

8th ed., 380 pp., indexed, paper. (2004), repr. 2008. ISBN 9780806317526. #GPC 6193. \$44.00

THE MAGNA CHARTA SURETIES, 1215. The Barons Named in the Magna Charta, 1215, and Some of Their Descendants Who Settled in America During the Early Colonial Years. Fifth Edition

Frederick L. Weis & Arthur Adams. With Additions and Corrections by Walter Lee Sheppard, Jr., with William R. Beall

At the signing of the Magna Charta, 25 men, representing the barons, signed as sureties of the baronial performance, in effect pledging the barons to fulfill their obligations to the Crown in accordance with the terms of the Great Charter. Of these 25 sureties only 17 have identified descendants, and all 17 are represented in this work, which traces their connections to approximately 160 American colonists.

FAMILY COMPENDIA

COLONIAL FAMILIES OF THE UNITED STATES OF AMERICA. Seven Volumes

George Norbury MacKenzie

This work treats those families who trace their ancestry back to the period 1607–1776. Each family history furnishes the British or European pedigree of the colonial ancestor, followed by a listing of his descendants up to the early 20th century, giving names, birth dates, dates of marriage and death, places of residence, occupation, and a variety of other matter. Also included are illustrations of coats of arms associated with the families. The volumes cover about 850 families and name 125,000 family members! Visit our website for information on the contents of each volume.

SCHLEGEL'S AMERICAN FAMILIES OF GERMAN ANCESTRY IN THE UNITED STATES. Four Volumes

Carl Schlegel

This is the largest collection of German-American genealogies ever published. Each family history usually begins two or three generations prior to the immigrant ancestor, examining the family in its historic setting before bringing it forward to the immigrant ancestor and his descendants in America. Each family history includes portraits and coats of arms and gives rich details, depicting education, service, achievements, life, and career of the various family members. Visit our website for a complete list of the families covered in this set.

4 vols. 1,638 pp. in all, illus., indexed, paper. (1916, 1918, 1926), repr. 2003. ISBN 9780806317281. #GPC 5195. \$214.50/set

MILITARY & PENSION RECORDS

Civil War

SOUTHERN LOYALISTS IN THE CIVIL WAR: The Southern Claims Commission

Gary B. Mills

Six years after the Civil War, Congress created the Southern Claims Commission, through which pro-Union Southerners could apply for reimbursement of some of their losses. Some 22,298 cases were filed by individuals, family groups, churches, and businesses. These case files include such items as family letters and bibles, wills and probate records, personal accounts, and property inventories. The present work is a "master index" to the case files of the Commission, and it gives, in tabular form, the name of the claimant, his/her county and state, the Commission number, office and report numbers, and the year and status of the claim.

684 pp., paper. (1994), repr. 2009. ISBN 9780806314419. #CFC 3847. \$63.95

Revolutionary War

"VILLAINY AND MADDNESS": Washington's Flying Camp

Richard Lee Baker

This work traces the Camp's beginnings in Washington's imagination to the dispatches of Congress enjoining the Middle States to commit specified numbers of militiamen, to the logistical difficulties in achieving the objectives in General Washington's master plan, and to the actual service of Flying Camp militia in the campaigns of 1776. The author devotes a separate chapter to Delaware, Maryland, Pennsylvania, and New Jersey, delineating each state's response to the call for a Flying Camp contingent. Genealogists will appreciate the many references to actual members of the Flying Camp throughout the narrative. The work concludes with a list of Flying Camp commanders and officers, a comprehensive bibliography, and a full-name index.

7" x 10". 116 pp., illus., indexed, paper. 2011. ISBN 9780806355061. #CFC 9062. \$26.50

VIRGINIA'S COLONIAL SOLDIERS. By Lloyd D. Bockstruck. See #GPC 490, p. 22.

REVOLUTIONARY WAR BOUNTY LAND GRANTS Awarded by State Governments

Lloyd deWitt Bockstruck

Like the federal government, the states of Connecticut, Georgia, Maryland, Massachusetts, New York, North Carolina, Pennsylvania, South Carolina, and Virginia also awarded bounty lands to citizens and soldiers for service during the Revolution. Listed alphabetically, each entry in this index to the state records contains the name of the claimant, the state of service, rank held, date of the record, and acreage. Altogether about 35,000 names appear in the index.

636 pp., indexed, paper. (1996), repr. 2009. ISBN 9780806315119. #GPC 488. \$67.25

REVOLUTIONARY WAR PENSIONS Awarded by State Governments 1774–1874, the General and Federal Governments Prior to 1814, and by Private Acts of Congress to 1905

Lloyd deWitt Bockstruck

This book recreates from other sources the Revolutionary War pension files generated prior to the fires of 1800 and 1814 in Washington,

D.C. that destroyed so many records. The author has identified many of those pensioners whose files were lost and also has reconstructed their contents in varying degrees. Here we have an alphabetical list of over 16,500 pensioners and an index naming a further 15,000 persons mentioned in the text. Each entry contains the name of the pensioner, dates of service and place of residence, details of his service, date of death, and names and relationships of surviving family members.

7" x 10". 1,066 pp., indexed, paper. 2011. ISBN 9780806318691. #GPC 492. \$104.50

SOLDIERS OF THE REVOLUTIONARY WAR BURIED IN VERMONT. By Walter H. Crockett. See #CFC 1220, p. 22.

WOMEN PATRIOTS OF THE AMERICAN REVOLUTION: Stories of Bravery, Daring, and Compassion

Jack Darrell Crowder

Women contributed greatly to the war effort, working their farms, raising their children, and generally giving moral support to the Patriot side. Women also faced dangers working as spies, nursing the wounded, boycotting British goods, publishing writings in support of the American cause, and, when necessary, defending their homes against attacks. This book highlights about ninety women in a series of vignettes—some documented and some illustrated—recounting the heroism of the women who rendered service in the various theatres of the conflict.

THE FIRST 24 HOURS OF THE AMERICAN REVOLUTION: An Hour by Hour Account of the Battle of Lexington, Concord, and the British Retreat on Battle Road

Jack Darrell Crowder

Mr. Crowder describes the people, places, times, and events of April 19, 1775, based on writings of the participants and eyewitnesses, interspersing sworn testimony of persons who survived Lexington and Concord with his own narrative. The book is illustrated with reproductions of period paintings and drawings; a town-by-town appendix of militiamen who were mortally wounded in the skirmishes; a bibliography of sources; and an index to all persons mentioned in the text.

STRANGE, AMAZING, AND FUNNY EVENTS THAT HAPPENED during the Revolutionary War

Jack Darrell Crowder

This book is full of unusual or little-known aspects of the conflict, such as the reason that future General Nathaniel Greene was compelled to enlist as a private, an early instance of "trash talking," and who and why someone tore off

AMERICAN MIGRATIONS 1765–1799. The lives, times, and families of colonial Americans who remained loyal to the British Crown before, during and after the Revolutionary War, as related in their own words and through their correspondence

Peter Wilson Coldham

The records of the American Loyalist Claims Commission include applications, correspondence, depositions, affidavits, and legal transcripts. Mr. Coldham has grouped the Loyalist cases by the name and normal residence of the person in whose right each claim was rendered. All 5,800 individual claims are abstracted here, touching on 15,000 individuals, some three-quarters of whom took up residence outside the U.S. after 1783. The remainder, including many who had been classed as Loyalists, became citizens of the new Republic.

THE LOYALISTS IN NORTH CAROLINA During the Revolution.

By Robert O. DeMond. See GPC #1415, p. 20.

LIST OF FREE AFRICAN AMERICANS IN THE AMERICAN REVOLUTION: Virginia, North Carolina, South Carolina, Maryland, and Delaware (followed by the French and Indian War and Colonial Militias)

Paul Heinegg

This work is a distillation of the Revolutionary War and other military service found in Mr. Heinegg's two larger works (see page 16), where the full family histories of the combatants may be found. Over 420 African Americans who were born free during the colonial period served in the American Revolution from Virginia. Another 400 who descended from free-born colonial families served from North Carolina, 40 from South Carolina, 60 from Maryland, and 17 from Delaware. In most cases the author has provided the individual's name, state and county, unit served in, military theatre, some family information, often a physical description, pension applied for or received, sometimes other information, and the source.

FROM ACROSS THE SPANISH EMPIRE: Spanish Soldiers Who Helped Win the American Revolutionary War, 1776–1783. Arizona, California, Louisiana, New Mexico, and Texas Military Rosters

Leroy Martinez

The Spanish Empire, under King Carlos III, provided significant aid and support for America's struggle for independence from Great Britain, and this book is the first to identify the Spanish combatants serving in North America during the Revolution. The book begins with a list of Spanish governors, Spanish forts, and a glossary of Spanish terms that appear in the records. At the heart of the work are the lists of Spanish soldiers who served in areas covering today's states of Arizona, California, Louisiana, New Mexico, and Texas. In most

cases, the author identifies each soldier by name, military unit, rank and date, and the source, as well as sometimes by age, place of origin in Europe, theater served in, and other factors—shedding light on some 7,500 Spanish combatants.

THE PENSION ROLL OF 1835. Indexed Edition. Four Volumes

U.S. War Department

The Pension Roll of 1835 is the most complete roll of Revolutionary War pensioners ever published. It was compiled by the War Department under Senate Resolutions of 1834–35 from lists of pensioners who had been enrolled under all previous acts of Congress. When GPC first reprinted the Roll in 1968, we rearranged it in four volumes, one each for the New England states, the Mid-Atlantic states, the Southern states, and the Mid-Western states; in 1992, GPC added a comprehensive index at the end of Volume IV. This Roll contains the names and service records of about 60,700 soldiers, both regulars and militia. Information given for each soldier generally includes rank, annual allowance, sums received, description of service, date when placed on the pension roll, and date of death or date of the law under which the pension was granted.

4 vols. 3,183 pp. total, indexed, paper. (1835), repr. 2002. ISBN 9780806313276. #CFC 5960. \$293.00/set

THE KING'S MOUNTAIN MEN. The Story of the Battle, with Sketches of the American Soldiers Who Took Part

Katherine Keogh White

This work is based on contemporary records of Southwest Virginia, the Carolinas, Georgia, and Tennessee, with letters, documents, and additional material taken from the Lyman Draper Collection. The first section is a miscellany of court records of Watauga, Washington County, North Carolina (later Tennessee), 1778–1782, and contains, in addition, militia rosters for the years 1777 and 1779 and pension declarations filed by King's Mountain participants and their heirs. Section Two contains biographical sketches

of the soldiers, numbering close to 1,000 and arranged in alphabetical order.

MISSISSIPPI TERRITORY IN THE WAR OF 1812

Eron Opha Rowland

This detailed narrative is the major historical and genealogical source for information on the role of the Mississippi Territory in the campaign against the British and the Creeks during the War of 1812. Of great genealogical importance is the "Rolls of Mississippi Commands", giving the names and ranks of about 7,500 officers and soldiers. All material is compiled from primary sources.

249 pp., indexed, paper. (1921), repr. 2005. ISBN 9780806303017. #CFC 5025. \$38.50

VIRGINIA MILITIA IN THE WAR OF 1812. Two Volumes

Copied from rolls in the Auditor's Office at Richmond, both volumes are arranged by company, under which are columns giving the soldier's name, rank, the time of his service, and a "remarks" column which sometimes provides alternate readings of the soldier's name, names of substitutes, and service notes, including whether the soldier was discharged, transferred, or had deserted. In Many cases, the militia companies are identified in relation to the Virginia county in which the company was raised. Names some 40,000 Virginia militiamen. Each volume contains its own index.

2 vols. 557 + 989 pp., indexed, paper. (1851, 1852), repr. 2018. ISBN 9780806320892. #CFC 6099. \$149.00/set

World War I

THE GREAT WAR: A Guide to the Service Records of All of the World's Fighting Men and Volunteers

Christina K. Schaefer

The only book of its kind, this ambitious effort to catalogue service records and related sources is international in scope, covering the soldiers of all countries participating in World War I, from Britain, Germany, and France, to Russia, Canada, and the U.S.; and from India, Australia, and Japan, to South Africa and Brazil! The first part of the book provides background on the organization of the military in 1914, the order of battle, how to use the records, and a general time-line of events, focusing on 1914 to 1918. The second part concentrates on the combatants, describing each country's armed forces, conscription history, and its military and naval records, and, to the greatest extent possible, their location.

204 pp., illus., indexed. (1998), repr. 2006. ISBN 9780806315546. #GPC 5178. \$27.00

TRACING ANCESTORS AMONG THE FIVE CIVILIZED TRIBES

Rachal Mills Lennon

Stories about Indian ancestors in the family tree are common among both black and white families whose roots go deep in the American Southeast, especially those with links to the Cherokees, Choctaws, Chickasaws, Creeks, and Seminoles, the Five Civilized Tribes.

This work is designed to eliminate speculation and to help you determine the truth about your Indian ancestry. It focuses on the toughest period to research—the century or so prior to the removal of the Southeastern nations to Indian Territory. It provides the cultural, genealogical, and historical background needed to turn family stories into proved lineages, and it outlines a method of research that will take you as far back as the colonial and early federal periods and forward to the great tribal enrollment records of the late 19th century.

156 pp., indexed, paper. (2002), repr. 2007. ISBN 9780806316888. #GPC 3350. \$31.50

NATIVE AMERICAN

THE DAWES COMMISSION: Citizens (Allottees) and Intruders in Indian Territory (1901–1909)

John E. Ernest

This work is an index of more than 17,000 persons whose names appear in the more than 6,000 Cass (hearings) brought before the Commission to settle disputes between Allottees and Intruders. The Dawes Commission was responsible for activities concerning the Five Nations in Indian Territory, Oklahoma, especially enforcing the treaties between the Indian Nations and the federal government and the Bureau of Indian Affairs and the Union Agency. The Commission was also responsible for allotting tribal lands to eligible citizens and settling disputes.

8 1/2" x 11". viii, 792 pp., indexed, paper. (2009), repr. 2016. ISBN 9780806358116. #CFC 8161. \$89.00

DNA FOR NATIVE AMERICAN GENEALOGY

Roberta Estes

Included in this work are step-by-step instructions, with illustrations, on how to use DNA testing at the four major DNA testing companies to further your genealogy and confirm or identify your Native American ancestors. Topics covered include: tribes in the U.S. and Canada; ethnicity; chromosome painting; population genetics and how ethnicity is assigned; genetic groups and communities; Y DNA paternal direct line male testing; mitochondrial DNA maternal direct line testing; autosomal DNA matching and ethnicity comparisons; creating a DNA pedigree chart; Native American haplogroups by region and tribe; and ancient and contemporary Native American DNA.

POWATAN INDIAN PLACE NAMES IN TIDEWATER VIRGINIA

Martha W. McCartney and Helen C. Rountree

Anyone doing research in eastern Virginia's historical records is certain to encounter Powhatan Indian place names. However, it is often difficult to relate these names to the modern landscape. The information was drawn from land patents, local and regional government records, public and private archives, and several collections of historical maps, enabling researchers to see how Indian place names changed over time and to relate them to the modern landscape.

INDIAN WARS OF THE AMERICAN SOUTH, 1610–1858: A Guide for Genealogists & Historians

Michael A. Ports

The author has assembled all the pertinent facts related to the scores of battles or campaigns that arose from the earliest recorded skirmishes to the battles on the eve of the Civil War. Part One summarizes what is known about the 27 separate Indian wars in or involving the American South. The author gives the background causes, the campaigns themselves, and the aftermath. Part Two discusses the surviving records that document the military and civilian participation in the conflicts, covering national repositories like the National Archives, the Army Center of Military History, and the Library of Congress; state archives; the archives, libraries, and museums of the Five Civilized Tribes; the Draper Manuscript Collection; and other significant repositories, arranged geographically, including genealogical and historical societies, museums, libraries, manuscript collections, hereditary societies, and other miscellaneous sources.

THE HISTORY OF THE CHEROKEE INDIANS and Their Legends and Folk Lore

Emmet Starr

Emmet Starr's *History* is the classic account of the early Cherokees, their constitution, treaties

THE FINAL ROLLS of Citizens and Freedmen of the Five Civilized Tribes in Indian Territory [and] INDEX to THE FINAL ROLLS. Two Volumes

Dawes Commission

In 1893 the Dawes Commission was established to negotiate with the Cherokees, Choctaws, Chickasaws, Creeks, and Seminoles (the Five Civilized Tribes) to abolish tribal governments and to provide for the allotment of land to tribal members. The Commission was empowered to prepare citizenship rolls (membership rolls) for each tribe to determine the proper distribution of land and to hear and "determine the applications of all persons who may apply to them for citizenship and . . . determine the right of such applicant to be admitted and enrolled."

The Final Rolls approved by the Commission contained the names of 101,000 Native Americans, of whom approximately one-fourth were full blood. Most rolls give name, age, sex, degree of Indian blood, and the number of the census card, generally known as the "enrollment card," on which each citizen was enrolled.

From the original Final Rolls, the Commission in 1907 published *The Final Rolls of Citizens and Freedmen of the Five Civilized Tribes in Indian Territory* along with the *Index to the Final Rolls*, reprinted here for the first time in a century. The *Index* volume, divided by tribe and broken down under the various categories noted above, provides the Indian's name and the roll number. The roll number is the key to the *Final Rolls* volume, which lists enrollees by tribe and category and thereunder by name, age, sex, degree of blood, and the number of the census card.

2 vols. 633 & 635 pp., paper. (1907), repr. 2007. ISBN 9780806317311. #GPC 5903. \$149.00/set

with the federal government, land transactions, school system, migration and resettlement, committees, councils, and officials, religion, language, and culture, and a host of other topics. More than half the book is devoted to genealogies and biographies, of which there are several hundred, giving information on births, marriages, and deaths over a period of several generations and naming thousands of related persons.

THE MIDWEST

THE GERMAN ELEMENT in the Ohio Valley: Ohio, Kentucky & Indiana

Gustav Koerner. Trans. & edited by Don Heinrich Tolzmann

This volume covers the role of Germans and German-Americans in helping to establish Cin-

cinnati as the center of Ohio Valley German immigrant life. Mr. Tolzmann's footnotes throughout provide more comments concerning Koerner's subjects and their families.

144 pp., indexed, paper. 2011. ISBN 9780806355078. #CFC 9265. \$26.50

NEW ENGLAND

THE PLANTERS OF THE COMMONWEALTH. A Study of the Emigrants and Emigration in Colonial Times: to Which are Added Lists of Passengers to Boston and to the Bay Colony; the Ships Which Brought Them; Their English Homes, and the Places of Their Settlement in Massachusetts, 1620-1640

Charles E. Banks

This work contains the names of 3,600 passengers on the 96 ships that brought them to New England. Working with the same records em-

ployed by Savage, Drake, and Hotten, and with records unknown or inaccessible to them, Col. Banks here pulls the several classes of records together to form the most complete and authoritative collection of passenger lists for the period ever published. In addition to the names of passengers and ships, places of origin, and places of residence in America, the book includes indexes to surnames, ships, English parishes, and New England towns.

xiii, 231 pp., maps, indexed, paper. (1930), repr. 2006. ISBN 9780806300184. #GPC 304. \$33.00

TOPOGRAPHICAL DICTIONARY OF 2,285 ENGLISH EMIGRANTS TO NEW ENGLAND

Charles E. Banks

This "Dictionary" comprises genealogical records of nearly 3,000 emigrants, giving their English homes, names of ships in which they sailed, towns in which they settled in New England, and references to the printed or manuscript sources from which the information derived. Col. Banks searched the records of nearly 2,000 parishes in England to connect the New England immigrants with their native parishes. Additional information is provided in a series of indexes: Index to Emigrants to New England; Index of the Wives and Children of the Emigrants; Index of Parishes; Index of Ships; and Index of Towns in New England.

333 pp., indexed, paper. (1937), repr. 2002. ISBN 9780806300191. #GPC 305. \$34.50

THE WINTHROP FLEET OF 1630. An Account of the Vessels, the Voyage, the Passengers, & Their English Homes

Charles E. Banks

This is an authoritative list of the 700 passengers who are believed to have come to New England with John Winthrop in 1630. Based on research undertaken in England and America, it provides as much data as could be verified on each passenger: name, place of departure, places of residence in England and America, occupation, church affiliation, dates of birth, marriage and death, and relationships to other passengers. Includes indexes of names, places, and subjects as well as appendices listing the passengers on the Mary and John and the Lyon which sailed with the Winthrop Fleet.

128 pp., maps, indexed, paper. (193), repr. 2009. ISBN 9780806320908. #GPC 306. \$24.25

MAYFLOWER BIRTHS & DEATHS. From the Files of George Ernest Bowman at the Massachusetts Society of Mayflower Descendants

Susan E. Roser

With references to 50,000 *Mayflower* relations, this work contains records of births, baptisms, deaths and burials, references to burial location, cause of death, and address at death gleaned from land and will records, court and church records, transcripts of personal letters, and more. Most lines are carried to the seventh and eighth generations, and some to the tenth. Each volume is separately indexed.

2 vols. 525 & 548 pp., indexed, paper. (1992), repr. 2010. ISBN 9780806313405. #GPC 4999. \$117.50/set

MAYFLOWER DEEDS & PROBATES. From the Files of George Ernest Bowman at the Massachusetts Society of Mayflower Descendants

Susan E. Roser

The several thousand deed abstracts extracted here give such information as name, occupation, and residence; date, sale, price, acreage, and location of the land; and witnesses and date of recording. The will abstracts include bequests to friends and family, descriptions of personal real estate, and names of witnesses. The probate records associated with the wills name heirs and

NEW ENGLAND MARRIAGES Prior to 1700

Clarence A. Torrey

With a New Introduction by Gary Boyd Roberts

This work is a comprehensive listing of the 37,000 married couples who lived in New England between 1620 and 1700. Included are the names of virtually every married couple living in New England before 1700, their marriage date or the birth year of a first child, the maiden names of 70% of the wives, the birth and death years of both partners, mention of earlier or later marriages, the residences of every couple, and an index of names. The inclusion of maiden names makes it possible to identify the husbands of sisters, daughters, and many granddaughters of immigrants and of immigrant sisters or kinswomen.

1,009 pp., indexed, paper. (1985), repr. 2004. ISBN 9780806311029. #GPC 5825. \$89.00

THIRD SUPPLEMENT TO TORREY'S New England Marriages Prior to 1700

Melinde Lutz Sanborn

Mrs. Sanborn's *Third Supplement* is primarily an index to the major genealogical periodicals published since Torrey's death. Covering the period from 1962 through the spring of 2003, this third supplement incorporates all of the information from the first and second supplements and contains 80% new material! In all, approximately 6,000 entries referring to as many as 20,000 individuals are included. An impressive number of new entries were provided by prominent researchers from their own unpublished work, while additional entries were developed from various website postings. Many entries come from multi-generational studies, often running to five or six generations, well into the 18th century. Thus, this work indexes not only the 17th-century couple, but it also leads the researcher to later generations.

397 pp., indexed, paper. (2003), repr. 2009. ISBN 9780806317434. #5148. \$48.00

their relationship to the deceased, minor children, guardians, and debtors. Includes an index of 25,000 entries.

660 pp., indexed, paper. (1994), repr. 2010. ISBN 9780806314235. #GPC 4994. \$70.00

MAYFLOWER INCREASINGS. 2nd Edition Susan E. Roser

Mrs. Roser provides a summary of all that is presently known about the passengers of the *Mayflower* for the first three generations in America—names, dates, places, spouses, children, etc. Unique to the Roser work, each third generation listing includes references to records or sources that will help the researcher find fourth generation children. A "Probate Appendix" also identifies fourth and fifth generation children.

Included as appendices are Governor Bradford's "List of the Mayflower Passengers" and the "1627 Cattle Division." The book is fully indexed and contains references to over 6,000 persons.

2nd ed. 179 pp., indexed, paper. (1995), repr. 2001. ISBN 9780806314792. #GPC 4995. \$26.00

MAYFLOWER MARRIAGES. From the Files of George Ernest Bowman at the Massachusetts Society of Mayflower Descendants

Susan E. Roser

This volume consists of 10,000 *Mayflower* marriages spanning five centuries, with names, dates, and sources. Marriages are listed under the names of the respective *Mayflower* passengers.

415 pp., indexed, paper. (1990), repr. 2001. ISBN 9780806312750. #GPC 4996. \$62.00

A GENEALOGICAL DICTIONARY OF THE FIRST SETTLERS OF NEW ENGLAND, Showing Three Generations of Those Who Came Before May, 1692, on the Basis of Farmer's Register. With added "Genealogical Notes and Errata" by Mrs. C. H. Dall, and a "Genealogical Cross Index of the Four Volumes" by O. P. Dexter. Four Volumes James Savage

This is the basic genealogical dictionary of early New England settlers, giving the name of every settler who arrived in New England before 1692 regardless of their station, rank, or fortune. Alphabetically arranged, for each individual it gives the dates of his marriage and death, dates of birth, marriage and death of his children, and birth dates and names of the grandchildren. According to the author, "nineteen twentieths of the people of these New England colonies in 1775 were descendants of those found here in 1692, and probably seven eighths of them were offspring of the settlers before 1642."

"Probably the greatest work on genealogy ever compiled for the New England area."—P.W. Filby, *American & British Genealogy & Heraldry*, 3rd edition, 1983.

4 vols. 2,541 pp. in all, indexed, paper. (1860–62, 1873, 1884), repr. 2012. ISBN 9780806307596. #GPC 5170. \$260.80/set

FEMALE INDEX to Genealogical Dictionary of the First Settlers of New England by James Savage Patty Barthell Myers

Savage's *Genealogical Dictionary* is one of the greatest works ever published on New England genealogy. The first edition came out in 1860, and as the four volumes were published in alphabetical sequence by family name, the males were usually found by checking their surnames. The females were scattered throughout the four volumes; all were difficult to find, and, if the husbands' names were unknown, these ladies could not be found. This new female index, however, published almost 150 years after Savage's *Dictionary* first came out, lists all the females alphabetically by maiden name and married names (more than 50,000 names altogether).

344 pp. 2008. ISBN 9780806317854. #GPC 3986. \$44.00

THE NORTHEAST

THE GERMAN ELEMENT in the Northeast: Pennsylvania, New York, New Jersey & New England

Gustav Koerner. Tran. & edited by Don Heinrich Tolzmann

This work describes the German immigrant contributions to American life and society in the mid-19th century, providing a wealth of genealogical detail about many German immigrants and their families. Mr. Tolzmann's footnotes throughout provide more comments concerning Koerner's subjects and their families.

270 pp., indexed, paper. 2010. ISBN 9780806354989. #CFC 9633. \$33.50

THE SOUTH

FREE AFRICAN AMERICANS OF MARYLAND AND DELAWARE from the Colonial Period to 1810. Second Edition

Paul Heinegg

In this second edition, Mr. Heinegg has assembled genealogical evidence on 390 Maryland and Delaware families (90 more than in the first edition), with copious documentation from the federal censuses of 1790 and 1810 and colonial sources consulted at the Maryland Hall of Records, county archives, and other repositories in Maryland and Delaware.

xii, 382 pp., indexed, paper. 2021. ISBN 9780806359281. #CFC 8760. \$45.00

FREE AFRICAN AMERICANS OF NORTH CAROLINA, VIRGINIA & SOUTH CAROLINA, from the Colonial Period to About 1820. Sixth Edition

Paul Heinegg

Now published in three volumes and 400 pages longer than the fifth edition, this work consists of detailed genealogies of hundreds of free Black families, representing nearly all African Americans who were free during the colonial period in Virginia and the Carolinas. It includes 38 additional families not found in the earlier editions, bringing the total to 650 families, and it includes virtually everything available on early free Black families from Virginia and the Carolinas from the public records. The names of more than 13,000 African Americans covered in the genealogies are located in the full-name index at the back of each volume.

Mr. Heinegg has researched some 1,000 manuscript sources, including colonial and early national period tax records, colonial parish registers, 1790–1810 census records, wills, deeds, Free Negro Registers, marriage bonds, Revolutionary pension files, newspapers, and more. The author gives copious documentation and an extensive bibliography of primary and secondary sources at the back of the third volume. Mr. Heinegg shows that most of these families were the descendants of white servant women who had children by slaves or free African Americans, not the descendants of slave owners. He dispels a number of other myths and demonstrates that many free Black families in colonial Virginia and the Carolinas were landowners.

6th ed., 3 vols., 1,752 pp. in all, indexed, paper. 2021. ISBN 9780806359212. #CFC 8750. \$152.00/set

SOUTHERN LOYALISTS IN THE CIVIL WAR: The Southern Claims Commission. By Gary B. Mills. See #CFC 3847, pg. 12.

UNITED STATES (in alphabetical order)

Connecticut

GENEALOGIES OF CONNECTICUT FAMILIES from The New England Historical and Genealogical Register. Three Volumes

These three volumes (each with its own index) identifies some 75,000 persons in more than 400 family history articles. This set is the most significant repository of Connecticut family histories available. With these volumes, genealogists have the means of undertaking a systematic examination of the work of the finest scholars in Connecticut genealogy.

3 vols. 2,443 pp. in all, indexed, paper. (1983), repr. 2010. ISBN 9780806310305. #CFC 1149. \$245.00/set

Georgia

THE GEORGIA FRONTIER. Three Volumes Volume I: Colonial Families to the Revolutionary War Period

Volume II: Revolutionary War Families to the Mid-1800s

Volume III: Descendants of Virginia, North Carolina, and South Carolina Families

Jeannette Holland Austin

Set against the history of Georgia's advancing frontier, this unprecedented three-volume work sets forth the genealogies of 591 families, referencing tens of thousands of Georgia settlers. The families are divided into three convenient groupings: (1) those who settled prior to 1775, (2) families who first entered Georgia between the Revolution and before the Civil War, and (3) families that migrated to Georgia from Virginia, North Carolina, or South Carolina during various periods.

3 vols., xvi, 591; xiv, 569; & viii, 418 pp., illus., indexed, paper. (2005), repr. 2009. ISBN 9780806352725. #CFC 9873. \$210.00/set

FAMILIES OF SOUTHEASTERN GEORGIA Excerpted from Georgia's Coastal Plain: Family and Personal History

Jack N. Averitt

Each of the roughly 1,000 sketches gives the subject's place and date of birth, educational background and military service, and then career, civic interests, church affiliation, hobbies, and so on. In almost every case, the author furnishes the names of the subject's parents, spouse, children, and spouse's parents, usually citing the subject's date of marriage and the dates or places of birth and death of at least these three generations of family members. In some cases, the subject's lineage can be traced back to the Civil War.

457 pp., indexed, paper. (1964), repr. 2009. ISBN 9780806350998. #CFC 9409. \$63.95

GEORGIA FREE PERSONS OF COLOR Michael A. Ports

An 1818 statute of the Georgia legislature required all free persons of color to register with the inferior court of their county of residence. County clerks were required to inscribe each freed man or woman by name, age, place of birth, residence, year arrived in Georgia, and occupation. The ensuing registers, varying in their completeness, survive for 21 Georgia counties. Over time, Mr. Ports hopes to transcribe all 21 county registers.

HISTORICAL COLLECTIONS OF GEORGIA.

Containing the Most Interesting Facts, Traditions, Biographical Sketches, etc., Relating to Its History and Antiquities, from Its First Settlement to the Present Time. Third Edition

Rev. George White

This is a major collection of colonial and Revolutionary documents, biographical sketches of prominent persons, lists of early settlers, militia rolls, and lists of soldiers and officers in the Revolution from the earliest settlements to the mid-19th century. We have added A.C. Dutton's 1920 "Name Index" of 58 pages, listing 7,000 names in the text.

3rd ed. xvi, 788 pp., indexed, paper. (1855), repr. 2004. ISBN 9780806303765. #CFC 6300. \$89.00

Kentucky

KENTUCKY [COURT AND OTHER] RECORDS. Early Wills and Marriages, Old Bible Records and Tombstone Inscriptions. [Vol. 1]

Mrs. William B. Ardery

This work covers the years from about 1724 to 1875 and relates to the counties of Barre, Bath, Bourbon, Clark, Daviess, Fayette, Harrison, Jessamine, Lincoln, Madison, Mason, Montgomery, Nelson, Nicholas, Ohio, Scott, and Shelby. Includes an index to estates and inventories of Revolutionary War soldiers.

206 pp., indexed. (1926), repr. 2003. ISBN 9780806300054. #GPC 141. \$33.00

KENTUCKY MARRIAGES, 1797–1865. From the Register of the Kentucky Historical Society, 1930–1940

G. Glenn Clift

These abstracts of marriage notices are listed chronologically, and each entry gives the name of the bride and groom and the marriage date; many include the place of residence and parents' names. The source of the information is provided for each entry. About 8,000 names of brides and groom are in the index.

258 pp., indexed, paper. (1930–1940), repr. 2010. ISBN 9780806300764. #GPC 1050. \$38.50

KENTUCKY OBITUARIES, 1787–1854

G. Glenn Clift

These 5,000 obituary notices were extracted from six early Kentucky newspapers and published in installments in *The Register of the Kentucky Historical Society*. Most entries give the name of the deceased, place of residence, name(s) of wife or husband, parents or other survivors, date of death, and other genealogical details.

254 pp., indexed. (1941–43), repr. 2006. ISBN 9780806307589. #GPC 1055. \$38.50

EARLY FAMILIES OF EASTERN AND SOUTHEASTERN KENTUCKY AND THEIR DESCENDANTS

William C. Kozee

This massive compilation contains genealogies of the section of Kentucky originally encompassing the counties of Floyd, Knox, Greenup, and Clay. The genealogies refer to about 12,000 persons, many of them worked through seven generations. Data furnished generally includes name, date of birth, marriage and death, place of residence, incidental facts pertaining to military and public service, references to public records, etc. **Visit our website for a list of the families treated.**

886 pp., indexed, paper. (1961), repr. 2005. ISBN 9780806305776. #GPC 3265. \$89.00

PIONEER FAMILIES OF EASTERN AND SOUTHEASTERN KENTUCKY

William C. Kozee

This work, which treats the same area as Kozee's *Early Families of Eastern and Southeastern Kentucky* above, is largely a sourcebook of genealogical data rather than a collection of family histories. Genealogical information on each county is uniform and is arranged in the following manner: first is given the boundary and establishment by law of each county; next, a synopsis of the earliest court records pertaining to the county; then, often a list of pioneer families according to the 1810 federal census and various county tax lists; and finally, and of greatest importance to the researcher, marriage records of various southeastern Kentucky counties. Additional sections of interest include lists of Revolutionary, War of 1812, and Civil War soldiers.

272 pp., paper. (1957), repr. 2009. ISBN 9780806305769. #GPC 3270. \$38.50

THE BOONE FAMILY. A Genealogical History of the Descendants of George and Mary Boone Who Came to America in 1717

Hazel Atterbury Spraker

This work is widely regarded as a model genealogy because of its high standards of research. The author traces the Boones through eleven generations from the original emigrant ancestors. There is data on families of undetermined connection, as well as on families that married into the Boone family in earlier generations; Revolutionary War records; and other material, including, of course, a biography of Daniel Boone.

706 pp., illus., indexed, paper. (1922), repr. 2006. ISBN 9780806306124. #GPC 5520. \$59.00

Maine

MASSACHUSETTS AND MAINE FAMILIES IN THE ANCESTRY OF WALTER GOODWIN DAVIS (1885–1966). Three Volumes. By Walter Goodwin Davis. With an Introduction by Gary Boyd Roberts. See #CFC 1400, p. 19.

GENEALOGICAL DICTIONARY of Maine and New Hampshire

Sybil Noyes, Charles T. Libby and Walter G. Davis

This indispensable and comprehensive reference work is offered in a convenient one-volume form. It contains extensive biographical and genealogical data on every family established in Maine and New Hampshire before 1699. Listed are the births, marriages, and deaths of the settlers through the third

generation, and sometimes into the fourth. Also included are data on places of origin, residences, wills and deeds, court cases, and highlights of lives and careers.

5 parts in 1. 812 pp. in all, paper. (1928–1939), repr. 2010. ISBN 9780806305028. #GPC 4205. \$59.95

Maryland

BRITISH ROOTS OF MARYLAND FAMILIES

Robert Barnes

This is the most authoritative account of the British origins of Maryland families. Source materials on which these genealogies are based derive from a combination of Mr. Barnes's own extensive research over the past thirty years and the pioneering work on the origins of Maryland families made by earlier researchers such as Henry F. Waters, Harry Wright Newman, and, more recently, Peter Wilson Coldham.

684 pp., indexed, paper. (1999), repr. 2010. ISBN 9780806316154. #GPC 354. \$63.95

BRITISH ROOTS OF MARYLAND FAMILIES II

Robert Barnes

This companion volume is the culmination of research that was undertaken after the publication in 1999 of the groundbreaking work that identified 500 individuals and families who seeded the early population of Maryland. Using the same format as the first volume, this sequel discusses the British origins of an additional 203 Maryland settlers and establishes connections to 120 settlers in other colonies.

372 pp., indexed. 2002. ISBN 9780806317014. #GPC 356. \$49.00

COLONIAL FAMILIES OF MARYLAND: Bound and Determined to Succeed

Robert Barnes

This work chronicles the life experiences of 519 persons who entered Maryland as indentured servants or, to a lesser extent, as convicts forcibly transported during the 17th and 18th centuries. The text comprises solidly researched sketches of Maryland servants and convicts and their descendants, including 102 that are traced to the third generation or beyond.

xxvi, 284 pp., indexed, paper. (2007), repr. 2008. ISBN 9780806353166. #CFC 9095. \$40.50

MARYLAND RECORDS: Colonial, Revolutionary, County and Church from Original Sources. Two Volumes

Gaius M. Brumbaugh

This work is the most comprehensive collection of genealogical source materials ever compiled on the state of Maryland. Along with the 1776 census—which lists every inhabitant in every household in eight of the then-existing Maryland counties—are marriages, loyalty oaths, tombstone inscriptions, pensions, naturalizations, surveys, rent rolls, and other types of lists. Marriage records cover the counties of Anne Arundel, Charles, Frederick, Montgomery, St. Mary's, Washington, and Worcester; church records include birth and death records of All Saints Parish, Frederick, 1727–1781, and parish registers of Prince George's Parish, Prince George's County, and St. Martin's Parish in Worcester County. More than 50,000 individuals are named.

2 vols. 1,229 pp. total, illus., indexed, paper. (1915, 1928), repr. 2008. ISBN 9780806300597. #CFC 750. \$138.50/set

SETTLERS OF MARYLAND, 1679–1783. Consolidated Edition

Peter Wilson Coldham

Originally published in five volumes, this consolidated edition brings the data into a single alphabetical sequence. Entries are arranged by family

name, county, name of tract, acreage, date, and reference to original sources. Approximately 20,000 landowners are named along with their tracts of land.

902 pp., indexed, paper. 2002. ISBN 9780806316932. #GPC 1123. \$89.00

MARYLAND GENEALOGIES. A Consolidation of Articles from the *Maryland Historical Magazine*. Two Volumes

With an Introduction by Robert Barnes

This work contains all the family history articles published in the *Maryland Historical Magazine* from its inception through 1976—nearly 100 articles in all, naming some 15,000 persons.

2 vols. 549 & 548 pp., illus., indexed, paper. (1980), repr. 2008. ISBN 9780806308876. #CFC 3735. \$133.50

TO MARYLAND FROM OVERSEAS

Harry Wright Newman

This work has documentation on the British and Continental origins of 1,400 people who settled in Maryland between 1634 and the beginning of the federal period. Each colonist is dealt with in a separate paragraph, the contents of which range from abstracts of wills, deeds, patents, judgment records, pension records, and naturalizations to abstracts of private papers, visitations, and parish registers.

196 pp. (1982), repr. 2002. ISBN 9780806311098. #GPC 4098. \$33.00

WITHOUT INDENTURES: Index to White Slave Children in Colonial Court Records

Richard Hayes Phillips

This work names 5,290 children kidnapped from Ireland, Scotland, England, and New England and sold into slavery in Maryland and Virginia, ca. 1660–1720. By English law dated 1659, it was lawful for justices of the peace to kidnap children found begging or vagrant and ship them to the plantations as servants without indentures, many held for their entire lifetimes.

322 pp., indexed, paper. 2013. ISBN 9780806319797. #GPC 4606. \$34.50

WHITE SLAVE CHILDREN OF COLONIAL MARYLAND AND VIRGINIA: Birth and Shipping Records

Richard Hayes Phillips

Compiled from shipping records in the Library of Congress, the Bristol [England] Records Office, and elsewhere, the author has identified 170 ships that carried white slave children to the plantations of colonial Maryland and Virginia. This volume identifies more than 1,400 children with their original parish or town records, birth, and baptismal records.

xxix, 392 pp., indexed, paper. 2015. ISBN 9780806320304. #GPC 4608. \$46.50

WHITE SLAVE CHILDREN OF CHARLES COUNTY, MARYLAND: The Search for Survivors

Richard Hayes Phillips

Here the author examines the treatment of children kidnapped and sold into slavery, and identifies those who survived. The records studied for this volume cover the years 1658–1733 and name almost 900 children. Mr. Phillips has assembled from these records all that is known

about the lives of the children following their release from servitude, including descendants for several generations, land purchases, and other vital details.

xv, 413 pp., indexed, paper. 2015. ISBN 9780806320311. #GPC 4609. \$46.50

WHITE SLAVE CHILDREN IN COLONIAL AMERICA: Supplement to the Trilogy

Richard Hayes Phillips

Since the publication of the three works by Mr. Phillips described above (informally referred to as the *White Slave Children Trilogy*), many records that were previously unavailable have come to light and been posted online; parish registers for London and for Essex are now complete, as are the parish registers for Wiltshire, Dorset, and Somerset, thus enabling the author to complete his search for the birth places of the children. He has also examined the newly indexed marriage and death records for Bristol; and a parish register from Ireland is included here. In addition, dozens more captains of ships have been identified from colonial records of Virginia, and more than 40 indentments for kidnapping have been found in London court records. Finally, more than 100 children sold into servitude along the Delaware River have been identified, some of whom have been matched with their baptismal or marriage records.

xx, 88 pp., indexed, paper. 2021. ISBN 9780806321141. #GPC 4604. \$18.50

LOST HISTORY OF STOLEN CHILDREN: An Epic Poem, being a true accounting of white children kidnapped and sold into slavery at the Chesapeake Bay and the Delaware River in the 17th century and what become of them afterwards. With annotations

Richard Hayes Phillips

Mr. Phillips is a long-time songwriter and folksinger in the Scottish and Irish tradition and the author of three books referred to informally as the *White Slave Children Trilogy* (described above), which identifies more than 5,000 children kidnapped from England, Ireland, Scotland, and Massachusetts and sold into slavery in Maryland and Virginia, c. 1660–1720. Their individual stories are told in this epic poem. With this publication, the poem now contains extensive annotations that verify its historical accuracy.

186 pp., paper. 2021. ISBN 9780806321158. #GPC 4601. \$23.50

THE ARK AND THE DOVE ADVENTURERS.

By The Society of The Ark and The Dove George Ely Russell and Donna Valley Russell, Editors

This is the first comprehensive account of the original Maryland colonists, and it contains compiled genealogies of their descendants to the fifth generation when possible. Because there are no recorded passenger lists for the Ark and Dove, the compilers have mined alternative record sources in order to reconstruct the rosters of passengers and crew and establish the genealogical links and vital statistics that make up the heart of this book, which identifies approximately 6,000 individuals.

296 pp., indexed, paper. (2005), repr. 2007. ISBN 9780806317625. #GPC 5042. \$41.50

ABSTRACTS OF THE DEBT BOOKS OF THE PROVINCIAL LAND OFFICE OF MARYLAND. 43 Volumes

V. L. Skinner, Jr.

The Provincial Land Office of Maryland was responsible for distributing land from 1634 to 1777 on behalf of the Lord Proprietor. Landowners acquired their plots by means of a warrant, followed by a patent. Each piece of land so granted was subject to a yearly rent. The debt books list persons owning land, giving the names of the parcel(s) and the acreage of each tract that the person owned for each year that rent was collected. The books are arranged by county, by year, and then by the name of the person paying the rent. In all, 15 counties are covered in this series: Anne Arundel, Baltimore, Calvert, Cecil & Durham, Charles, Dorchester, Frederick, Kent, Prince George's, Queen Anne's, St. Mary's, Somerset, Talbot, and Worcester. **Visit our website for information on the contents of each volume.**

ABSTRACTS OF THE TESTAMENTARY PROCEEDINGS OF THE PREROGATIVE COURT OF MARYLAND. 42 volumes

V. L. Skinner, Jr.

Mr. Skinner combed through administration, bond, will, inventory, administration account, and final balance entries to produce his popular series of transcriptions of 17th- and 18th-century Maryland probate records from the Prerogative Court. Each volume is transcribed from Libers at the Maryland State Archives. The abstracts are arranged chronologically by court session. Transcriptions state the names of the principals (testators, heirs, witnesses, administrators, and so forth) as well as details of bequests, names of slaves, appraisers, and more.

Visit our website for information on the contents of each volume.

THE EARLY SETTLERS OF MARYLAND. An Index of Names of Immigrants Compiled from Records of Land Patents, 1633–1689, in the Hall of Records, Annapolis, Maryland

Gust Skordas

This alphabetical list of over 25,000 immigrants includes the date of emigration, the basis of the claim for land, residence, sometimes the family relationship or status, and a reference to the source of the information.

525 pp., paper. (1968), repr. 2009. ISBN 9780806306162. #GPC 5420. \$59.00

PIONEERS OF OLD MONOCACY

Grace L. Tracey & John P. Dern

This work has a dual focus. First it attempts to locate and describe the land of the early settlers. This is done by means of a superb series of plat maps, drawn to scale from original surveys and based on both certificates of survey and patents. These show the exact locations of the various grants and lots, names of owners and occupiers, dates of surveys and patents, and names of contiguous land owners. Second, it identifies the early settlers and inhabitants of the area through deeds, wills and inventories, judgment records, and rent rolls. Winner of the 1988 Donald Lines Jacobus Award!

442 pp., illus., indexed, paper. (1987), repr. 2010. ISBN 9780806311838. #GPC 5835. \$49.95

Massachusetts

THE PIONEERS OF MASSACHUSETTS [1620–1650]. A Descriptive List, Drawn from Records of the Colonies, Towns and Churches

Charles Henry Pope

An alphabetically arranged list of about 5,000 settlers and their families, this work contains

MASSACHUSETTS AND MAINE FAMILIES in the Ancestry of Walter Goodwin Davis (1885–1966): A Reprinting, in Alphabetical Order by Surname, of the Sixteen Multi-Ancestor Compendia (plus Thomas Haley of Winter Harbor and His Descendants) Compiled by Maine's Foremost Genealogist, 1916–1963. With an Introduction by Gary Boyd Roberts

Walter Goodwin Davis

This work covers 180 families, all of Davis's colonial forebears plus 19 English families in the immediate ancestry of American immigrants. One hundred fourteen of these families lived mostly in Massachusetts; 29 are associated largely with Maine; and 18 lived largely in New Hampshire, primarily Hampton, Portsmouth, or Exeter. Most of the 114 Massachusetts families resided in Essex County, a few in Middlesex or Plymouth counties, or in Boston. Thus, this work is largely a compendium of "north of Boston" families.

3 vols. 2,210 pp. in all, each vol. indexed, paper. (1916–1963), repr. 1996. ISBN 9780806314969. #GPC 1400. \$218.00/set

dates of arrival, occupations, estates, marriages, names and dates of birth of children, and abstracts of probated wills—embodying genealogical riches such as names, dates, heirs, family relationships, and places of residence and death.

550 pp., indexed, paper. (1900), repr. 2009. ISBN 0806307749. #GPC 4660. \$59.00

Michigan

MICHIGAN GENEALOGY: Sources & Resources. Second Edition

Carol McGinnis

This work identifies records on the state and regional level and then the county level, providing details of vital records, court and land records, military records, newspapers, and census records, as well as the holdings of the various societies and institutions whose resources and facilities support the special needs of the genealogist.

This thoroughly revised and expanded edition devotes an entire chapter to Internet resources for Michigan family history research. Other new chapters explore the reasons why people settled in Michigan; territorial and state laws that governed the recording of vital records in Michigan; and non-traditional sources for research, such as prison and poorhouse records.

2nd ed. 508 pp., indexed, paper. 2005. ISBN 9780806317557. #GPC 3525. \$46.50

New Jersey

GENEALOGIES OF NEW JERSEY FAMILIES from the Genealogical Magazine of New Jersey. Two Volumes

This consolidation brings together all the genealogies, biographies, sketches, and Bible records published in this journal from its first issue in 1925 through the end of Volume 65. The volumes contain scores upon scores of extensive articles and shorter sketches on the early families of New Jersey. The indexes contain over 70,000 names. Visit our website for a complete list of the families covered.

2 vols. 2,226 pp. in all, indexed, paper. 1996. ISBN 9780806314907. #CFC 4058. \$191.50/set

New York

10,000 VITAL RECORDS OF CENTRAL NEW YORK, 1813–1850

Fred Q. Bowman

The vital records in this work are drawn from marriage and death columns of various central New York newspapers published before 1850, specifically those published in the section of the state between Geneva and Utica. The bride-

grooms and the individuals who were subjects of death notices are listed in alphabetical order, marriage officials are identified in the appendix, and all others mentioned in the text are listed in the index.

338 pp., indexed. (1988), repr. 2008. ISBN 9780806311494. #GPC 641. \$44.95

10,000 VITAL RECORDS OF EASTERN NEW YORK, 1777–1834

Fred Q. Bowman

This work covers the interior county of Otsego and the 300-mile strip comprising the eastern-most counties of Clinton, Essex, Saratoga, Rensselaer, Albany, Columbia, and "Old Dutchess," which, before 1812, included the territory of present-day Putnam County. The records are drawn from the marriage and death columns of newspapers published before 1835 in each of the above-named counties. Bridegrooms and the individuals who were the subject of death notices are listed alphabetically.

356 pp., indexed, paper. (1987), repr. 2008. ISBN 9780806311654. #GPC 642. \$44.95

10,000 VITAL RECORDS OF WESTERN NEW YORK, 1809–1850

Fred Q. Bowman

The vital records in this work come from marriage and death columns in five western New York newspapers published before 1850: the *Republican Advocate* of Batavia, the

Steuben Farmers Advocate of Bath, the *Geneva Gazette*, the *Jamestown Journal*, and Palmyra's *Wayne Sentinel*. Birth announcements were not published in these early newspapers, but many of the marriage and death notices mentioned birth years, birthplaces, and parents' names.

318 pp., indexed. (1985), repr. 2008. ISBN 9780806310992. #GPC 643. \$44.95

FINDING YOUR ANCESTORS IN NEW YORK CITY

Joseph Buggy

Since the immigrant ancestor who arrived in New York represents the best chance of finding the place of origin in Ireland, helping the researcher find the place of origin of that immigrant ancestor is the central objective of this work. The author provides detailed information about records, resources, and strategies for achieving this objective.

166 pp., indexed, paper. 2014. ISBN 9780806319889. #GPC 776. \$22.95

EARLY SETTLERS OF NEW YORK STATE—Their Ancestors and Descendants. Two Volumes

Janet Wethy Foley

This is a consolidated, edited version of a scarce and very important periodical, *Early Settlers of New York State*. Edited by New York genealogist Janet Foley, the magazine's purpose was to collect, publish, and preserve church records, tombstone inscriptions, and family records—first from western New York, then from all of New York State. By the time they had suspended publication, Mrs. Foley, with assistance from her husband, had compiled reams of Bible records, marriages, obituaries, and the other primary genealogical sources for the Empire State.

2 vols. 1,985 pp. in all, indexed, paper. (1993), repr. 2010. ISBN 9780806313870. #CFC 1935. \$207.00/set

NEW YORK IN THE REVOLUTION AS COLONY AND STATE. Second Edition [Together with Supplement]. Two Volumes in One

James A. Roberts and Frederick G. Mather

New York put at least 43,645 men in the field, all of whom are identified in this work from original muster rolls and payrolls in the State Comptroller's Office, as well as from records concerning regiments of the line in rolls on file

NEW YORK STATE CENSUSES & SUBSTITUTES

William Dollarhide

Among other things, this groundbreaking work identifies 448 state census originals for New York's 62 counties, located at 68 different New York depositories; identifies 120 statewide and regional name lists, including tax lists, land records, military lists, and newspaper indexes; identifies over 1,200 census substitutes and selected name lists; identifies over 1,500 online town references to find direct links to census extracts, indexes, or other name lists online; identifies over 3,700 bibliographic citations in total, each with detailed descriptions and notes, library call numbers, and FHL film numbers; includes 19 county boundary maps for the period 1683–1915; and includes 26 New York State Census Extraction Forms, 1825–1925, with all population, military, agriculture, industry, birth, death, and marriage schedules, plus the 1890 New York Police Census.

8½" x 11." 248 pp., illus., paper. (2005), repr. 2007. ISBN 9780806317663. #GPC 1494. \$41.50

in the old War Department in Washington. An additional 8,237 men are named in the Land Bounty Papers, making a total force of nearly 52,000 men.

2nd ed., 2 vols. in 1. 900 pp. in all, indexed, paper. (1898, 1901), repr. 1996. ISBN 9780806314891. #GPC 4967. \$89.00

North Carolina

THE LOYALISTS IN NORTH CAROLINA During the Revolution

Robert O. DeMond

North Carolina probably had a greater number of Loyalist soldiers and civilians who supported the Crown in proportion to its population than did any other colony. This work brings together all the available source material and identifies great numbers of these heretofore little known Loyalists.

286 pp., indexed, paper. (1940), repr. 2011. ISBN 9780806308395. #CFC 1415. \$41.50

NORTH CAROLINA WILLS: A Testator Index, 1665–1900. Corrected and Revised Edition

Thornton W. Mitchell

This list of over 75,000 testators provides the county and date of probate, volume and page of recorded will, and the location of the original will. It also gives a concise history of the probate records of all 107 North Carolina counties.

630 pp., paper. (1993), repr. 2009. ISBN 9780806313610. #GPC 3858. \$67.25

ROSTER OF SOLDIERS FROM NORTH CAROLINA IN THE AMERICAN REVOLUTION

North Carolina D.A.R.

This work contains the names of approximately 36,000 soldiers. Service records include such information as rank, company, date of enlistment or commission, period of service, combat experience, and whether captured, wounded, or killed. This is a complete roster of soldiers named in both published and unpublished sources.

viii, 709 pp., indexed, paper. (1932), repr. 2008. ISBN 9780806300917. #CFC 4150. \$64.50

NORTH CAROLINA TAXPAYERS, 1701–1786

Clarence E. Ratcliff

Most of the data comes from tax lists micro-filmed at the North Carolina State Archives in Raleigh, supplemented with names from the periodical *North Carolina Genealogy*, which includes persons owning headrights and land-rights. The names of about 28,000 taxpayers are listed alphabetically with the county of residence and date, and in some cases additional data is supplied.

The counties covered are: Anson, Beaufort, Bertie, Bladen, Brunswick, Bute, Caswell, Chowan, Craven, Cumberland, Currituck, Dobbs, Edgecombe, Franklin-Warren-Vance, Gates, Granville, New Hanover, Northampton, Onslow, Orange, Pasquotank, Perquimans, Pitt, Randolph, Rowan, Tryon, and Tyrrell.

228 pp., paper. (1984), repr. 2009. ISBN 9780806310794. #GPC 4760. \$38.50

NORTH CAROLINA TAXPAYERS, 1679–1790 [Volume 2]

Clarence E. Ratcliff

Covering thirty-nine counties, this work includes all the North Carolina tax lists not included in its companion volume (see the preceding entry). The 29,000 taxpayers are listed alphabetically by county of residence and dates.

242 pp., paper. (1987), repr. 2008. ISBN 9780806312040. #GPC 4762. \$46.50

GENEALOGICAL RESEARCH IN OHIO. 2nd Edition

Kip Sperry

Ohio has an abundance of sources available for genealogical research—statewide indexes and personal name finding aids, biographies, local histories, vital and church records, probate and court records, census and military records, land records, newspapers, naturalization records, gravestones, genealogical collections, and others. These sources and many others are described in great detail in this new second edition of Kip Sperry's *Genealogical Research in Ohio*. It examines the holdings of the major Ohio archives and libraries and focuses on the many other resources available to the researcher. It also includes a greatly expanded bibliography of Ohio books and periodicals. New to this second edition are Ohio sources on compact disc and the Internet.

2nd ed. xxii, 366 pp., maps, indexed, paper. (2003), repr. 2006. ISBN 9780806317137. #GPC 5512. \$49.50

STATE CENSUS OF NORTH CAROLINA, 1784–1787. Second Edition

Mrs. Alvaretta K. Register

Based on original records in the North Carolina Department of Archives and History, this work lists about 14,000 household heads with an enumeration of those in each household by age, sex, and race. The lists are arranged by county, thereunder chronologically by head of household, with all names indexed. Includes references to the sources of the information for each person.

233 pp. indexed, paper. (1971), repr. 2009. ISBN 9780806305561. #GPC 4850. \$33.00

Ohio

OHIO WILLS AND ESTATES TO 1850: AN INDEX

Carol Willsey Bell, C.G.

This is probably the most important single book on early Ohio genealogy, for it references no fewer than 72,000 testators named in the will and estate records for all Ohio counties up to 1850. Each entry gives the name of the person referenced, nature of the record (will or estate), year of the record, county where the record is filed, and source of the original record wherein more information may be found.

8 1/2" x 11". xxvi, 400 pp., maps, indexed, paper. (1981), repr. 2010. ISBN 9780806355825. #CFC 9886. \$65.95

GATEWAY TO THE WEST. Two Volumes

Ruth Bowers & Anita Short

Gateway to the West, a periodical published from 1967 to 1978, covered some of the least accessible but most important genealogical records of 76 of Ohio's 88 counties. For this two-volume consolidated reprint, the principal articles are arranged under their respective counties. Some 350 articles name more than 95,000 persons in records ranging from Adams County to Wood County and include court records, common pleas records, wills, deeds, marriages, births, deaths, indentures, guardianships, church records, township records, and cemetery records.

2 vols. 2,000 pp. total, indexed, paper. (1967–1978), repr. 2008. ISBN 9780806312361. #CFC 620. \$191.50/set

EARLY OHIO TAX RECORDS. Reprinted with "The Index to Early Ohio Tax Records"

Esther Weygandt Powell

Taking the place of pre-1820 census records, this work presents a county-by-county list of Ohio settlers and residents from about 1800 to 1825. Along with the 1801 tax list of the Virginia Military District, it contains the names of taxpayers listed in various county tax rolls, and it also contains lists of original proprietors and settlers (taken from other sources), names of holders

of military warrants, voters' lists, householders' lists, occasional lists of Revolutionary soldiers, and lists of resident proprietors. The work is arranged by county, with multiple tax lists arranged chronologically thereunder, and there is at least one tax list given for each of the 75 counties covered, the combined lists naming about 50,000 taxpayers.

2 vols. in 1. vi, 459 & 173 pp., map, indexed, paper. (1971, 1973), repr. 2008. ISBN 9780806311296. #CFC 4695. \$67.25

SWISS PIONEERS OF SOUTHEASTERN OHIO. The Re-Discovered 1819 Settlements of Jacob Tisher, Baron Rudolph de Steiguer, & Ludwig Gall (plus John Joseph Labarthe in Louisiana)

Ernest Thode

The Gall/Tisher group, which established a permanent Swiss settlement in Monroe County, Ohio, in 1819, was sponsored by a private commission led by Ludwig Gall. Also arriving in 1819, the Stadler clan representing Baron Rudolph de Steiguer, came to Athens County, Ohio. Lastly, the family of Swiss merchant trader John Joseph Labarthe settled in Louisiana. Mr. Thode located the passenger lists for the Swiss arrivals at New York and in a French military archive in Brest. Swiss vital records also added information on these persons.

iv, 124 pp., illus., indexed, paper. 2017. ISBN 9780806358475. #CFC 8593. \$23.60

Pennsylvania

THE SCOTCH-IRISH OF COLONIAL PENNSYLVANIA

Wayland F. Dunaway

Dunaway's classic outlines the circumstances behind the settlement of Lowland Scots in Ulster, their life in that Province for two or three generations, and the reasons for their emigration to America. It then traces the migratory movements of the Scotch-Irish from Northern Ireland to Pennsylvania, and from Pennsylvania down the foothills of the Appalachians through the Great Valley of Virginia to the Carolinas and Georgia.

273 pp., indexed, paper. (1944), repr. 2007. ISBN 9780806308500. #GPC 1540. \$33.00

SWISS AND GERMAN PIONEER SETTLERS OF SOUTHEASTERN PENNSYLVANIA

H. Frank Eshleman

The major emphasis of this work is on Lancaster County genealogy and the emigration

from the Palatinate in the 18th century, while substantial sections are devoted to lists of early settlers and biographical sketches of those who subsequently became known as Pennsylvania Germans.

386 pp., indexed. (1917), repr. 2006. ISBN 9780806301051. #GPC 1700. \$41.50

PENNSYLVANIA GERMAN MARRIAGES. Marriages and Marriage Evidence in Pennsylvania German Churches
Donna R. Irish

This work provides documentation on some 50,000 persons of German origin or descent as found in records of approximately 100 churches in eastern Pennsylvania. The records of actual marriages generally give the names of the bride and groom, the date of marriage, names of parents, place of residence, and sometimes place of origin, date of birth, and previous marital status; while records of marriage deriving from baptismal entries, burial records, etc., variously give names of parents (usually the maiden name of the mother), names of grandparents and sponsors, place and date of birth and/or baptism, names of children, and date of death.

xvi, 817 pp., indexed, paper. (1982), repr. 2009. ISBN 9780806354439. #CFC 2968. \$83.50

A COLLECTION OF UPWARDS OF THIRTY THOUSAND NAMES OF GERMAN, SWISS, DUTCH, FRENCH and Other Immigrants to Pennsylvania from 1727 to 1776

I. Daniel Rupp

This work is concerned mainly with early Palatine immigration and refers to 30,000 passengers in 319 ships' passenger lists, with the name of the ship and its origin, arranged by date of arrival. Also included is a listing of over a thousand settlers who came to Pennsylvania from other states. Contains an index of ships and an index of surnames.

583 pp., illus., indexed. (1876, 1931), repr. 2006. ISBN 9780806303024. #GPC 5045. \$49.95

PENNSYLVANIA GERMAN PIONEERS: A Publication of the Original Lists of Arrivals in the Port of Philadelphia from 1727 to 1808. Two Volumes

Ralph Beaver Strassburger and William J. Hinke

The most complete collection of colonial passenger lists ever published, this work comprises all the original lists of persons who arrived in the port of Philadelphia between 1727 and 1808. The lists were assembled from state archives and give the names of 38,000 immigrants, names of ships, dates of arrival, and places of origin. Volume I covers the period 1727-1775 and contains 324 ship passenger lists, including captains' lists, signers of the oath of allegiance, and signers of the oath of abjuration. Volume II covers the period 1785-1808 and includes 182 additional lists, in many cases giving ages, occupations, and birthplaces.

2 vols. 1,564 pp. in all, indexed, paper. (1934), repr. 2010. ISBN 9780806308821. #GPC 5620. \$141.95/set

PENNSYLVANIA-GERMAN CHURCH RECORDS of Births, Baptisms, Marriages, Burials, Etc., from the Pennsylvania German Society Proceedings and Addresses. Three Volumes

With an Introduction by Don Yoder

These three volumes contain all of the church records ever published by the Pennsylvania German Society, thus preserving the records of a great many key churches in southeastern Pennsylvania—Lancaster, York, Lehigh, Montgomery, and Northampton—the heartland of Pennsylvania-German country. The records

identify not only parents and children, husbands and wives, but witnesses and sponsors as well. A staggering 125,000 persons are mentioned, all cited in the indexes, which were compiled for this publication.

3 vols. 2,371 pp. in all, illus., indexed, paper. (1983), repr. 2009. ISBN 9780806310176. #CFC 4564. \$260.00/set

PENNSYLVANIA VITAL RECORDS from The Pennsylvania Magazine of History and Biography and The Pennsylvania Genealogical Magazine. Three Volumes

This work comprises reprints of virtually every article on births, baptisms, marriages, and deaths that ever appeared in the two most important Pennsylvania periodicals. The vital records derive from church registers, court records, records of local officials and justices, ministers' records, newspapers, and gravestone inscriptions. Our three volumes are completely indexed and contains references to over 100,000 persons!

3 vols. 2,500 pp. in all, illus., indexed, paper. (1983), repr. 2009. ISBN 9780806310091. #CFC 4569. \$235.00/set

Rhode Island

GENEALOGICAL DICTIONARY OF RHODE ISLAND. Comprising Three Generations of Settlers Who Came Before 1690

John Osborne Austin

This legendary work consists of alphabetically arranged genealogical tables of approximately 500 Rhode Island families. Thousands of descendants of pre-1690 settlers are carried to the third generation, and about 100 families are carried to the fourth. The majority of the entries contain records of births and—in all but the last generation—with excerpts from wills and deeds and other court records.

8½" x 11". xii, 496 pp., indexed, paper. (1887), repr. 2008. ISBN 9780806380131. #CFC 200. \$77.50

GENEALOGIES OF RHODE ISLAND FAMILIES from Rhode Island Periodicals. Two Volumes

This compilation of family history articles derives from six publications that are completely out of the reach of the average researcher and almost entirely unknown, even to the professional. Viewed as a collection—with dozens of articles on English origins and scores of other articles showing descent from immigrant settlers—the family history articles from these six periodicals offer the researcher an excellent chance of making ancestral connections in Rhode Island.

2 vols. 862, 914 pp., illus., indexed, paper. (1983), repr. 2011. ISBN 9780806310169. #CFC 4879. \$176.00/set

South Carolina

SOUTH CAROLINA MARRIAGES, 1688-1799

Brent H. Holcomb

This list of some 6,500 hard-to-find South Carolina marriage records bears reference to approximately 15,000 persons. The work is arranged alphabetically by the surname of the groom; brides and others mentioned in the records are located in the index. Each entry gives the names of the bride and groom, date of the marriage, and source of the record.

349 pp., paper, indexed. (1980), repr. 2006. ISBN 9780806308913. #GPC 2774. \$44.00

SOUTH CAROLINA MARRIAGES, 1800-1820

Brent H. Holcomb

Drawing on more than thirty separate sources, this sequel to Mr. Holcomb's work above contains some 2,000 marriage records.

171 pp., paper, indexed, paper. (1981), repr. 2006. ISBN 9780806309392. #GPC 2775. \$32.00

SUPPLEMENT to South Carolina Marriages, 1688-1820

Brent H. Holcomb

This booklet is based on sources that were either overlooked in preparing the previous two volumes or came to light since then. Includes more than 1,000 new entries, with brides and other persons mentioned in the records listed separately in the index.

57 pp., indexed, paper. (1984), repr. 2006. ISBN 9780806310756. #GPC 2776. \$16.00

ROSTER OF SOUTH CAROLINA PATRIOTS IN THE AMERICAN REVOLUTION

Bobby Gilmer Moss

This work identifies more than 20,000 rank and file South Carolina soldiers, identified from pension records, bounty land warrants, annuitants' claims, audited accounts, muster rolls, pay lists, and standard published sources. The information is arranged in paragraph form under the name of each soldier and includes some or all of the following: dates of enlistment, battles, and skirmishes; names of commanding officers; names or designation of military unit; rank attained; notations indicating whether the soldier was wounded, killed or taken prisoner; source citations; and, in the case of data deriving from federal pension files or state annuity claims, dates and places of birth and death, names of wives and children, and places of residence before and after the war.

1,046 pp., maps, paper. (1983), repr. 2009. ISBN 9780806310053. #GPC 3915. \$94.50

SCOTCH-IRISH MIGRATION TO SOUTH CAROLINA, 1772 (Rev. William Martin and His Five Shiploads of Settlers)

Jean Stephenson

Of interest here are the land evidences assembled from entries found in the South Carolina Council Journal; namely, authorizations, survey abstracts, wills, deeds and other records which demonstrate where each family settled or was entitled to settle. The families, which are grouped under the name of the vessel they traveled in, are identified by the name of the household head, names of spouse and children, number of acres surveyed, county, location of the nearest body of water and the names of abutting neighbors, and the source of the information.

137 pp., indexed, paper. (1971), repr. 2009. ISBN 9780806348322. #CFC 9428. \$24.25

Tennessee

1770-1790 CENSUS OF THE CUMBERLAND SETTLEMENTS: Davidson, Sumner and Tennessee Counties

Richard Carlton Fulcher

This work is an attempt to reconstruct a census of the Cumberland River settlements in Davidson, Sumner, and Tennessee counties, which today comprise all or part of forty Tennessee counties. Mr. Fulcher abstracted from public records all references to those living in the jurisdictions between 1770 and 1790. From wills, deeds, court minutes, marriage records, military records, and many related items, this is a carefully documented list of inhabitants—virtually the "first" census of Tennessee.

253 pp., paper. (1987), repr. 2009. ISBN 9780806311746. #CFC 2085. \$32.00

EARLIEST TENNESSEE LAND RECORDS & EARLIEST TENNESSEE LAND HISTORY

Irene M. Griffey, CG

In the first portion of this book, Mrs. Griffey organizes the legal history of the early Tennessee land laws so that genealogists may be able to grasp their substance. The bulk of this volume, however, consists of abstracts of some 16,000 of the earliest Tennessee land records in existence, arranged in a tabular format. For each record we are given the name of the claimant, the file number, the name of the assignee (if any), the county, number of acres, grant number, date, entry number, entry date, land book and page number, and a description of the stream nearest to the grant. A separate listing of assignees, with the corresponding claimant and file numbers, follows in a separate table.

506 pp., illus., paper. (2000), repr. 2008. ISBN 9780806350417. #CFC 9404. \$64.50

TENNESSEE COUSINS. A History of Tennessee People

Worth S. Ray

All Tennessee counties are covered in this work, each with pertinent genealogical data such as abstracts of wills and deeds, tombstone inscriptions, marriage records, and sketches of early settlers. The most important records include First Court Records of Washington District, the Marriage Records of Greene, Washington, Jefferson and Knox counties, and Revolutionary Soldiers of Roane County. This work also reaches out to the Carolinas, Georgia, Maryland, Virginia, and other Southern states as well. The index contains over 6,000 names.

819 pp., maps, illus., indexed, paper. (1950), repr. 2004. ISBN 9780806302898. #GPC 4800. \$67.25

Texas

GENEALOGICAL RECORDS IN TEXAS

Imogene Kennedy & Leon Kennedy

In text and maps, this guide provides detailed information on the legal and historical background of the state, the origin of each county, the location of the records for each portion of the county before it was organized into its present boundaries, and the specific records available in the various county courthouses, the Texas State Library, the Texas State Archives, and the Texas General Land Office.

248 pp., paper. (1987), repr. 2010. ISBN 9780806311852. #GPC 3149. \$48.00

Vermont

GENEALOGICAL AND FAMILY HISTORY OF THE STATE OF VERMONT. A Record of the Achievements of Her People in the Making of a Commonwealth and the Founding of a Nation. Two Volumes

Hiram Carleton

In all cases, these family histories are traced forward from the oldest known ancestor of the line to the family member (living or memorialized) featured in the sketch, for whom, in turn, a biography—often with a photograph—is provided. This is followed, frequently, by additional, collateral lines linked to the subject of the essay. Many of the lineages go back to 16th-century England, still others give connections to Massachusetts and the other New England states. Finally, while the work contains upwards of 30,000 references to kith and kin, the name indexes found at the front of the two volumes identify nearly 1,200 principal descendants of the main families treated.

2 vols. 1,474 pp. in all, illus., partially indexed, paper. (1903), repr. 2010. ISBN 9780806347943. #GPC 9322. \$207.00/set

SOLDIERS OF THE REVOLUTIONARY WAR BURIED IN VERMONT

Walter H. Crockett

This unusual work contains lists comprising the names of nearly 6,000 Revolutionary soldiers buried in Vermont; many of the soldiers emigrated from other states into Vermont during the years immediately following the Revolution. The names were gathered from a variety of sources, but the largest number were extracted from a rare list of Vermont Revolutionary pensioners, a list embracing invalid pensioners.

82 pp., paper. (1903–1904 and 1905–1906), repr. 2007. ISBN 9780806305349. #CFC 1220. \$18.00

Virginia

GENEALOGIES OF VIRGINIA FAMILIES from Tyler's Quarterly Historical and Genealogical Magazine. Four Volumes

These volumes contain every family history article published in the *Quarterly* from 1919 to 1952, when publication ceased. About 350 genealogies were published, in addition to Bible records, diary extracts, wills, etc. The articles are arranged alphabetically by family surname throughout the four volumes; each volume contains its own index.

4 vols. 3,621 pp. in all, illus., indexed, paper. (1981), repr. 2007. ISBN 9780806309477. #CFC 6075. \$344.00/set

GENEALOGIES OF VIRGINIA FAMILIES from the Virginia Magazine of History and Biography. Five Volumes

This work contains all the family history articles to have appeared in *VMHB* from 1893 through 1977. The articles touch on families from all parts of the Old Dominion, and the majority trace lines of descent through as many as seven or eight generations, the data covering a period of three or four centuries or more. Upwards of 100,000 Virginians are treated, each of whom is cited in the specially prepared indexes at the back of each volume.

5 vols. 4,827 pp. in all, illus., indexed, paper. (1981), repr. 2011. ISBN 9780806309101. #CFC 6086. \$428.00

GENEALOGIES OF VIRGINIA FAMILIES from the William and Mary College Quarterly. Five Volumes

These volumes contain every family history article published in the *Quarterly* from 1892 to 1943. No fewer than 500 genealogies were published, and these, together with a substantial number of Bible records, are reprinted here. With these five volumes, the researcher has within reach a comprehensive collection of family history articles with accompanying indexes to the 100,000 persons mentioned (marking the first time complete-name indexes have been published). Each volume is separately indexed.

5 vols. 4,740 pp. in all, indexed, paper. (1982), repr. 2011. ISBN 9780806309552. #CFC 6096. \$428.00/set

VIRGINIA'S COLONIAL SOLDIERS

Lloyd D. Bockstruck

From research based on county court minutes and orders, bounty land applications and warrants, records of courts martial, county militia rosters, Henning's *Statutes at Large*, the Draper manuscripts, and manuscripts in the Public Record Office in London, we here have an authoritative register of Virginia's colonial soldiers. Included are the military's "size" rolls which routinely give the soldier's place of birth, age, residence, occupation, and physical description.

ADVENTURERS OF PURSE AND PERSON VIRGINIA 1607-1624/5. Fourth Edition. Published for the Order of First Families of Virginia, 1607-1624/5

John Frederick Dorman, Editor

This multi-volume work establishes descents—through the sixth generation—of the 150 individuals who can be identified as (1) Adventurers of Purse (i.e. stockholders in the Virginia Company of London) who either came to Virginia in the period 1607–1625 and had descendants or who did not come to Virginia within that period but whose grandchildren were residents there; or (2) Adventurers of Person, 1607–1625 (i.e. ordinary immigrants to Virginia) who left descendants.

Volume One covers families A–F (Andrews through Freeman), and identifies 52 families and over 7,800 individual descendants resident in Virginia (or subsequently in other states). Family accounts are supported by 10,000 footnote citations to manuscripts or published records. The index contains 19,000 name, place, and subject entries, many with multiple page citations.

Volume Two covers families G–P (Gaither through Purifoy), and identifies 51 families and over 7,684 individual descendants. As with Volume One, family accounts are supported by nearly 10,000 footnote citations; the index contains 20,000 name, place and subject entries.

Volume Three covers families R–Z (Reynolds through Zouche), and identifies 46 families and more than 6,500 individual descendants. As with volumes One and Two, family accounts are supported by nearly 10,000 footnote citations; the index contains 20,000 name, place, and subject entries.

VIRGINIA IMMIGRANTS AND ADVENTURERS, 1607–1635: A Biographical Dictionary**Martha W. McCartney**

This book brings together a variety of primary sources regarding Virginia's earliest European inhabitants and the sparsely populated and fragile communities in which they lived, resulting in the most comprehensive collection of annotated biographical sketches yet published. Ms. McCartney conveys the basics about many of these original colonists: their origins, the names of the ships they sailed on, the names of the "hundreds" and "plantations" they inhabited, the names of their spouses and children, their occupations and their position in the colony, their relationships with fellow colonists and Indian neighbors, their living conditions as far as can be ascertained from documentary sources, their ownership of land, the dates and circumstances of their death, and other details about their personal lives.

Maps provided identify the sites at which Virginia's earliest plantations were located and enable genealogists and students of colonial history to link most of the more than 5,500 people included in this volume to the cultural landscape. An introductory chapter, moreover, includes an overview of local and regional settlement and provides succinct histories of the various plantations established in Tidewater Virginia by 1635.

833 pp., maps, indexed, paper. 2011. ISBN 9780806317748. #GPC 3505. \$67.25

JAMESTOWN PEOPLE TO 1800: Landowners, Public Officials, Minorities, and Native Leaders**Martha W. McCartney**

This work provides a detailed look at the people associated with Jamestown from its founding in 1607 to 1800. Based on government records and private archives, it provides historical biographies of several distinct groups of people: Jamestown Island landowners, public officials such as council members and burgesses, Native-American leaders, and African Americans associated with Jamestown. It also covers more than a thousand people who did not own land on Jamestown Island but whose activities brought them to Virginia's capital city.

Using an array of fascinating but little known sources, McCartney offers authoritative biographies and sketches of everyone in the public record associated with Virginia's capital. She has also enriched her text with a careful study of privately held papers, lending texture to the historical record while filling in little known details about this very distinctive population.

556 pp., maps, indexed, paper. 2012. ISBN 9780806318721. #GPC 3506. \$46.50

of thousands and encompass numerous lines of the colonial Virginia gentry. This book carries Pocahontas' descendants down to the mid-20th century. In this definitive edition, the two volumes of corrections and additions of 1992 and 1994 have been appended to the base volume of 1985, resulting in this consolidated volume in excess of 700 pages, with indexes containing over 30,000 names!

VIRGINIA SOLDIERS OF 1776 Compiled from Documents in the Virginia Land Office. Three Volumes**Louis A. Burgess**

This monumental work is based on official government records on file in the Virginia Land Office and on documents in the Archives Department of the Virginia State Library. The records are of several classes—bounty warrants, military certificates, exchange warrants, and land vouchers—and they establish absolute proof of Revolutionary service and of the descent of bounty land.

Annexed to these claims are certificates of heirship, wills and powers of attorney, dates of birth and death, and place of residence of the Revolutionary soldier. Further information in-

cludes the number of the warrant, exact number of acres granted, and date issued.

3 vols. 1,534 pp. in all, indexed, paper. (1927, 1929), repr. 2008. ISBN 9780806305295. #CFC 790. \$182.00/set

JAMESTOWNE ANCESTORS, 1607–1699. Commemoration of the 400th Anniversary of the Landing at James Towne, 1607–2007 Virginia Lee Hutcheson Davis

This is a list of approximately 1,000 persons who are known to have owned land or resided on Jamestown Island between 1607 and 1699. They are listed here alphabetically along with their known dates of residence in Jamestown, their official position in the colony (landowner, burgess, etc.), and their place of origin or county of residence. In addition, the book contains details concerning the settlement of the island, a brief history of Jamestown plantations and hundreds and their evolution into the early counties of Virginia, and pen and ink drawings, together with maps of the fort and city of Jamestown.

TIDEWATER VIRGINIA FAMILIES**Virginia L. H. Davis**

Covering a period of 375 years, this book sets forth the genealogical history of some 40 families who have their roots in Tidewater Virginia. Starting with the earliest colonial settler, the origins of the following Tidewater families are presented: Bell, Binford, Bonner, Butler, Campbell, Cheadle, Chiles, Clements, Cotton, Dejarrette(alt), Dumas, Ellyson, Fishback, Fleming, Hamlin, Hampton,

Harrison, Harris, Haynie, Hurt, Hutcheson, Lee, Mosby, Mundy, Nelson, Peatross, Pettyjohn, Ruffin, Short, Spencer, Tarleton, Tatum, Taylor, Terrill, Watkins, Winston, and Woodson. (Tidewater Virginia includes the counties of Amherst, Caroline, Charles City, Dinwiddie, Elizabeth City, Essex, Fairfax, Fauquier, Gloucester, Goochland, Hanover, Henrico, Isle of Wight, James City, King William, Lancaster, Mathews, Northumberland, Prince William, Prince George, Spotsylvania, Surry, Sussex, and York.)

8½" x 11". 730 pp., indexed, paper. (1990), repr. 2004. ISBN 9780806312835. #GPC 1382. \$87.00

TIDEWATER VIRGINIA FAMILIES: GENERATIONS BEYOND. Adding the Families of Alsobrook, Bibb, Edwards, Favor, Gray, Hux, Ironmonger, Laker, Southern, Taylor, and Woolfolk Virginia L. H. Davis

To the forty Tidewater Virginia families treated in the original publication (see #1382 above), eleven new families have been added. All families tie in with the earliest Hutcheson, Peatross, Butler, and Lee settlers in the colony of Virginia, and in each instance the family history, its vital statistics, and the events of the time are reported, as are brief accounts of collateral issue in each generation.

8½" x 11". 221 pp., indexed, paper. (1998), repr. 2009. ISBN 9780806315782. #GPC 1383. \$53.50

EARLY VIRGINIA FAMILIES ALONG THE JAMES RIVER: THEIR DEEP ROOTS AND TANGLED BRANCHES. Volume I: Henrico County—Goochland County Louise Pledge Heath Foley

Mrs. Foley abstracted the land records from the 14 volumes of Patent Books for the hundred-year period 1632 to 1732 pertaining to Henrico or Goochland counties. The abstracts give the name of the patentee, the location and acreage of the patent, and date of settlement, with copious references to family members and owners of adjoining properties, and the names of the settlers brought over as "headrights."

xxxiv, 141 pp., maps, indexed, paper. (1974), repr. 2009. ISBN 9780806308494. #CFC 1950. \$29.50

EARLY VIRGINIA FAMILIES ALONG THE JAMES RIVER: THEIR DEEP ROOTS AND TANGLED BRANCHES. Volume II: Charles City County—Prince George County Louise Pledge Heath Foley

Contains abstracts of the land records from the 14 volumes of Patent Books for the hundred-year period 1632 to 1732. The main body of the text consists of a chronological series of abstracts giving the name of the Charles City County or Prince George County patentee; the location and acreage of the patent and the date of settlement, with references to family members and owners of adjoining properties; and, most important, the names of the thousands of settlers brought over as "headrights."

TWELVE VIRGINIA COUNTIES Where the Western Migration Began

John H. Gwathmey

This scholarly and informative account describes the origin and settlement of the counties of Albemarle, Augusta, Caroline, Essex, Gloucester, Goochland, Hanover, King William, King and Queen, Louisa, New Kent, and Orange and recounts people and events associated with their history. Author John Gwathmey devotes a chapter to each of the 12 counties, gives a history of its formation, and provides sketches of pioneer families and early settlers.

xii, 469 pp., illus., indexed, paper. (1937), repr. 2009. ISBN 9780806308616. #CFC 2435. \$49.50

A HISTORY OF LOUISA COUNTY, VIRGINIA

Malcolm Harris

The first half of the book is organized around five institutional themes: politics, military history, country roads, churches and parishes, and education. Within these chapters, Dr. Harris introduces lists of the individuals who were there when the history was being made: land patentees, brides and grooms, Revolutionary and Civil War veterans, teachers and their students, and so on.

The second half, misleadingly labeled "Appendix," provides a list of Louisa marriage bonds from 1767–1800, and 150 pages of family sketches of the county's pioneer families.

x, 526 pp., illus., indexed, paper. (1936), repr. 2010. ISBN 9780806355023. #CFC 9831. \$63.95

OLD NEW KENT COUNTY [Virginia] Some Account of the Planters, Plantations, and Places

Volume I: New Kent County (Blisland and St. Peter's Parishes) King and Queen County (Stratton Major, St. Stephen's, and Drysdale Parishes)

Volume II: King William County (St. John's and St. David's Parishes)

Malcolm Harris

Dr. Harris' two-volume history and genealogy is one of the great achievements of Virginia local history of the last century. This work takes on even greater importance in light of the loss of county records in New Kent and in King & Queen counties and the survival of mere fragments for King William County prior to 1865.

2 vols. 560 & 502 pp., illus., indexed, paper. ISBN 9780806352923. #CFC 9891. \$152.00/set

MARRIED WELL AND OFTEN. Marriages of the Northern Neck of Virginia 1649–1800

Robert K. Headley, Jr.

This work contains a list of 7,000 marriages and boasts an additional 16,000 index entries. Starting with marriage license bonds for Northumberland County (1783–1800), Westmoreland County (1772–1800), Richmond County (1750–1800), and Lancaster County (1701–1800), the author added marriages from scattered licenses, fee books,

ministers' returns, family bibles, and notes in various volumes of court records, finalizing his research in the will books and deed books for Northumberland, Lancaster, Westmoreland, Old Rappahannock, and Richmond counties, as well as in standard publications.

Besides the names of husband and wife and the date of marriage, entries may contain the names of parents, grandparents, former spouses, children of previous marriages, and other relations.

515 pp., indexed, paper. (2003), repr. 2011. ISBN 9780806317328. #GPC 2654. \$64.50

NORTHERN NECK WILLS, INVENTORIES & OTHER RECORDS, 1800–1825. Probate, Estate, Guardianship & Chancery Records for the Virginia Counties of Westmoreland, Richmond, Northumberland & Lancaster

Robert K. Headley, Jr.

These abstracts are arranged alphabetically by the name of the deceased followed by the date the record was written or ordered, the date the document was probated or recorded, and the abstract of the record, which might include names of family members, heirs and beneficiaries, witnesses, bequests, inventories of estates, and court cases involving money, land, or slaves. A staggering 20,000 persons are named.

VIRGINIA GENEALOGY: Sources & Resources

Carol McGinnis

This is an encyclopedic listing of Virginia sources and resources for the genealogist. Ms. McGinnis devotes entire chapters to such subjects as Virginia land, people, and history; immigration and migration; vital records; Bible and church records; census records; land and court records; manuscripts and records abroad; ethnic Virginia; slavery and African-Americans; counties and their records; independent cities and their records; genealogical collections; and genealogical societies.

505 pp., maps and charts, paper. (1993), repr. 2008. ISBN 9780806313795. #GPC 3526. \$44.00

WITHOUT INDENTURES: Index to White Slave Children in Colonial Court Records. By Richard Hayes Phillips. See #GPC 4606, p.18.

WHITE SLAVE CHILDREN OF COLONIAL MARYLAND AND VIRGINIA: Birth and Shipping Records. By Richard Hayes Phillips. See #GPC 4608, p. 18.

LEWIS OF WARNER HALL

Merrow E. Sorley

The Lewis family of Warner Hall, York Co., VA, probably descends from Robert Lewis of Brecon, Wales, who came to Virginia in 1635. This book traces his descendants in the male and female lines, and descends from other early Virginia families. The bulk of this work is concerned with Col. John Lewis and Francis Fielding and their descendants; Col. Charles Lewis and Mary Howell and their descendants; and Col. Robert Lewis and Jane Meriwether and their descendants, with much attention given to these

related families: Ambler, Ball, Barret, Bowles, Bushrod, Byrd, Carter, Cobbs, Crawford, Eppes, Fauntleroy, Fielding, Griffin, Howell, Isham, Jefferson, Kennon, Marshall, Piersey, Ragland, Randolph, Taliaferro, Taylor, Thompson, Walker, Washington, Willis, Woodson, and Worsham.

VIRGINIA VALLEY RECORDS. Genealogical and Historical Materials of Rockingham County, Virginia, and Related Regions

John W. Wayland

The material in this work is compiled from public records of the counties of Rockingham, Augusta, Greenbrier, Wythe, and Montgomery. The types of records include marriages, lists of landowners, church records, militia records, wills, and sketches of prominent early settlers.

491 pp., indexed, paper. (1930), repr. 2003. ISBN 9780806303727. #CFC 6180. \$57.50

MARRIAGES OF SOME VIRGINIA RESIDENTS, 1607–1800. Four Volumes

Dorothy Ford Wulfeck

This work not only contains the records of approximately 40,000 marriages with references to about a quarter-million individuals, but it also derives from Bible records and references found in wills, deeds, court suits, and orphans' court records.

Brides and grooms are listed in a single alphabetical sequence; all other persons mentioned in the records are indexed separately. Mrs. Wulfeck's marriage records relate to three classes of people: (1) those who were married before settling in Virginia; (2) those who were married in Virginia; and (3) those who married after moving from Virginia to another colony or state.

7 vols. in 4. 2,305 pp. in all, indexed, paper. (1961–1967), repr. 2009. ISBN 9780806354200. #CFC 6518. \$211.50/set

West Virginia

WEST VIRGINIA GENEALOGY: Sources & Resources

Carol McGinnis

This detailed guide tells you what records to look for, what records are available, and where they can be found. It identifies records on the state level, the regional level, and then the county level, providing details of vital records, Bible records, church records, cemetery records, newspapers, naturalizations, military records, census records, land records, maps and city directories. The main focus is on the holdings of the various institutions whose resources and facilities are vital to the genealogist: county by county, it lists the names, addresses and hours of business of libraries, archives, societies, courthouses, and other record repositories.

135 pp., indexed, paper. (1988), repr. 2010. ISBN 9780806312309. #GPC 3527. \$23.60

WEST VIRGINIA REVOLUTIONARY ANCESTORS Whose Services Were Non-military

Anne Waller Reddy

This is a list of names of approximately 2,000 West Virginians whose Public Claims are on record at the Virginia State Library. Claims were registered for people who nursed the sick and wounded, fed the troops, furnished supplies, buried the dead, rode express, and manufactured

firearms. This index contains names of patriots whose services are recorded in no other place unless they rendered military as well as non-military service.

93 pp., paper. (1930), repr. 2009. ISBN 9780806302911. #CFC 4820. \$19.95

CANADA

EARLY ONTARIO SETTLERS. A Source Book Norman K. Crowder

Covering the years 1783–1789, this work contains official records of the early settlers of Upper Canada, or Ontario—chiefly population returns, provisioning lists, settlers' location lists, and lists of immigrant arrivals. These lists give the name of the head of household, place of settlement, and statistical details of the family. Most of the settlers were from the American colonies, especially New York's Albany area and the Mohawk Valley.

259 pp., maps, indexed, hardcover. (1993), repr. 2006. ISBN 9780806313757. #CFC 1225. \$33.00

COMPANIONS OF CHAMPLAIN: Founding Families of Quebec, 1608–1635, with 2016 Addendum

Denise Larson

The original 18 pioneer families who inhabited Quebec during Champlain's lifetime are the focal point of this work. The author traces the genealogy for three generations of the following 18 founding families: Amiot/Amyot, Boucher, Bourdon, Cloutier, Cote/Coste, Couillard/Couillart, Delaunay, Desportes, Giffard, Guyon, Hebert (Quebec's first colonial family, Hebert, is followed through five generations), Juchereau, Langlois, Marsolet, Martin, Nicolet, Pinguet, and Tardif/Letardif.

ERIN'S SONS: Irish Arrivals in Atlantic Canada. Volumes I–IV

Terrence M. Punch

Mr. Punch has combed through a wide-ranging and disparate group of sources to identify as many Irish immigrants as possible and to reveal their place of origin in the Old Country. The region of Atlantic Canada covered here are the provinces of Newfoundland and Labrador, Prince Edward Island, New Brunswick, and Nova Scotia. These volumes are an invaluable tool for U.S. researchers, since many New England Irish families can trace their ancestry through Atlantic Canada. (Volume II covers the same years as Volume I and includes references to an additional 7,000 persons). Each volume contains maps, showing Irish ports of embarkation, an index of ships, and an index of surnames.

Vol. I: 1761–1853. 8½" x 11". 208 pp., maps, indexed, paper. 2008. ISBN 9780806317823. #GPC 4708. \$38.50

NORTH AMERICA'S MARITIME FUNNEL: The Ships that Brought the Irish, 1749–1852

Terrence M. Punch

Functioning as the narrow end of a funnel through which thousands dispersed widely across the North American continent, the Maritime Provinces of Canada offered easy access, beckoning immigrants from Ireland's catchment areas along the waterways of Dublin, Londonderry, and Cork. This book provides a chronological list of the documented 1,050 voyages between Ireland and the Maritimes, giving the names of the vessels, their port and date of departure as well as their port of arrival and indicates the number of passengers and sometimes their names and destination. Only 123 passenger lists of the 1,050 voyages survive, but by dint of groundbreaking research, Mr. Punch has managed to fill in many of the gaps.

8½" x 11". 171 pp., indexed, paper. 2012. ISBN 9780806319650. #GPC 4716. \$38.50

SOME EARLY SCOTS IN MARITIME CANADA. Volumes I–III

Terrence M. Punch

Only after 1770 did the Maritime Provinces of Canada begin to attract Scots settlers, mainly but not exclusively from the Scottish Highlands. The Scots put their stamp on Cape Breton Island, the eastern mainland of Nova Scotia, much of Prince Edward Island, and coastal regions of New Brunswick.

These three volumes are based on materials found in the Nova Scotia Archives and the Public Archives of New Brunswick, among others. Records consulted range from newspaper announcements of marriages and deaths to cemetery records and censuses, and from rare passenger lists to probate records.

Vol. I: 8½" x 11". 180 pp., paper. 2011. ISBN 9780806318769. #GPC 4713. \$38.50

GUIDE TO QUEBEC CATHOLIC PARISHES AND PUBLISHED PARISH MARRIAGE RECORDS

Jeanne Sauve White

The bulk of this work consists of county-by-county lists of parishes within the Province of Quebec, and all known Catholic parishes are listed to 1900. Each list gives the names of all the parishes within that county, arranged in order of formation, with the date of the oldest records for that parish. A reference letter and name after the parish indicates the compiler and publisher of a marriage register for that parish or whether the marriages for that parish may be found in the important "Loiselles Marriage Index."

ENGLAND

A TOPOGRAPHICAL DICTIONARY OF ENGLAND. Four Volumes

Samuel Lewis

This work guides the researcher to the English parishes and chapelrys that are of importance in finding probate records. In alphabetical order, every county, city, borough, market town, post town, parish, chapelry, township, hamlet, tything, and hundred in England is recorded and described. Even the most obscure place is identified in relation to a parish and in most cases to a specific church.

4 vols. 2,464 pp. in all, illus., indexed, hardcover. (1831), repr. 1996. ISBN 9780806315089. #GPC 3360. \$205.00/set

EMIGRANTS IN CHAINS. A Social History of Forced Emigration to the Americas of Felons, Destitute Children, Political and Religious Non-Conformists, Vagabonds, Beggars and other Undesirables, 1607–1776

Peter Wilson Coldham

By 1776, the prisons of England had disgorged some 50,000 of their inmates to the American colonies, most of them destined to survive and, with their descendants, to populate the land of their exile.

Supported by a massive array of documentary evidence and first-hand testimony, this book focuses on the

ANCESTRAL TRAILS. The Complete Guide to British Genealogy and Family History 2nd Edition

Mark D. Herber

Ancestral Trails enables the researcher to form a coherent picture of past generations by describing virtually every class of record in every repository and library in Britain. The book guides the researcher through the voluminous British archives, extending back to medieval times, and provides a detailed view of the records and published sources available, analyzing each record and guiding the researcher to finding-aids and indexes. In this context, Mr. Herber is careful to link sources together to ensure that researchers can use material found in one source to assist a search in other sources. This second edition also brings the reader up-to-date with the many important changes that have recently taken place in British genealogy.

Writing in the Foreword to the second edition, John Titford remarks that "an increasing amount of material of relevance to family historians is being made available in print, on microform, on CD-ROM, and on the Internet; fresh finding aids appear and older ones become redundant; record repositories, libraries, family history societies and other interest groups appear afresh on the scene. . . . None of this has escaped the notice of the author of *Ancestral Trails*, and this welcome new edition, to which the phrase 'bigger and better' hardly does justice, is testimony to the continuing careful attention to detail which characterised the first edition."

894 pp., illus., indexed, paper. (2006), repr. 2007. ISBN 9780806317717. #GPC 2692. \$67.25

emergence and use of transportation as a means of dealing with an unwanted population, dwelling at length on the processes involved, the men charged with the administration of the system of transportation or engaged in transportation as a business. It then proceeds with a fascinating look at the transportees themselves, their lives and hapless careers, and their reception in the colonies.

196 pp., paper. (1992), repr. 2007. ISBN 9780806317786. #GPC 1109. \$25.25

WALES

WELSH FAMILY HISTORY. A Guide to Research. Second Edition

John & Sheila Rowlands, et al.

This handbook deals primarily with those aspects of family history research that are unique to Wales. Each chapter is written by a specialist in the field and treats an essential element of Welsh genealogy. Coverage includes but is not limited to the following topics: Welsh archives, family history societies, parish registers, civil registration, surnames, place names, the IGI for Wales, wills and estate records, printed and manuscript pedigrees, emigration, and a variety of miscellaneous sources.

2nd ed. 325 pp., illus., indexed, paper. (1999), repr. 2008. ISBN 9780806316208. #GPC 5030. \$31.50

SECOND STAGES IN RESEARCHING WELSH ANCESTRY

John & Sheila Rowlands

This book is a compendium of contributions by experts in different fields. There are chapters dealing with aspects of community life, different occupations, surnames, old documents, maps, estate records, and family histories (the Vaughans of Trawsgoed, the Lloyds of TyNewydd, Moris Reiglald, Titus Jones, and "Baron" Lewis Owen). The book contains several case studies, while still other chapters cover Catholics in Wales, Urban Growth and Development, People in Mining and Metals, the Bartrum Genealogies, Homes of Surnames, English Settlement in Montgomeryshire, and Religion and Society in 19th-century Wales.

362 pp., indexed, paper. 1999. ISBN 9780806316192. #GPC 5028. \$28.50

THE SURNAMES OF WALES. Updated and Expanded Edition

John & Sheila Rowlands

This new edition contains new chapters and several updated and expanded chapters, with information regarding more than 270,000 surnames found in parish records throughout Wales. Some of the new features include a study of how Welsh patronymics changed to settled surnames, surname geographic distribution, an expanded glossary of Welsh surnames, and a glossary of Welsh given names.

344 pp., indexed, paper. 2014. ISBN 9780806319971. #GPC 5033. \$46.50

IRELAND

IRISH AND SCOTCH-IRISH ANCESTRAL RESEARCH. A Guide to the Genealogical Records, Methods, and Sources in Ireland. Two Volumes

Margaret Dixon Falley

The first volume of this guide describes genealogical collections and indexes in all the major Irish repositories and the published indexes, catalogues, and printed sources available in Ireland and the United States. Volume Two is a bibliography of family histories, pedigrees, and source materials published in books and periodicals, and covers such printed works as parish, town and county histories, church records, and family histories.

2 vols. 1,167 pp. in all, indexed, paper. (1962), repr. 2010. ISBN 9780806309163. #GPC 1755. \$130.00/set

GENERAL ALPHABETICAL INDEX to the Townlands and Towns, Parishes and Baronies of Ireland, Based on the Census of Ireland for the Year 1851

Since research in Ireland will usually start at the parish level, there must be a reference tool that will key the townland—the smallest territorial subdivision in Ireland—to the parish in which it is located. This work was prepared under the auspices of the British government for almost that purpose. It shows the county, barony, parish, and poor law union in which the 70,000 townlands were situated in 1851, as well as the location of the townlands on the Great Ordnance Survey maps, with appendices containing separate indexes to parishes and baronies.

968 pp., paper. (1861), repr. 2006. ISBN 9780806310527. #GPC 2962. \$83.50

A TOPOGRAPHICAL DICTIONARY OF IRELAND. Two Volumes

Samuel Lewis

Arranged alphabetically by place (village, parish, town, etc.), this work provides a description

of all Irish localities, showing exactly where a particular civil parish was located in relation to the nearest town, barony, county, and province in which it was situated, its principal landowners, the diocese in which it was situated, and the Roman Catholic district in which the parish was located and the names of corresponding Catholic parishes.

2 vols. 1,480 pp. in all, illus., indexed, paper. (1837), repr. 2004. ISBN 9780806310633. #CFC 3370. \$159.95/set

BASIC GUIDE TO IRISH RECORDS FOR FAMILY HISTORY

Brian Mitchell

Mr. Mitchell's latest offering was inspired by the growing number of Irish sources available on the Internet and provides an up-to-date overview of the key sources for Irish research. According to the author, Irish genealogical records fall into the following eight major categories: (1) civil registers of births, marriages, and deaths; (2) church registers of baptisms, marriages, and burials; (3) gravestone inscriptions; (4) wills; (5) 1901 and 1911 census returns; (6) mid-19th-century Griffith's Valuation; (7) early 19th-century Tithe Applotment Books; and (8) other census substitutes. Each source is examined in detail.

Emphasizing the role of geography in Irish genealogy, the author explains that the country is divided into seven overlapping administrative divisions and clarifies the genealogical function of each. The final sections list Internet sites devoted exclusively or substantially to Irish genealogical research and also provide a core bibliography of the best sources now available.

56 pp., map, illus., paper. (2008), repr. 2009. ISBN 9780806353739. #CFC 9684. \$15.95

A GUIDE TO IRISH CHURCHES AND GRAVEYARDS

Brian Mitchell

In this book every church and burial ground in Ireland is identified in relation to a townland or street address. Each townland is located in its appropriate civil parish, and each parish is listed alphabetically within its county and is preceded by a number which gives its location in *A New Genealogical Atlas of Ireland* (see #3853). An Ordnance Survey number lets the researcher pinpoint the church's exact location on a six-inch Ordnance Survey map. Churches that are now defunct and graveyards

TRACING YOUR IRISH ANCESTORS. Fifth Edition

John Grenham

Mr. Grenham's work combines all the best features of a textbook and a reference book, expertly describing the various steps in the research process while at the same time providing an indispensable body of source materials. The new fifth edition retains the familiar three-part structure, combining a detailed guide for beginners with thorough descriptions of all the relevant sources and county-by-county reference lists. All the information has been expanded and updated, and the extensively expanded index makes the book even easier to use.

Genealogical research in Ireland has always depended on records that are more fragmented, localized, and difficult to access than anywhere else. The Internet is changing that. More and more of these records are coming online. This book is an indispensable guide to what these records are, where they are, and what they mean. It serves as a directory to online records, discussing their uses and outlining research strategies. Most useful are the subsections to each of the county source lists, showing county Internet sources. References are given throughout for any online versions of the records dealt with.

Along with its step-by-step instructions in the location and use of traditional genealogical records, its discussion of civil records of birth, marriage, and death as well as land records and wills, and its list of Roman Catholic parish records and source lists, this guide is easily the most useful book in Irish genealogy.

5th ed., 672 pp., illus., indexed, hardcover. 2019. ISBN 9780806320977. #GPC 7730. \$41.00

A NEW GENEALOGICAL ATLAS OF IRELAND. Second Edition**Brian Mitchell**

This second edition includes additional maps detailing the location of Roman Catholic parishes in all 32 counties of Ireland and Presbyterian congregations in the nine counties of Northern Ireland. It is not only invaluable for tracing your ancestors in church records but also for locating ancestors in civil records, for it provides descriptions and maps of the parochial and civil administrative divisions to which all major Irish record sources are linked. Mr. Mitchell has drawn at least four, and sometimes five, maps for every county. The first county map depicts the civil/Church of Ireland parishes; the second shows the baronies and Church of Ireland dioceses; the third map illustrates the poor law unions and the parishes included within the probate districts serving that county; the fourth plots Roman Catholic parishes and dioceses; and the fifth locates Presbyterian congregations for the nine counties of Northern Ireland. The book includes three maps of Ireland to show the area covered by each county, diocese, and probate district. In addition, it describes all of the major record sources of Ireland.

2nd ed. 175 pp., illus., maps, paper. (2002), repr. 2008. ISBN 9780806316840. #GPC 3853. \$24.50

that have been separated from their churches can be located with this guide.

253 pp., paper. (1990), repr. 2008. ISBN 9780806312668. #GPC 3856. \$44.00

A GUIDE TO IRISH PARISH REGISTERS**Brian Mitchell**

This is a guide to existing Irish parish registers for all denominations, their starting dates, and where or how they can be located. It also links the parish registers to Griffith's Valuation of Ireland, the great survey of property holders taken between 1848 and 1864. It provides map references to Mr. Mitchell's *New Genealogical Atlas of Ireland* and to the maps accompanying the householders' index to Griffith's Valuation, allowing the researcher to identify both the Valuation and the parish records by the same administrative division—the civil parish.

151 pp., paper. (1988), repr. 2009. ISBN 9780806312156. #GPC 3852. \$33.00

NEW POCKET GUIDE TO IRISH GENEALOGY**Brian Mitchell**

This guide is one of the most complete and informative books on genealogical research in Ireland ever written. Mr. Mitchell has completely revised his guide to meet the needs of today's researchers and direct them to the most current websites and resources. By skillfully blending Irish history, record sources, case studies, maps, charts, and his own mastery of the subject, Mr. Mitchell has put together a masterful handbook to Irish genealogical research.

Following introductory chapters on the background of Irish genealogy and how to get started in your research, Mr. Mitchell describes the nature and uses of all significant record sources in Ireland, including but not limited to civil and parish registers, gravestone inscriptions, wills, census returns and census substitutes, the Griffith's Valuation, tithe books, newspapers, hearth money rolls, the registry of deeds, estate records, and ordnance survey memoirs. Also included are the addresses, phone numbers, e-mail addresses, and websites for the major record repositories, as well as a section discussing DNA and genetic genealogy as applicable to Irish genealogy research.

7"x 10", 122 pp., maps, paper. 2020. ISBN 9780806359083. #CFC 8574. \$26.50

THE SURNAMES OF NORTH WEST IRELAND: Concise Histories of the Major Surnames of Gaelic and Planter Origin
Brian Mitchell

Drawing on a range of primary and secondary sources, the author has produced 324 single-page histories of surnames that either originated in or became established in North West Ireland. Mr. Mitchell estimates that these histories document the surname origins of over 80% of people

with roots in North West Ireland.

Most of the histories describe the geographic prevalence of the name in North West Ireland today, the ancient origins of the name's founders, the name's meaning, the expansion/contraction of the name, surname variations, and much more. These characteristics distinguish Brian Mitchell's book as the most important addition to Irish onomastics in many years.

xii, 326 pp., paper. 2010. ISBN 9780806354576. #CFC 9968. \$49.95

RICHARD GRIFFITH AND HIS VALUATIONS OF IRELAND. With an Inventory of the Books of the General Valuation of Rateable Property in Ireland
James R. Reilly

The first half of this work describes the methods used by Griffith and his colleagues in producing the land valuation and, in particular, the great Ordnance Survey of Irish townlands which fixed local boundaries throughout Ireland.

In the genealogical section, Mr. Reilly burrows into the intricacies of the valuations, showing how an understanding of the abbreviations and shorthand used by the valuers can lead the researcher from the valuation to other Irish records concerning one's ancestors. The appendices include a glossary of key terms, dates of publication of the Ordnance Survey Memoirs, county-by-county commencement and completion dates of the tenement valuations conducted from 1846 to 1864, and an inventory of the Books of Sir Richard Griffith's General Valuation of Rateable Property in Ireland.

8½" x 11". viii, 108 pp., illus., paper. (2000), repr. 2008. ISBN 9780806349541. #CFC 9371. \$29.50

INDEX TO THE PREROGATIVE WILLS OF IRELAND, 1536-1810
Sir Arthur Vicars

This index contains 40,000 entries arranged alphabetically by the name of the testator, showing his rank, occupation, or condition; his town or county of residence, and the year when the estate was probated.

512 pp., indexed, paper. (1897), repr. 1997. ISBN 9780806303611. #CFC 6060. \$49.95

SCOTLAND
TRACING YOUR SCOTTISH ANCESTRY.
Third Edition
Kathleen B. Cory

Revised and updated by Leslie Hodgson, this third edition is packed with information and ad-

vice on basic research techniques. It focuses on the holdings of the two principal Scottish record repositories, the General Register Office at New Register House and the Scottish Record Office, both in Edinburgh. Referring to records of births, marriages, and deaths before and after 1855 and census returns from 1841 to 1891 at the first-named location, and wills, testaments, deeds, and church records at the other, the author guides you to a successful conclusion of your search. New subjects covered in the third edition include the reorganization of local archives, the digitization and accessibility of old records, and the use of local history in genealogy. There are also chapters on family names, clans and tartans, heraldry, and record repositories outside of Edinburgh.

3rd ed. 271 pp., indexed, paper. 2004. ISBN 9780806317489. #GPC 1155. \$28.50

SCOTLAND DURING THE PLANTATION OF ULSTER, 1600-1699
David Dobson

All four volumes in the series are designed to assist family historians researching their origins during the 17th century. Since only seventeen parish registers of the Church of Scotland prior to 1685 survive for this area, Mr. Dobson's researches attempt to fill the void as best as possible. The volumes are based, overwhelmingly, on primary sources in the National Archives of Scotland and Edinburgh, and they are fully referenced. The single most important source used in the compilations are the Registers of Testaments for Glasgow. The inhabitants are arranged alphabetically and are identified by a town or townland, date, and source.

SCOTTISH GENEALOGY: The Basics and Beyond
David Dobson

This guidebook identifies the major sources and repositories for those just getting started on their research as well as identifying less commonly used sources, allowing more advanced researchers to put the basic facts they have gathered into context. With an emphasis on publications, manuscript sources, and archival records, Mr. Dobson highlights ways to trace Scottish ancestors using alternative sources, primarily those covering the years between 1550 and 1850. For each research topic—including statutory registers, church records, tax, records, sasines and land registers, emigration records, and much more—he has compiled an extensive list of the publications and archival records that will enable family historians to advance their research.

xiv, 158 pp., illus., indexed, paper. 2021. ISBN 9780806321134. #GPC 1459. \$27.95

THE SCOTTISH SURNAMES OF COLONIAL AMERICA
David Dobson

This work attempts to identify Scottish names, provide explanations of their meaning and significance, give examples, and where applicable, name the clan to which the family is linked. Mr. Dobson identifies about 1,000 Scottish surnames and their derivatives and also mentions one or more actual Scottish North Americans who bore that name before 1776.

A TOPOGRAPHICAL DICTIONARY OF SCOTLAND. Two Volumes

Samuel Lewis

Arranged alphabetically by place (village, parish, town, etc.), it provides a description of all Scottish localities, showing where a village was located in relation to its parish or nearest towns and district and the names of villages situated within it, the number of inhabitants of a given locality, the main landowners, and chief topographical features. This gazetteer enables you to identify a given locality in relation to a parish and to identify the location of the parish records.

2 vols. 1,233 pp. in all, illus., indexed, paper. (1851), repr. 2002. ISBN 9780806312552. #CFC 3368. \$133.50/set

EUROPE

SEARCHING FOR FLEMISH (BELGIAN) ANCESTORS

Jozef J. Goethals (in Collaboration with Karel Denys, CICM)

This is the first English-language guidebook for tracing Flemish ancestors from Belgium. It identifies Flemish-American genealogical organizations, vital records of the Flemish Civil Registry (1796–1900), parish registers (1600–1796), court records, orphan records, tax lists, and citizenship records. Mr. Goethals translates sample records from each category into English from the original Flemish, French, and Latin. The work also contains a discourse on Flemish names and naming practices as well as a glossary of Flemish, French, and Latin terms commonly used in Belgian genealogical documents.

8 1/2" x 11". 81 pp., illus., paper. (2007), repr. 2008. ISBN 9780806353425. #CFC 9313. \$26.50

ADDRESS BOOK FOR GERMANIC GENEALOGY. Sixth Edition

Ernest Thode

This sixth edition brings many addresses up to date and adds numerous others, especially municipal archive addresses and the addresses of local European historical and genealogical societies. It is indispensable for genealogical researchers with interests in Germany, Austria, Switzerland, and other German-speaking areas of central and western Europe.

Beginning with an exhaustive list of addresses in America, followed by an itemization of German and German-area addresses, this edition refers to nearly 2,000 genealogical and related societies, state and municipal archives, religious organizations, booksellers or importers, foreign information offices, newspapers, religious archives, and professional genealogists in North America, Germany, and elsewhere in the Germanic world.

6th ed. 8 1/2" x 11". 195 pp., paper. (1997), repr. 2000. ISBN 9780806315263. #GPC 5757. \$31.50

GERMAN-ENGLISH GENEALOGICAL DICTIONARY

Ernest Thode

This dictionary covers thousands of German terms and defines them in single words or brief phrases. All words, symbols, and abbreviations in the dictionary were chosen on the basis of their association with genealogy, having been noted in church records, civil registration re-

FINDING ITALIAN ROOTS. The Complete Guide for Americans.

Second Edition

John Philip Colletta

This work identifies the resources available here in the U.S. for researching back to your immigrant ancestor, then shows how you can tap into the wealth of information available in the town halls, archives, churches, and libraries of Italy. This second edition, moreover, covers Internet resources for Italian genealogy. Includes a glossary of key Italian terms and an extensive annotated bibliography.

2nd ed. 206 pp., paper. (2003), repr. 2008. ISBN 9780806317410. #GPC 1127. \$22.50

cords, family correspondence, genealogical journals, ships' passenger lists, and emigration records. In conjunction with a standard German-English dictionary, the user should be able to make a word-by-word translation of any German document and understand it.

8 1/2" x 11". 318 pp., paper. (1992), repr. 2008. ISBN 9780806313429. #GPC 5758. \$49.95

HISTORIC GERMAN NEWSPAPERS ONLINE. Second Edition

Ernest Thode

There are now about 2,000 historic German-language newspapers online at numerous public, private, and commercial websites, comprising billions of pages and referring to millions of individuals. Most of the papers cited here are from Germany and the former Austro-Hungarian Empire, though there are papers from as far away as China and Oklahoma. The genealogical information in these newspapers is almost limitless.

ANCESTORS IN GERMAN ARCHIVES. A Guide to Family History Sources. Two Volumes

Raymond S. Wright III

This work is the outgrowth of a project by Brigham Young University to survey all record holdings in about 2,000 public and private archives of the Federal Republic of Germany. For each of the archives, information is provided under the following headings: name and address of the archive (including phone, fax, e-mail, and website), jurisdiction of the archive, organization of the archive's records, published guides or descriptions of collections, emigration records, records of churches or religious communities, civil registration of births, marriages, and deaths, civil registration of residents, records of cities, towns and districts, censuses, military records, and records from former German communities now in other countries.

2 vols. 1,198 pp. in all, maps, indexed, paper. (2004), repr. 2010. ISBN 9780806317472. #GPC 6505. \$100.00/set

OUR ITALIAN SURNAMES

Joseph G. Fucilla

Our Italian Surnames covers every facet of Italian names and naming practices. Besides given names and the evolution of Italian surnames, the book contains chapters on pet names, botanical names, geographical names, bird names, insect names, occupational names, and more. Contains a list of sources and an index of more than 7,500 names.

299 pp., indexed, paper. (1949), repr. 2003. ISBN 9780806311876. #GPC 2082. \$36.25

POLISH ROOTS. Second Edition

Rosemary A. Chorzempa

Mrs. Chorzempa begins with an examination of Polish-American resources, touching first on records kept by the Polish-American family, then veering off into a discussion of the standard records employed in genealogical research, such as census and naturalization records, ships' passenger lists, vital records of birth, marriage and death, records of fraternal societies, newspapers, church records, and military records. She treats each of these record groups in the context of Polish-American research, setting a framework for her discussion of the records held by the LDS Church in Salt Lake City. She also provides a breakdown of libraries and archives with Polish genealogical materials and a comprehensive list of Polish genealogical societies.

The bulk of the book focuses on research in Poland, as the author shows the reader how to find and use church and civil records; how and where to locate research services, libraries, and archives; how to make sense of Polish names and the naming practices of the major ethnic groups; and how, ultimately, to deal with the Polish language. Also contains a letter-writing guide, a transliteration of queries and requests to be sent to Polish churches, civil record offices, and institutions for purposes of obtaining assistance.

298 pp., illus., maps, paper. 2014. ISBN 9780806320045. #GPC 981. \$29.50

MASTERING SPANISH HANDWRITING AND DOCUMENTS: 1520–1820

George R. Ryskamp, Peggy Ryskamp, & H. Leandro Soria

This work analyzes two styles of handwriting: Secretary style and Humanistic style. The goal is to provide researchers with a working familiarity with the handwriting in use at the time a document was drafted; an acquaintance with the legal and customary formats regularly used in that time period; and a knowledge of the procedures followed by institutions and individuals when drafting the documents. The first four chapters deal with general language and writing concepts. Chapters 5 through 11 focus on specific record types, including baptism, confirmation, communion, marriage, death, and notarial records. Chapter 12 reviews the learning skills needed to read records written before 1640 in Secretary style. The book concludes with a number of paleography texts in Spanish that can be studied to gain more experience in ready texts in those styles.

8 1/2" x 11". xxii, 308 pp., illus., indexed, paper. 2022. ISBN 9780806321196. Available soon.

BARBADOS / HISPANIC / ASIA

GENEALOGIES OF BARBADOS FAMILIES From *Caribbeana* and *The Journal of the Barbados Museum and Historical Society* **James C. Brandow**

This collection of articles ranges from conventional genealogies and pedigrees to will abstracts and Bible records and refers to some 15,000 persons. It also contains notes on the connections between Barbados and New England families, as well as four lists of Barbados Quakers.

xvi, 753 pp., illus., indexed, paper. (1983), repr. 2008. ISBN 9780806310046. #CFC 658. \$67.25

TRACING ANCESTORS IN BARBADOS. A Practical Guide **Geraldine Lane**

This groundbreaking manual covers all sections of Barbadian society, from English planter families to indentured servants and the tens of thousands of Africans brought in as slaves. Many of these people subsequently moved on to the United States and other destinations to seek their fortune beyond Barbados. Records of baptism, marriage, and burial for Anglican and other denominations—as well as those of birth and death—are described here in detail. Other subjects covered include wills, deeds, censuses,

military records, immigration and emigration, cemetery records, and records of slaves and plantation ownership. Developments in DNA testing are also examined as well as Internet sources and numerous published sources.

171 pp., indexed, paper. (2006), repr. 2007. ISBN 9780806317656. #GPC 3282. \$25.25

CUBAN CENSUS RECORDS OF THE 16th, 17th, and 18th CENTURIES. Rev. Ed.

Peter E. Carr

The data covered in this work was transcribed from records in the Archivo General de Indias in Seville, Spain. These records cover the time period 1520 to 1797 and include residents' lists, military lists, and census records. In many cases, the lists give the names, ages, military rank, family relationships, and occupations of the several thousand individuals covered.

x, 114 pp., indexed, paper. 1993. ISBN 9780806352480. #CFC 9846. \$20.50

HISPANIC SURNAMES AND FAMILY HISTORY. By Lyman D. Platt. See #GPC 4635, p. 5.

FINDING YOUR HISPANIC ROOTS

George R. Ryskamp

This work provides detailed information on the records, sources, and reference works used in research in all major Hispanic countries. Starting with an examination of basic research principles and techniques, it goes on to discuss language and handwriting, Hispanic surnames, methods of tracing Hispanic immigrants in U.S. records, and how to conduct Hispanic genealogical research in LDS Family History Centers.

The work then examines the types of records found in all Hispanic countries and indicates where particular record types are found. Covered here are civil registers of births, marriages, and deaths; church records of baptisms, marriages, and burials; census records; military records; and the often under-utilized notarial records.

306 pp., indexed, paper. (1997), repr. 2005. ISBN 9780806315171. #GPC 5057. \$33.00

In Search of Your Asian Roots: GENEALOGICAL RESOURCES ON CHINESE SURNAMES

Sheau-yueh J. Chao

This is a ground-breaking treatise on the related topics of Chinese-American genealogy and Chinese onomastics. In fact, the book is the first basic tool in English to trace the origins of Chinese surnames. Chapter 1 describes the history of Chinese surnames. Chapter 2 delivers a genealogical analysis of more than 600 Chinese surnames. Typically each surname sketch depicts the founder or other originating influence upon the name, the various locales associated with the surname, reasons behind alterations in the name, and so on. Chapter 3 is an annotated bibliography of Chinese and English language sources on Chinese surnames. The work concludes with separate indexes to family names, authors, titles, and Chinese-character stroke numbers (one mechanism used for grouping Chinese characters).

xviii, 323 pp., illus., indexed, paper. (2000), repr. 2006. ISBN 9780806349466. #CFC 9355. \$41.50

GENEALOGICAL PUBLISHING COMPANY & CLEARFIELD COMPANY

2022–2023 Catalogue

“Best of the Best”

For more than half a century Genealogical Publishing Company and its sister company, Clearfield Company, have been the leading publishers of genealogical reference books, how-to books, and manuals. Both companies publish reprints and originals, and together they have published more than 2,000 titles in the combined fields of genealogy and local history.

Keeping pace with the changing technologies in the field of genealogy and in book publishing in the past several years, we have expanded our website so that today it is a comprehensive list of every title our two companies carry. At the same time, we now offer more and more of our titles as print-on-demand, so that many of the titles on our website are permanently available. Over the next couple years, our hope is to have almost all of our titles available as print-on-demand, eliminating the frustration of having much-wanted titles temporarily out of print.

In past years our annual catalogue of books was meant to be a complete listing of all of our titles in print at that time, excluding those titles currently out of print. Now that our website provides a complete listing, it is no longer necessary to compile and print a thick catalogue.

With all this in mind, we have shifted our annual catalogue's focus, making it a listing of our “best of the best” titles. This year's catalogue contains the most popular and trusted, tried-and-true titles in each category, and we offer them here as a composite of the most respected and most sought-after titles in the fields of genealogy and family history.

For a complete listing and full descriptions of all the books that our two companies offer, please visit our website at www.genealogical.com.

HOW TO ORDER

The order form is located on the inside back cover of the catalogue.

If you are paying by check or money order, please **make out checks to: genealogical.com**. Orders may also be placed by phone or by fax, or on our website at www.genealogical.com.

Web orders of \$75.00 or more receive FREE SHIPPING! This free shipping offer is available *only* for web orders! **Visit our website at www.genealogical.com.**

Shipping: We ship via a combination of UPS Mail Innovations and USPS. Because most of our titles are printed by print-on-demand, after you place your order, we cannot offer next-day shipping.

Print-on-demand: Over 90% of our titles are now produced by print-on-demand, meaning that a title is printed when an order is placed for that title, packaged, and shipped from the same facility. Only a rare few titles are still printed in bulk and stored in a warehouse facility in Michigan. If your order contains a combination of print-on-demand titles and warehoused titles, these will ship separately and will arrive separately. If your order contains all print-on-demand titles, these will ship together in one package.

Contents

How-To Books & Manuals.....	1	Native American	14

Postage & Handling

United States (includes AK and HI) (shipping via a combination of UPS Mail Innovations and USPS): One item \$7.50; each additional item \$3.00. **When ordering sets:** first volume \$7.50; each additional volume \$3.00. **Orders totaling less than \$20.00:** One item \$5.50; each additional item \$2.50.

International orders, including Canada: Order from Amazon.

Return Policy: Items are not sold on pre-approval. We accept returns only for damaged or defective items or for items sent in error.

Customers will be charged \$25.00 for any check returned to us for insufficient funds.

NOTE: Rates for FedEx and UPS have changed so frequently over the past several years that we can no longer predict the cost of these services to ship your orders. The alternative is a combination of UPS Mail Innovations and USPS. Because over 90% of our titles are produced by print-on-demand, after you place your order, we can no longer offer next-day shipping.

WEBSITE ORDERS ONLY! FREE SHIPPING on orders of \$75.00 or more—when you order on our website at www.genealogical.com!
